(D) The Company’s Business and Business Plan

607 SOUTH MAIN STREET

A beautifully restored 1912 farmhouse is the setting for Hattie's. Set on 2 acres of land on Main St. this property boasts all kinds of potential for our customers and the community.

- Inside, the aesthetic will be bright and comfortable. With neutral tones, a combination of old and new furniture, mixed textiles and houseplants, the atmosphere will be both inviting and inspiring.
- Being located in a historic house allows us to have various nooks to create more private

seating and meeting places.

- Upstairs we will have opportunities for customers to rent out the space for business meetings or working on site without any interruptions.
- We will be creating beautiful cut flower garden beds around the property so that we can have fresh flowers in the coffee shop and also sell bouquets to customers.
- We plan to have bees on the property (at a safe distance from the house) so that we can sell locally harvested honey to our customers and also use it in our custom- made syrups.
- We will have cafe lights outside with a porch swing, picnic tables, and lots of spaces to sit and relax and connect.

Opportunity

Whitestown, located just northwest of Indianapolis and immediately adjacent to I- 65, is the second-fastest growing community in Indiana and has one of the highest median household income levels in the state. Much of that rapid growth has come from commercial development near the interstate, which threatens to overshadow Whitestown's rich history and sense of community.

Rather than allow the town to lose its historic identity and become lost in a sea of development, town leaders have prioritized building up the old downtown or "legacy core." Hattie's Coffee will be an anchor in this effort, located in the center of Whitestown and offering an inviting place to gather, strengthen friendships, and build community.

Solution

Hattie's will be a much-needed anchor for those who call Whitestown their home. It will be a gathering place suitable for not only business professionals, but families and individuals as well. Hattie's will be a place where connectivity and creativity are merged together over high quality coffee and delicious local food offerings.

Located midway between extensive housing developments on the north and south sides of Whitestown, Hattie's will tie together the whole community. Our coffee shop in one of the historic homes on Main Street will provide residents a "third place" to congregate that has a local identity instead of a nationwide one.

Why Us?

Our coffee is locally roasted, fresh, and much better than what is currently being offered at these chain coffee stores. Our baristas are committed to providing customers with the most excellent cup of coffee and specialty drinks that people cannot get elsewhere. With locally sourced pastries and café offerings we will be able to give a more diverse menu as well.

The Team

Kirra Sutton, Owner

Kirra has spent the past 10 years building a wedding and lifestyle photography business alongside building a family with her husband. They have three awesome kids and have lived in the suburbs of Indianapolis for the past 8 years where they've come to appreciate hoosier hospitality and small town charm.

Hattie's will be her first venture into the brick and mortar world but she is not new to running a business, working behind a coffee bar, or management. She's so excited to learn your order and

welcome you into the Hattie's family.

(K) Material Changes

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	3.0 - 6.0% ²
Payment Deadline	2028-12-31
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.6 x 1.4 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 3.0% and a maximum rate of 6.0% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$30,000	3.0%
\$37,500	3.8%
\$45,000	4.5%
\$52,500	5.2%
\$60,000	6.0%

³ To reward early participation, the investors who contribute the first \$20,000.0 raised in the offering will receive a 1.6x cap. Investors who contribute after \$20,000.0 has been raised in the offering will receive a 1.4x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Kirra Sutton	100%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 4.5% of the amount of the Offering raised by In-Network Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "In-Network Users" means a user of Mainvest.com who who have utilized the Company's specified in-network link on the Site.
