Recognition:

MG LLC (DBA Donisima) has been in business since 2022, where chef Miguel Guerra honed his confectionery craft under Miami desserts king Antonio Bachour, who just received a 2022 James Beard Award semifinalist nomination for outstanding pastry chef. He also spent six years at modernist Colombian tasting room Elcielo in Miami and currently works with its Michelin-rated sibling in D.C.'s Latin food hall La Cosecha.

About:

MG LLC (DBA Donisima) relies on Latin American ingredients and sophisticated pastry techniques to make doughnuts. They decorate brioche spheres with fancy chocolates, gold leaf, colorful tropical fruits, Venezuelan rums, and other Latin flavors. Donisima means "super doughnut," a fusion of "doughnut" and the Spanish superlative "isima."
