FYTA, PBC

SAFE (Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by (the “**Investor**”) of \$[AMOUNT] (the “**Purchase Amount**”) on or about [EFFECTIVE DATE], FYTA, PBC, a Delaware public benefit corporation (the “**Company**”), hereby issues to the Investor the right to certain shares of the Company’s Capital Stock, subject to the terms described below. This Safe is being issued as part of a series of Safes, each having substantially the same terms and conditions as set forth herein (collectively, the “**Investor SAFEs**”), having a maximum aggregate purchase amount of \$4,000,000.

The “**Valuation Cap**” is \$21,000,000.

The “**Discount Rate**” is 90%.

See **Section 2** for certain additional defined terms.

1. Events

(a) **Equity Financing.** If there is an Equity Financing before the termination of this Safe, then, on the initial closing of such Equity Financing, this Safe will automatically convert into the number of shares of Safe Preferred Stock equal to the applicable Purchase Amount divided by the applicable Conversion Price.

In connection with the issuance of Safe Preferred Stock by the Company to the Investor pursuant to this **Section 1(a)**, the Investor will execute and deliver to the Company all transaction documents related to the Equity Financing; *provided*, that such documents (i) are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable, and (ii) have customary exceptions to any dragalong applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations on the part of the Investor.

Notwithstanding the foregoing, in connection with the Equity Financing, the Company hereby grants to the Investor the right to purchase the Investor’s Pro Rata Portion (as defined below) of Standard Preferred Stock being sold in the Equity Financing at the highest price paid by an investor in the Equity Financing (the “**Pro Rata Right**”). The Investor’s “**Pro Rata Portion**” for purposes of this Pro Rata Right is the ratio of (x) the number of shares of Capital Stock issued from the conversion of the Investor’s Safe (along with any other simple agreements for future equity purchased by the Investor) to (y) the Pro Rata Capitalization. For the purposes of this **Section 1(a)** only, “**Pro Rata Capitalization**” shall mean the sum, as of immediately prior to the Equity Financing, of: (1) the Company Capitalization, (2) Safe Preferred Stock issued to Investor upon conversion of the Safes, and (3) shares of Preferred Stock issued upon conversion of Safes, convertible notes, or other similar instruments issued by the Company to other investors prior to the Equity Financing. The Company will give the Investor a written notice of its bona fide intention to complete the Equity Financing, describing the type of transaction and the price and the general terms upon which the Company proposes to issue such Standard Preferred Stock. The Investor will have ten (10) days from the date such notice is effective, to agree in writing to purchase the Investor’s Pro Rata Portion of such Standard Preferred

Stock. Such purchase will be completed at the initial closing of the Equity Financing or at an additional closing thereof and will be subject to the Investor executing and delivering the transaction documents related to the Equity Financing consistent with the terms of Section 1(a) of the Investor's Safe.

(b) **Liquidity Event**. If there is a Liquidity Event before the termination of this Safe, this Safe will automatically be entitled (subject to the liquidation priority set forth in **Section 1(d)** below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the "**Cash-Out Amount**") or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the "**Conversion Amount**"). If any of the Company's securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, *provided* that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor's failure to satisfy any requirement or limitation generally applicable to the Company's securityholders, or under any applicable laws.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith to be advisable for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under **Section 1(d)**.

(c) **Dissolution Event**. If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in **Section 1(d)** below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority**. In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor's right to receive its Conversion Amount pursuant to the terms of this Safe is (A) on par with payments for Common Stock and other Safes and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination.** This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this Safe under **Section 1(a)**; or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to **Section 1(b)** or **Section 1(c)**.

“Safe Price” means the price per share equal to the Valuation Cap divided by the Company Capitalization.

“Standard Preferred Stock” means the shares of a series of Preferred Stock issued to the investors investing new money in the Company in connection with the initial closing of the Equity Financing.
