**The store is coming!**

But we will need your support to make it happen.

We are about to launch a Crowdfunding campaign on with the goal of securing the essential funds required for renting a location, fully equipping it, and covering six months' worth of rental expenses.

And your support would mean the world to us.

Will you join us on this exciting journey and help transform our dream into a reality?  
Stay tuned for more updates!

Launch date

**September 1st**
