Our Community Round is going live on [Wefunder.com](https://wefunder.com) tomorrow. This means there is **only one day left** for you to take advantage of your private invite and **lock in the 25% valuation discount** before it's shared with the public.

We're so grateful and appreciative of your support. In just one week, **we've already received \$268,000 in reservations from our own Elevate Money community!**

Invest in Elevate Money on Wefunder

Please note, at this stage, we are "testing the waters" to gauge investor interest in our offering under Regulation Crowdfunding. No money or other consideration is being solicited and will not be accepted if sent.
