Bryon White

Founder in CPG/AG | Venture Builder specializing in vertical integration, regenerative agriculture, Omni-channel. Aspiring renaissance man, proud dad, total plant nerd and recovering Law Enforcement Officer.

New Smyrna Beach, Florida, United States

Summary

I'm an entrepreneur obsessed with social enterprise and culture, equipped with a decade of experience in the CPG industry, native agriculture, and indigenous food system (re)development. I'm always looking at ways to make the world a better place through the choices we make as consumers, business owners, and human beings. Let's make something great, together!
