Recognition:

ACK Chocolate Industries LLC (DBA Arcay Chocolates) is a family-owned chocolate business in Washington D.C. that creates piece of art you can eat. Each chocolate bonbons box is filled with a variety of exquisite flavors from their award-winning collection. All of their products are handmade in small batches at their chocolate studio in La Cosecha, a Latin American gastronomic hub in the heart of D.C.'s Union Market District.

About:

ACK Chocolate Industries LLC’s (DBA Arcay Chocolates) master chocolatier, Anabella Arcay, started Arcay Chocolates in a small corner of her family’s home in Venezuela in 2006. The business grew quickly and gained international notoriety after receiving 42 medals at the International Chocolate Awards. In 2017, they uprooted the company to the United States with the dream of sharing their mouthwatering creations with the rest of the world. While Anabella is making chocolates, her husband Dario Berti is behind the scenes running operations, delivering orders, and greeting clients. Their daughter Bella is the head of marketing and social media. Meanwhile their son Tomas helps assemble chocolate boxes and organizes workshops. As Hispanic entrepreneurs, it is their pride and joy to represent Venezuela through their confections.
