Experience

Musiversal

Co-Founder & COO

April 2020 - Present (3 years)

The most efficient and cost-effective way to produce your music with professional session musicians, producers, engineers and orchestras - from the comfort of home. The best part of it all: creating stable jobs for musicians in an industry where making a stable living is notoriously difficult.

You can support our mission and grow alongside us by investing in our crowdfunding round and becoming a shareholder!
