BIG NEWS *Community Investment Round*

Jaclyn here, CEO and Founder of SISTAIN.

First, I want to express my heartfelt gratitude to you for being one of our earliest customers!!! I founded SISTAIN with a clear goal in mind: to reduce the negative effects of consumerism and build a more circular future. You are the driving force behind our success!

I'm so excited to share that we are opening a community investment round!!!! As a brand that holds community at its heart, we believe in giving our members an opportunity to share in our success.

This is a unique chance to participate at a stage typically reserved for venture capitalists and other traditional institutional investors. More details will be shared soon, and if you're already interested, [you can sign up for updates here!](#)

I look forward to welcoming you not just as a customer, but also as an investor in our collective vision. Together, we can make a positive difference. For the planet. And for all of humanity.

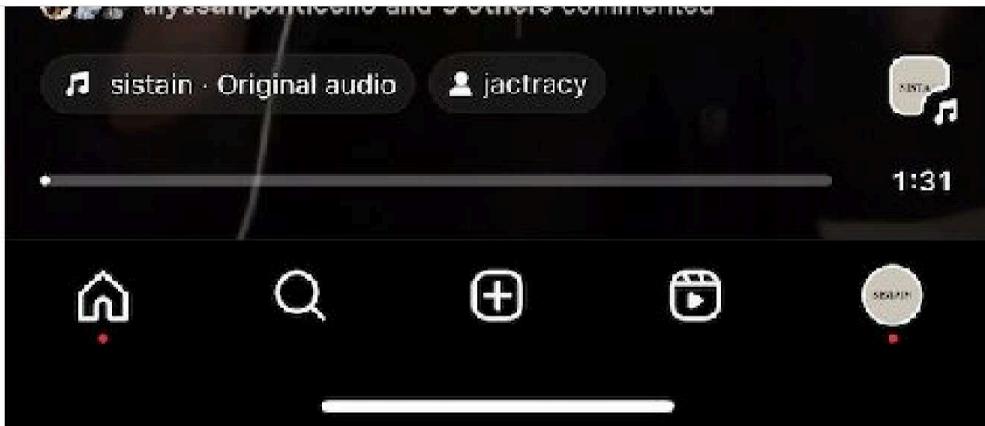

With so much gratitude,

Jaclyn Tracy
