\* According to Yahoo! Finance

Who is the Greatest Golfer of All Time?  
DIGITAL LEGENDS

# WHO IS THE GOAT

DIGITAL LEGENDS GOLF

Watch on  YouTube

We blend historical footage, stats and swing data with AI-based digital human technology to recreate the likeness and prowess of past golf legends so you can play a round with past legends in a golf simulator or video game. We envisage a future where you'll watch today's pros compete with these past legends on the world's most legendary courses.

## DIGITAL LEGENDS GOLF SERIES™ CHARITY GOLF TOURNAMENTS: CELEBS AND PROS vs DIGITAL LEGENDS

Digital Legends Golf™ will produce made-for-TV golf events in which current celebrities and pros compete against one or more “digital humans” – walking, talking, and swinging legends from the past recreated with next-generation mixed reality CGI and AI with a portion of the proceeds benefiting charitable causes.

The remarkable successes of the Tiger vs. Phil events (“The Match” was the most watched and most wagered cable golf match ever) have proven the popularity of this type of format. The appeal of seeing revered legends such as Ben Hogan, Bobby Jones and Arnold Palmer swing like they did alongside current golf-playing celebrities and professionals will ensure massive viewership and sponsor interest.

Digital Legends Golf™ has an exclusive license to the digital likeness and AI voice of Ben Hogan to create mixed-reality competitions involving real and virtual participants.

## NEXTGEN SPORTSBOOK ENTERTAINMENT

TIGER THEN vs. CHARLIE NOW

The Digital Legends Golf Series™ features matchups of iconic golf legends, today's pros, celebrities, politicians, etc., competing against each other and Digital Legends.

These Digital Legends will compete and interact in real-time against living humans within multiple verticals and environments such as made for television events, location-based entertainment experiences, eSports & mobile apps, gaming platforms, metaverse, augmented and virtual environments and more.

