It's a problem that directly impacts the environment, public safety, and our pocketbooks.

"A Google search might eventually take me from my keyword to product data, but what I need is the shortest path from keyword to product expert." -Evan Troxel, AIA

With \$153,000.00 raised in just the first week of our campaign, "Ask yourself this. Are you ready to do something about it for the good of future generations?"

It's a simple solution that applies to any industry. Together, we can make great things happen. Join the movement at tect.com.

How do you react to the word *change*?

LET'S JUST STOP DOING THE THINGS
THAT DON'T WORK.
