# Cory Hanson

Partner and Sales Director at Slabmags  
La Verne, California, United States

## Summary

At Slabmags, we're dedicated to providing premium protection and versatility for your valuable trading card collections. Our cutting-edge protective cases are designed to safeguard a wide range of trading cards, including slabs, non-graded cards, and even wax packs.

Why choose Slabmags? # Total Versatility: Protect your slabs, non-graded cards, and wax packs with our Slabmags. # Uncompromising Quality: Crafted to the highest standards for card collectors. # UV Protection: Keep autographs and cards safe from harmful UV rays. # Sleek and Functional Design: Showcase your collection with style.

Whether you collect graded slabs, vintage classics, or modern favorites, Slabmags has you covered
