Hey 🍄

This is Jared, the founder/ceo of terrashroom.

The mushroom industry is blowing up & the spore rush is here 🍄🔥

With a multi-billion dollar opportunity before us, we are working tirelessly to help democratize the ability for anyone, anywhere to grow mushrooms.

### Why am I emailing you?

Starting this Friday, we are allowing our community to invest in Terrashroom.

We've been growing like crazy over the last few months as we currently have:

- 18K people joined our launch waitlist
- 5,500+ paying customers
- \$2M+ in forecasted revenue
- A+ team (billions in revenue generated + multiple IPOs + acquisitions exits)

*(did I mention we are still pre-launch?)*

### **This Friday at 2PM CST, we're hosting a "Shark Tank style" live investor pitch + Q&A**

After the event, we will publicly share the link to our equity crowdfunding page (on wefunder) so you can invest.

*Lot's of juicy industry + company info we're sharing on this live event :)*

For as little as \$250, you can be a partial owner & angel investor of terrashroom. This means you get access to some exclusive investor perks like free product, terrashroom investor events & retreats, etc.

**Investor webinar RSVP →**

### So here's what I'm asking you to do:

**Step 1:** [Sign up here](#) for our investor webinar this friday (or click link above).

**Step 2:** Share this email with a friend that you talk business, investments or (maybe) mushrooms with 😊

We can't wait to share the vision for how we believe terrashroom will be a household name in the next 3-5 years & how we'll help millions grow their own mushrooms 🍄

Mush out 🍄

Jared
