

BLOG POST

Slabmags® started with a simple mission: to give collectors premium protection and presentation for their most valuable items. Since then, we've grown into one of the most trusted names in The Hobby-designing, manufacturing, and distributing hardware that collectors proudly display around the world.

Now, as we continue to grow, we're opening a **limited opportunity** for our most dedicated fans and followers: you may soon be able to own a piece of Slabmags through Wefunder.

We've already reached our **minimum funding goal**, and demand has been strong-meaning that membership spots and perks tied to this campaign are limited. If you've been waiting for the right moment, now's the time to explore what's possible.

This is not yet a public announcement-we're sharing it first with our community so you can **check out our Wefunder campaign page**, learn more, and reserve your interest before spots fill up.

How It Works

- **Sign up on Wefunder:** [Visit our Wefunder campaign page and create your profile.](#)
- **Choose your investment amount:** You can indicate as little as \$100, while some of our supporters have committed upwards of \$50,000.
- **Understand the terms:** Investments are structured through a SAFE (Simple Agreement for Future Equity). You can learn more about how SAFEs work directly on Wefunder.
- **Confirm your interest:** Once the campaign officially launches, you'll be able to finalize your commitment with one click.

Why This Matters

The collectibles market is booming-valued at **\$35+ billion globally**-and Slabmags has already placed **200,000+ units in circulation**, earned the trust of high-profile collectors, and built a passionate community of **39,000+ fans**.

By joining early, you can align with us at the ground level, as we expand into new products, new markets, and new opportunities.

Exclusive Perks for Early Supporters

As an investor, you'll unlock access to perks you can't get anywhere else:

- Limited-edition etched Slabmags® released first through this campaign.
- Premium acrylic inserts for non-graded cards.
- Custom-fit aluminum Slabmags Stands, designed to showcase your collectibles.
- Blind Box reservations (Bronze, Silver, Gold)-a curated bundle available before public

launch, shipping in 2026 or earlier (within 60 days of campaign close).

Quantities are **limited-and once they're gone, they're gone**. You can view the full perks list directly on our Wefunder page.

Looking Ahead

From premium protective cases to new display solutions, our focus will always be on helping collectors protect and present what matters most. We want our closest supporters to be with us at the foundation of this journey-not just as customers, but as partners in what comes next.

EMAILS A/B Tests

Dear Collector,

At Slabmags®, our mission has always been to deliver the **most premium aluminum case with UV protection you can trust**. As more collectors join our community, we've found it challenging to keep up with demand while maintaining the quality and consistency that define our brand.

To address this, in **2026 we'll be introducing a limited membership program**.

Membership is not required — everyone will still have access to our products — but this shift allows us to:

- *Give our most loyal supporters priority allocation on every new release.*
- *Keep production balanced with demand.*
- *Ensure Slabmags® continues to set the standard for quality and reliability.*

Membership will be capped at **200 slots** to protect quality and availability. After members receive their allocations, remaining products will still be available to all collectors.

Thank you for being part of this journey — it's because of you that we've grown to this point, and we want to make sure our most loyal collectors are always taken care of.

Thank You,

Team Slabmags

Dear Collector,

A Private Invite — Before We Go Public

As one of our earliest backers, I want to thank you once again for believing in us when we were just getting started. Your support helped give us the foundation we needed to grow — and because of that, I'd like to offer you something special. Before our new Wefunder campaign opens to the public soon, we're giving you **exclusive early access** to place a reservation. This private link is reserved only for you and a small group of our strongest supporters.

Limited Blind Box Perk (Supporter-Only Early Access)

We've created an **extremely limited Blind Box** as a thank-you to our earliest supporters. Each box includes:

- The new *Etch Series Slabmags*
- Premium display stands
- Custom acrylic inserts

These have been produced in very limited quantities (Details On Wefunder Page). Because you've been with us from the beginning, we wanted to make sure you had the option to reserve one before we open things up to the public. Once they're gone, they may not be available for quite some time.

Why This Matters

Slabmags has now been around for more than five years — something I couldn't have imagined without your early support. One of the most meaningful milestones was when you chose to join our first Wefunder raise through a **SAFE agreement**, which means you already hold a stake in the company's success. If you'd like to review the details of your

past investment or learn more about how a SAFE works, I encourage you to log into your Wefunder account — all official terms and information are available there.

Since that first raise, we've been able to:

- Build the infrastructure needed to scale sustainably.
- Develop a pipeline of innovative products, including smart tech patents to push the hobby forward.

Other Ways to Support

Even if you don't invest again, your support still means so much. You can:

- Keep an eye out for our **public launch** — once it's live, that's the perfect time to share with friends and colleagues.
- Help spread the word when the campaign goes public.

For now, we ask that you keep things private, as this early access is reserved only for our earliest supporters.

Thank you again for standing with us from the very beginning. It means more than I can put into words, and I'd love for you to continue alongside us as we take this next step forward.
