Hey so we are getting close to launching our crowdfund round on a platform called wefunder. We have to pick a "lead investor" for it and I would love that to be you! Doesn't really require much of you other than (1) you would be displayed on our profile (2) if a decision ever needs to be made for the crowdfund group it would be you making the call.

Also - are you an accredited investor? Not critical just curious
