

Join the first 100% Latino-owned movie studio in Hollywood!

INVEST IN AVENIDA!

You are reading that right! YOU can be a part of the change as an investor. You can help us take charge of our own narrative.

We opened our doors 7 years ago with one mission: To make Hollywood a more inclusive place. In that time we've helped raise millions of dollars for hundreds of projects, we have helped launch many careers, produced award-winning content, opened doors to a movie studio in Los Angeles, and now we're getting ready to launch our biggest project yet—our very own streaming platform for US Latinos.

You helped us get here, so **we want you to join us** in this important mission. Our industry is at a crossroads and we can all be a part of the solution! Click on the button below to find out how. [See here for](#)
