COMPANY OVERVIEW

Rebundle Inc. is transforming the hair extensions industry with plant-based, non-toxic, biodegradable braiding hair made from banana fibers. Our patented technology delivers a healthier, more comfortable, and reusable alternative to synthetic hair, while our Africa-based micro-manufacturing model creates dignified jobs and builds a resilient supply chain.

Company History

Rebundle began with a personal problem. As someone who loved protective styles but experienced the irritation, odor, and waste from synthetic braiding hair, I knew there had to be a better option. What started as research into safer, more sustainable alternatives became a mission to transform an entire category.

In 2021, we launched braidbetter, the first U.S. brand of plant-based braiding hair made from banana fibers. The early prototypes proved there was real demand: customers were excited to have a product that was not only better for their scalp but also better for the planet.

From there, we built a direct-to-consumer brand and began scaling our supply chain through micro-manufacturing sites in Africa, starting in Uganda and later expanding into Kenya. Along the way, we secured a U.S. patent (with international filings), expanded our product line with new textures and colors, and validated our claims through clinical testing on scalp health and microbiome compatibility.

Today, Rebundle is recognized as a pioneer in sustainable beauty. With a growing community, international manufacturing partners, and increasing year-over-year revenue, we are well on our way to proving that beauty products can be healthier, transparent, and environmentally responsible—without compromising style.

RISK FACTORS

A crowdfunding investment involves risk. You should not invest any funds in this offering unless you can afford to lose your entire investment. In making an investment decision, investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved. These securities have not been recommended or approved by any federal or state securities commission or regulatory authority. Furthermore, these authorities have not passed upon the accuracy or adequacy of this document.

The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.

These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination that these securities are exempt from registration.

You Might Lose Your Money

When you buy a certificate of deposit from a bank, the Federal government (through the FDIC) guarantees you will get your money back. Buying a Security is not like that at all. The ability of the Company to make the payments you expect, and ultimately to give you your money back, depends on a number of factors, including many beyond our control.

COVID-19 Might Have a Negative Material Effect on the Company

This offering is being launched at a time when the COVID-19 pandemic is requiring the closure of many businesses, large and small. The effects COVID-19 may have on economic activity are likely substantial and unknown; there is no guaranty the Company will not suffer material negative effects as a direct or indirect result of the pandemic.

Competition

The market in which we operate is highly competitive. The Company competes with many other businesses, both large and small, on the basis of quality and price of products, location and customer experience. Changes in customer preference away from the Company's core business or the inability to compete successfully against other competitors could negatively affect the Company's financial performance.

Licensing Risk

The Company may face changes in the state and federal laws in connection to any licensing required for the sale of its products. Such changes would require the dedication of Company resources to address or amend its current operations which may adversely affect its business strategy or profitability.

Inability To Sell Your SAFE

The law prohibits you from selling your SAFE (except in certain very limited circumstances) for one year after you acquire it. Even after that one-year period, a host of Federal and State securities laws may limit or restrict your ability to sell your securities. Even if you are permitted to sell, you will likely have difficulty finding a buyer because there will be no established market. Given these factors, you should be prepared to hold your SAFE for its full term.

No Right to Participate in Management

As the owner of a Security, you will not have the right to control the Company in any way or to participate in its management. You should invest (buy a Security) only if you are willing to rely completely on the Company's management team.

Reliance On Management Team

Like almost all small businesses, the Company relies exclusively on the abilities of its management team. Should any of them die, leave the Company, or become ill for a long period of time, the Company would be damaged and might not repay your Security.

Limited Products And Services

Most small, local businesses sell only one or two products or services, making them vulnerable to changes in technology and/or customer preferences.

Supplier Risk

The Company relies on third-party suppliers for the materials used in the manufacture of its products. If any of these suppliers changes the pricing, distribution, terms of service, or relationship with the Company, this could materially affect its business and/or profitability. Factors outside of the Company's control, including general market conditions, may affect its relationship with these suppliers. In addition, its ability to meet the obligations of its customers may be adversely affected if its suppliers fail to comply with agreed-upon services or quality standards in a cost-effective or timely manner.

Risk of Economic Downturn

The products the Company sells are luxuries, not necessities. In the event of a recession or other economic downturn, customers might curtail their purchase of our products.

Environmental Risk

The Company is subject to the risk of environmental liability and limitations on operations due to environmental laws and regulations. The Company is subject to extensive federal, state, and local environmental, health and safety regulations. The risks of substantial costs and liabilities related to compliance with these laws and regulations is an inherent part of the Company's business. Future conditions may develop or be discovered that create substantial environmental compliance or remediation liabilities and costs.

Price Risk

The Company competes in an industry with a commodity product where the Company may not have control of the prices it will receive for its product or the prices it must pay for inputs. Price uncertainty may negatively impact the Company's business and financial situation.

