Oteman,

Per our discussion I launched a company in April of 2021. Since we began we have achieved more than 6 figures in revenue. We have 40 current subscribers. We have an excellent team that is ready to scale. I'd like you to join our team by making an investment in our Friends & Family round. You will find all the information on our company and this funding round by visiting this site.

Should you have additional questions after reviewing let's chat.

*Legal Disclaimer:*
