The Game Changers Institute (GCI) is an inclusive research, educational and advocacy platform that promotes plant-forward nutrition in order to help improve personal performance, advance public health, support social justice and protect the environment. GCI also serves as a science-based nexus for organizations, institutions, foundations and other stakeholders aligned with this mission.

Directed by Oscar®-winning documentary filmmaker Louie Psihoyos and executive produced by James Cameron, Arnold Schwarzenegger, Jackie Chan, Lewis Hamilton, Novak Djokovic, and Chris Paul, The Game Changers tells the story of James Wilks — elite Special Forces trainer and The Ultimate Fighter winner — as he travels the world on a quest to uncover the optimal diet for human performance.

Showcasing elite athletes, special ops soldiers, visionary scientists, cultural icons, and everyday heroes, what James discovers permanently changes his understanding of food and his definition of true strength.

World Animal Protection Canada / Protection Mondiale des Animaux Research Coordinator

September 2010 - September 2012 (2 years 1 month)

Toronto, Ontario, Canada
