Eric Sheng

Co-Founder @ Aquaria
New York City Metropolitan Area

Summary

Currently thinking about how we can solve the world's water crisis.
First step: Drinking water

Experience

Aquaria
Co-Founder & COO
March 2021 - Present (2 years 3 months)
New York, United States

Aquaria is the global leader in atmospheric water generation. We're focused on democratizing sustainable access to clean drinking water through solutions requiring zero infrastructure, minimal Capex and rapid deployment to the world's most water poor populations. Aquaria makes water out of thin air, intelligently solving the world environmental potable water crisis — one saved plastic bottle at a time.

Aquaria believes in intelligent innovation for the good, to create impactful solutions and to guarantee safe access to clean drinking water, everywhere.

Beam Coffee
Founder
May 2019 - June 2021 (2 years 2 months)
New York, New York

Beam is a tech-coffee company serving coffee through its robotic barista - the Beam Smart Cafe. Our mission is to make specialty coffee more accessible, convenient, and an experience enjoyable daily.

Beam is reimagining coffee retail for the connected age: beamcoffee.io

Starta Ventures
Beam: Starta Ventures Batch 10 Company
September 2020 - January 2021 (5 months)
New York, New York, United States

Shenzhen FND Air & Water Technology Development Co., Ltd
International Business Development
August 2015 - December 2019 (4 years 5 months)
Shenzhen, Guangdong, China

Creating a sustainable source of drinking water for people everywhere. FND's mission is to solve the global water crisis and since its founding, has become the global leader in Atmospheric Water Generation technology. It has brought its technology to assist with South Africa's "Day Zero" crisis, to Saudi Arabia as an alternative to desalination, and to many more countries around the globe.

Red Bull
