Strategic Senior Executive | Innovative Leader, strengths in  
Operations, Finance, Marketing and Technology & Analytics  
Nolensville, Tennessee, United States

## Summary

Strategic Senior Executive and Innovative Leader with a proven track record for building dynamic teams that communicate effectively, believe in their contribution and work well together. A demonstrated proficiency for cultivating corporate vision and translating that vision into a unified mission across the organization. Adept at leading the discussion on Strategy, Operations, Finance, Marketing, Technology and Analytics initiatives across multiple departments and geographic regions. A catalyst for positive momentum toward productivity with a history of collaborative and incisive leadership.

>> Strategic Direction – Able to lead discussions collaborating on values, corporate identity, branding and market positioning. Effective at community engagement into the overall mission and vision of the company to understand how their various tasks helps us in achieving our goals on a day to day basis.

>> Team Leadership – Provides collaborative leadership throughout the organization; Able to effectively manage individuals and coach teams toward development of employees for operational excellence. Able to motivate individuals and create consensus among cross-functional groups to engage in accomplishing goals.

>> Communications – Strong presentation skills; excellent copywriter and proofreader for internal and external communications; Corporate ‘Rosetta Stone’ that can present material to each department using their own unique terminology. Experienced with c-level executives, boards, investors and press/media relations.

>> Financially Responsible – Efficient stewardship of financial reports, human resources and budget accountability across departments; Works with department heads to ensure that financial performance is on track across the organization to meet ROI goals and KPIs benchmark. Able to produce, manage and analyze financial performance reports.