Integration with sportsbook companies

Tournament Data ownership

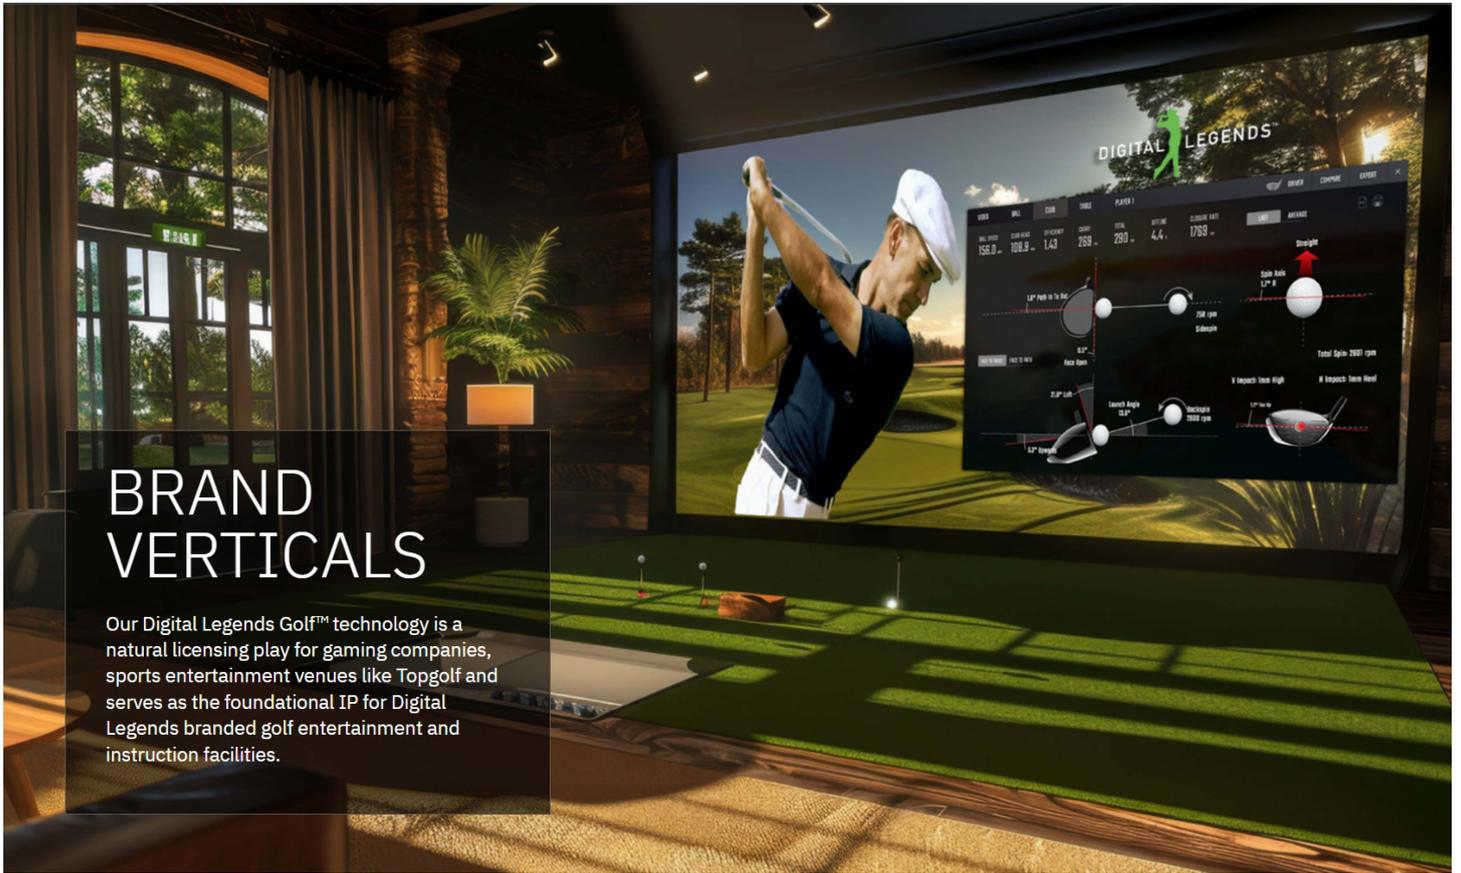

AI and historical data handicapping

## DATA: OUR COMPETITIVE ADVANTAGE

Digital Legends Golf will secure exclusive licenses with athletes with rights to capture and monetize the data they generate. From licensing revenues generating from data and our digital human tech to partnerships and applications like eSports, mobile apps, video games, and AR/VR environments to Digital Legends Golf location based entertainment venues, the company is well-positioned for success.

- Betting data
- Sports performance data
- Behavioral data (player and spectator)
- All platform interaction data
- Geo-spatial data
- Data from a range of new touch points
- Next gen stats data
- Ben Hogan swing data and stats

# BRAND VERTICALS

Our Digital Legends Golf™ technology is a natural licensing play for gaming companies, sports entertainment venues like Topgolf and serves as the foundational IP for Digital Legends branded golf entertainment and instruction facilities.

## Meet our first Digital Legend

Digital Legends Golf controls a worldwide exclusive multi-year license to the digital likeness and AI-generated voice of Ben Hogan

*Ben Hogan*

William Ben Hogan was an American professional golfer who is generally considered to be one of the greatest players in the history of the game. He is notable for his profound influence on golf swing theory, inventing the idea of practicing golf and his ball-striking ability.

*Dude Perfect, Rickie Fowler take Ben Hogan's circa 1950's clubs for a spin around Colonial's Horrible Horseshoe - May 2024*

*We use historical data including score cards to give current celebrities and professional golfers the chance to beat golf's most legendary rounds.*

**FORWARD-LOOKING STATEMENTS** All statements, other than statements of historical fact, contained on this website constitute "forward-looking statements" and are based on the reasonable expectations, estimates, and projections of company name. (the "company") and the company's management as of the date of launching this website. The words "plans," "expects," or "does not expect," "is expected," "budget," "anticipates," "scheduled," "estimates," "forecasts," "intends," "anticipates," or "does not anticipate," or "believes," or variations of such words and phrases or statements that certain actions, events or results "may," "could," "would," "might," "will" or "will be taken," "occur" or "be achieved" and similar expressions identify forward-looking statements.

Forward-looking statements include, without limitation, statements regarding our projected number of sales, revenues, valuation, investment returns, expected customer demand, and the company's business strategy.

Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the company's management as of the date of such statements, are inherently subject to significant business, economic and competitive uncertainties, and contingencies. The estimates and assumptions contained on this website, which may prove to be incorrect, include, but are not limited to, the various assumptions of the company set forth herein. Known and unknown factors could cause the actual results to differ materially from those projected in the forward-looking statements. Such factors include, but are not limited to, our success in raising capital through our regulation cf offering, our projected time frames, changes in demand, industry competition, legislative, fiscal, and regulatory developments, economic and financial market conditions, including but not limited to the current covid-19 global pandemic. More information on the factors, risks, and uncertainties that could cause or contribute to such differences is included in our filings with the securities and exchange commission, including in the "risk factors" sections of our offering statement on form 1-a. Many of these uncertainties and contingencies can affect the company's actual results and could cause actual results to differ materially from those expressed or implied in any forward-looking statements made by or on behalf of the company.

There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements.

All of the forward-looking statements made on this website are qualified by these cautionary statements. These factors are not intended to represent a complete list of the factors that could affect the company. The company disclaims any intention or obligation to update or revise any forward-looking statements, except to the extent required by applicable law or regulation. The investors are cautioned not to place undue reliance on these forward-looking statements as they are meant for illustrative purposes and do not represent guarantees of future results, levels of activity, performance, or achievements.

The managers have developed a business plan to grow the company rapidly. However, we suggest investors carefully read our offering circular and understand the risks associated with investing in an early-stage company.
