Act fast! We expect it to sell out, so we're giving our biggest supporters an opportunity to make their reservations first. Don't miss the chance to get in at the discounted valuation.

*Please note your reservation is a non-binding way to show an interest in investing in us. At this stage, we are "testing the waters" to gauge investor interest under Regulation Crowdfunding.**

In the past year, Elevate Money has achieved a lot:

- **200%** YOY user growth
- **300%** avg account size growth
- One-of-a-kind partnership with **Boxabl**

...and we're just getting started!

(Here is picture of us at Boxabl HQ with founder Galiano Tiramani)

This round of funding will allow us to:

- Market our SEC-qualified "Future of Housing Fund" REIT (with Boxabl)
- Develop our Real Estate API (tech innovation to disrupt wealth management)

We are really excited about the growth that Elevate Money has seen over the last few months. And we have even more exciting plans for continuing to ramp up our growth in the coming year, with your help! Come join us!
