Adam Rack

Co-Founder of Revino. Currently busy building the circular economy for glass bottles.
Portland, Oregon, United States

Experience

Revino LLC
Co-Founder
February 2022 - Present (4 years 10 months)
Newberg, Oregon, United States

Revino is reviving the refillable glass bottle ecosystem for beverage producers and consumers in Oregon.

Driving radical change and pre-competitive collaboration in our collective approach to packaging.
Let's make it happen, everyone!

Coopers Hall Winery
Assistant Winemaker, Operations Manager
August 2015 - August 2023 (8 years 1 month)
Portland, Oregon

Beginning as an Assistant Winemaker for one year, my roll quickly expanded to be the wider Operations Manager at a sustainability minded 7,000+ case equivalent winery.
- Oversaw 15-20% YOY growth from 2015-2020
- Navigated 'Pandemic' with Retail Reusable Packaging Program & Wine Club Launch
- Secured & opened 100+ new accounts w/Wine on Tap & System Installations (Small to Large Multi-Location Venues)

Job expectations are broad. Tasks include: Wine Club launch and management, TTB approvals, monthly and yearly regulatory submissions, permits, cellar team management, inventory, facility maintenance, project management, product development, website development and day-to-day wine operations.

Legend Custom Woodworking Inc
Carpenter
September 2014 - September 2015 (1 year 1 month)

Construction, finish and delivery of high-end commercial wood products including cabinets, furniture, wall finishes, door/window casement and staircases.
