**Recognition:**

**Away Days Brewing Co LLC** Away Days Brewing Co LLC was opened by Niki and Pete in the summer of 2019 in the vacated Scout Beer building right next door to their sister pub, The Toffee Club. They took the name Away Days from our best-selling (custom made) beer at The Toffee Club. They re-designed the space and hired the best brewer they could find in Marshall Kunz (formerly of Alameda Brewing). 4 years on and they have reached max capacity at the current 1500sq ft location in SE Portland. They are looking to expand their brewing production and at the same time create location based experiences that continue to build and story-tell their brand.

**About:**

**Away Days Brewing Co LLC** is here to create a new beer brand culture that aligns with the expectations and aspirations of the next generation. They combine European-inspired, locally made, world-class beers with football culture, European hospitality and great design.
