Nick Kapes

Chairman at Wolfpack Financial Inc
Greater Melbourne Area

Summary

Nick began his professional career in 1988, where he commenced Merchant Banking after completing a Bachelor of Economics. He brings a broad array of experience; ranging from trading the World's Major Exchanges on behalf of some of the World's Premier Banks, including Credit Suisse.

Nick was a Director of Proprietary Trading at Credit Suisse for two of his five years. In his time as a merchant banker Nick became heavily involved in companies evolving from Venture Capital stage to actually listing on the Australian Securities Exchange.

Since his return to Melbourne in late 2005, Nick has gained all the necessary accreditations required for Broking and Advising.

Nick actively engages in originating deal opportunities and implementing strategic business initiatives including mergers and acquisitions, and private and public equity capital raisings through Initial Public Offerings, private placements and rights issues.

Due to Nick's extensive market experience, he is actively sought to advise in all aspects of market participation.

Freehill Mining

Director

September 2015 - January 2018 (2 years 5 months)

Melbourne, Australia

Shareholder and Director of FHS

Freehill Mining Ltd (FHS) is an ASX listed company, which is engaged in identifying quality resource opportunities with an identifiable short term horizon to production.

Freehill Mining Ltd is pursuing this strategy in respect of the iron ore tenements owned by two of its Chilean incorporated subsidiaries, Yervas Buenas SpA (YB SpA) and San Patricio Minería SpA (SP SpA), collectively the Yervas Buenas Project. The operations at the Yervas Buenas project involve the mining of magnetite iron ore from hard rock sands at the surface, and other resources have been identified as potentially present at the Yervas Buenas Project Area.

The Yervas project area is located 30 km north of La Serena of the IV Region of Coquimbo, Chile. The Yervas Buenas Project spans 398 hectares. There is an existing operating mine and established commercial sales relationships with key partners in Chile. In the near future FHS intends to commence a drilling program to prove up its reserves at the Yervas Buenas project.
