## Opportunity

American whiskey is shifting beyond legacy bourbon and Scotch toward premium, culturally relevant brands.

**Bear Fight sits at the center of that shift.**

Already one of the top-selling American Single Malts in the U.S., Bear Fight combines award-winning liquid, national distribution, and authentic partners who actively build the brand. The opportunity now is to scale awareness and distribution while the category remains early and fragmented.

This raise supports disciplined growth and deeper owner participation without compromising what made the brand work.

## Our Vision

Bear Fight is building the most culturally relevant American whiskey brand of this decade. We believe enduring spirits brands are built on three fundamentals. Active partners like Gabriel Macht are true fans of the product, bringing long-term credibility and awareness. This foundation allows Bear Fight to grow with owners and ambassadors, not behind closed doors, turning every bottle into part of a larger movement. #### NOTE TO INVESTORS ABOUT THE SPV

Regulation Crowdfunding allows an issuer to use a special purpose vehicle, or SPV. The technical legal term is a "crowdfunding vehicle."

In this case, while the name of the Company itself is Bear Fight LLC, the name of the SPV is Bear Fight SPV, LLC. You and all the other Regulation Crowdfunding investors will invest in Bear Fight SPV, LLC and Bear Fight SPV, LLC will, in turn, use your money to invest in Bear Fight LLC. Hence, Bear Fight SPV, LLC will be reflected as one investor in Bear Fight LLC.

Bear Fight LLC believes this structure – with one investor rather than many – will make it easier to raise additional capital in the future because the Offering will leave the Company with only one investor on its ownership table.

Bear Fight SPV, LLC will conduct no business other than to invest in Bear Fight LLC. The SPV has been organized and will be operated for the sole purpose of directly acquiring, holding and disposing of the Company's securities, will not borrow money and will use all the proceeds from the sale of its securities solely to purchase a single class of securities of the Company. Bear Fight SPV, LLC will be managed by the Company itself. The Company's use of the SPV is intended to allow investors in the SPV to achieve the same economic exposure, voting power, and ability to assert State and Federal law rights, and receive the same disclosures, as if they had invested directly in the Company. The Company's use of the SPV will not result in any additional fees being charged to investors.

All the information about "the Company" in this Form C refers to Bear Fight LLC, not to Bear Fight SPV, LLC unless otherwise indicated.
