# Cortney Sargent

Entrepreneur, Award-winning Graphic Designer, Web Designer  
Dallas-Fort Worth Metroplex

## Summary

I'm an award-winning graphic designer, web designer, and creative director with 13 years of demonstrated expertise in translating ideas and visions into innovative brands and designs with exponential ROI and 7-figure profit gains.

I'm also the mind behind VICKY CAKES—America's first Black-owned pancake mix to be in major retail. My wife Christian and I turned \$12.17 into a \$1.5M food & beverage brand in under 2 years.

I'm also a fanatic of movies, indie filmmaking, and cookies 'n cream ice cream!

People close to me know me as “The People’s Entrepreneur”; and I believe I'm one of the world’s greatest “undiscovered” gems. Let's connect.

## Experience

Vicky Cakes Pancake Mix  
Co-Founder

May 2019 - Present (4 years 2 months)

Vicky Cakes® Pancake & Waffle Mix is a consumer packaged goods manufacturer and distributor of pancake mix and syrups.

Vicky Cakes is a 40-year-old secret family recipe created by Vicky, a single mother from Gary, IN and my wife's mother. It is the first Black-owned pancake mix in retail. We've disrupted the taste of pancakes in the industry with our better-for-you vegan products—backed by our authentic story and culture.

We started the company in 2019 with only \$12.17 and grew revenues to over 6 figures in only 3 short years. Vicky Cakes has won America's heart; and was recognized by the NAACP and featured by Beyonce, The New York Times,

GMA, The Food Network, Cosmopolitan, Complex, Tabitha Brown, and more!  
Our mission is to bring families back to the table with The Heart of Breakfast™.
