# Kevin Williams

Co-Founder at Ravel Health (Virtual, On-Demand Platform for Lyme  
Disease Testing & Treatment) & Epic Apps (Software Development)  
Denver, Colorado, United States

## Summary

Ravel Health is creating a virtual, integrative nationwide clinic  
specializing in chronic Lyme disease and its many debilitating co-  
infections.

Our goal is to provide affordable, on-demand care from highly vetted  
Lyme-literate physicians, all from the comfort of home.
