

Driving down the cost of home ownership through our automated and robotic home building process

The video player thumbnail features a man in a blue checkered shirt and a cap with 'DRIVE' on it, standing in front of a construction site. The text 'Live BFF' is prominently displayed in white, with 'Better Future Forever' underneath. A red play button is centered over the image. In the bottom left corner of the video frame, there is a circular logo with 'BFF' and arrows. Below the video frame, there is a navigation bar with the website 'livebff.com', the location 'Las Cruces NM', and social media icons for Twitter, YouTube, Facebook, and Instagram. To the right of these icons are three tabs: 'Manufacturing', 'Service', and 'Infrastructure & Construction'.

I believe that Live BFF is on the right path for sustainable homes in America! The housing crisis appears to be a very large problem in our country, and this idea that Live BFF has come up with will be a great solution. The team that is put in place, has a great deal of prior experience, and with Justin running the show, this company will go very far. I feel that I can provide a great deal of experience to this team as well. I am very excited for the future of Live BFF and to be part of team!

Invested \$5,000 this round
