

Crazy Good Kitchen - Boston

0:00

kitchen

0:05

so many people think that crazy means

0:08

that we're making crazy food but we're

0:10

actually making crazy good food there is

0:12

some crazy aspects of how big the

0:14

portions are and how wildly indulgent

0:17

they are but we really focus on the

0:19

goodness of the food we're not crazy

0:21

food we're crazy good food that really

0:23

is crazy good

Crazy Good Kitchen

0:27

the original crazy good kitchen is in

0:29

bald and it's just this little tiny

0:31

diner here at cgk on newbury they've

0:34

taken it to the next level nice outdoor

0:35

patio for the nice weather inside dining

0:38

exposed brick cool art and lots of room

0:41

to just chill and enjoy some serious

0:43

eats

Burgers

0:46

crazy good kitchen is known first and

0:48
foremost for their burgers they are big
0:51
they are beautiful they are all dripping
0:53
in different sauces and toppings and
0:55
cheeses and yeah they're completely over
0:58
the top usually you think of a smash
0:59
patty it's like really thin what makes
1:01
our burgers different is that we smash
1:02
six ounce patties so we have the crust
1:04
and the juiciness inside we have the
America Style
1:06
three most popular burgers which are our
1:08
classic take on the american
1:10
cheeseburger it's called the america
1:12
style that one has their house pickles
1:14
american cheese griddled onions and
1:16
their special sauce which is known as
1:17
the better than ketchup this is sort of
Bacon Cheeseburger
1:19
the equivalent of a west coast animal
1:21
style burger we have a bacon
1:24
cheeseburger that's called double
1:25
trouble this one has some thick cut
1:27
applewood smoked bacon some burnt butter

1:29
mayo and house pickled onions really
1:32
good burger right there but if you ask
Hot Mess
1:33
me the number one reason to come here is
1:35
the burger that i think may have been
1:37
named after me the hot mess
1:39
[Music]
1:41
seriously just get a load of this burger
1:43
a double patty that is stacked with
1:45
shaved steak on top and bottom double
1:48
cheese lots of sauce perfectly toasted
1:50
brioche bun with some sesame seeds on
1:52
top and that's not where it stops folks
1:54
it also includes an entire bucket of
1:57
golden gooey cheese sauce for dipping
Dip
2:00
some people will just take the entire
2:01
bowl of cheese and dump it over the top
2:03
i think that's for rookies this is how
2:04
you do a hot mess slice
2:06
dip devour
2:11
i don't know why they call this the hot
2:12
mess

2:15

in addition to burgers they are also

2:17

known for their fried chicken

Fried Chicken

2:18

specifically fried chicken sandwiches it

2:21

all starts with their basic that's the

2:23

fry me up that has lettuce house pickles

2:25

the homemade buttermilk ranch sauce want

2:28

to take it up a notch you get the bacon

2:29

bird that adds some of that applewood

2:31

smoked bacon and american cheese on top

Fried Chicken sundae

2:33

of there as well and then believe it or

2:35

not there's a fried chicken sandwich

2:37

dessert hybrid that you will not find at

2:40

any other restaurant on god's green

2:42

earth the fried chicken sundae it's a

2:44

warm brioche bun with fried chicken and

2:47

a scoop of creamy vanilla ice cream with

2:49

maple syrup drizzled all over it i'm a

2:51

little scared but very excited

2:53

this is everything you want in a

2:55

sandwich it has cool it has hot it has

2:57

crispy it has soft this is like the yin

3:00

and yang of the snack attack world i

3:02

don't know if i'm ever going to come in

3:03

here and get this again but i'm going to

3:04

think about this sandwich every day for

3:06

the rest of my life

3:08

Brunch Monster

3:12

the toughest decision when you come here

3:13

is do i want a burger or a fried chicken

3:15

sandwich burger or fried chicken

3:17

sandwich well you don't have to stress

3:18

about it because if you come here for

3:19

brunch you can get them both in one

3:22

sandwich called the brunch monster the

3:24

brunch monster is our everything but the

3:27

sink kind of sandwich it has burger

3:30

bacon fried chicken egg it's crazy you

3:33

get all those savory flavors from the

3:35

beef you get the nice spices a little

3:36

bit of saltiness and crispiness from the

3:38

chicken it's just a perfectly well

3:40

balanced and contrasting sandwiches a
3:42
lot of flavors a lot of textures these
3:44
people know what they're doing
Milkshake
3:48
to wash it all down some people might
3:50
get a cold beer if you ask me i'm gonna
3:52
get an ice cold and beautifully
3:55
delicious milkshake you have options
3:57
like the little red that has graham
3:58
crackers and strawberry syrup and some
4:00
white chocolate chips or maybe go for
4:02
the peanut butter slide with reese's
4:04
peanut butter cups and reese's pieces
4:06
and some actual peanut butter to me the
4:08
milkshake to end all milkshakes is this
4:10
one the make it rain nutella it has
4:12
everything you want you got your vanilla
4:14
ice cream you got your chocolate sauce
4:15
you have your nutella you have some
4:17
banana you got fresh whipped cream you
4:19
have wafers you have chocolate and candy
4:21
on top and you have flavors that are
4:22
over the top not just crazy good crazy

4:25

friggin really good cheers

4:29

so if you're having a snack attack and

4:31

you got to get that burger and fried

4:33

chicken fixed this is the place to do it

4:35