Use of Funds Risk

At the discretion of the Company's executive management team, funds raised in this offering may be used differently than specifically outlined in this document's Use of Funds section.

Personnel Risk

The Company uses human personnel to produce its product. Accidents, illnesses, death, divorce, or lack of productivity could negatively impact the ability of personnel and, therefore, the business.

Lack Of Accounting Controls

Larger companies typically have in place strict accounting controls. Smaller companies like the Company lack these controls, exposing themselves to additional risk.

Reputation Risk

The success of the Company depends on the reputation of its brand. Adverse publicity concerning the Company's products or the Company itself could negatively impact the future of its business.

The Company Might Need More Capital

The Company might need to raise more capital in the future to expand its operations, buy property and equipment, hire drivers and other personnel, market its products and services, pay overhead and general administrative expenses, or a variety of other reasons. There is no assurance that additional capital will be available when needed, or that it will be available on terms that are not adverse to your interests as an investor. If the Company is unable to obtain additional funding when needed, it could be forced to delay its business plan or even cease operations altogether.

Future Investors Might Have Superior Rights

If the Company needs more capital in the future, it might borrow money and/or sell stock, and the new investors might have rights superior to those of an investor owning a Security. For example, they might have the right to be paid before you are, to receive larger distributions, to have a greater voice in management, or otherwise.

Inability To Sell Your Security

The law prohibits you from selling your Security (except in certain very limited circumstances) for one year after you acquire it. Even after that one-year period, a host of Federal and State securities laws may limit or restrict your ability to sell your securities. Even if you are permitted to sell, you will likely have difficulty finding a buyer because there will be no established market. Given these factors, you should be prepared to hold your Security for its full term.

Lack of Key Man Insurance

Although dependent on key personnel, the Company does not have any key man life insurance policies on any such people. In the event that such personnel die or become disabled, the Company will not receive compensation to assist for their absence and the loss of such person could negatively affect the Company.

The Owners Could Be Bad People Or Do Bad Things

The owners of the Company could be dishonest and take your money. Even people who are very honest sometimes do dishonest things in desperate situations – for example, when their company is on the line, or they're going through a divorce or other stressful life event. It is possible that the management of the Company, or an employee, would steal from or otherwise cheat the Company, and you.

Uninsured Losses

Although the Company will carry some insurance, we might not buy enough insurance to guard against all the risks of our business. Also, there are some kinds of risks that are simply impossible to insure against, at least at a reasonable cost. Therefore, we could incur an uninsured loss that could damage our business.

Conflict Of Interest

In many ways your interests and the interests of the Company's management team will coincide: you all want the Company to be as successful as possible. However, your interests might be in conflict in other important areas, including these:

- You might want to keep the compensation of managers low, while managers want to make as much as they can.
- You might want the Company to act conservatively to conserve its cash, while the management team might want to grow more quickly.
- You might want the Company to look out for your interests, while the management team might subordinate your interests to the interests of employees, other investors, or others.
- The lawyers who prepared the legal documents represent the interests of the Company, not the interests of investors.

No Registration Under Securities Laws

The Security will not be registered with the SEC or the securities regulator of any State. Hence, neither the Company nor the Security are subject to the same degree of regulation and scrutiny as if they were registered.

Incomplete Offering Information

Title III does not require us to provide you with all the information that would be required in some other kinds of securities offerings, such as a public offering of shares (for example, publicly-traded firms must generally provide investors with quarterly and annual financial statements that have been audited by an

independent accounting firm). Although Title III does require extensive information, as described above, it is possible that you would make a different decision if you had more information.

Lack Of Ongoing Information

The Company will be required to provide some information to investors for at least one year following the offering. However, this information is far more limited than the information that would be required of a publicly-reporting company; and the Company will be allowed to stop providing annual information in certain circumstances.

The Company is Not Subject to the Corporate Governance Requirements Of National Securities Exchanges

Any company whose securities are listed on a national stock exchange (for example, the New York Stock Exchange) is subject to a number of rules about corporate governance that are intended to protect investors. For example, the major U.S. stock exchanges require listed companies to have an audit committee made up entirely of independent members of the board of directors (i.e., directors with no material outside relationships with the company or management), which is responsible for monitoring the company's compliance with the law. The Company will not be required to implement these and other investor protections.

Cost of Enforcement

If the Company defaulted, investors would have to engage lawyers and possibly other third parties to enforce their rights. The cost of enforcement could be prohibitive.

Other Lenders Could Have Superior Rights

The Company will take out other loans. In itself this is not risky, but these lenders will likely have a claim to collateral superior to the collateral claimed by the Security. For example, the lenders might have a claim to the future cash flows or equity ownership of the Company, or the equipment owned by the Company whereas the Security has a claim to the equipment purchased with its own proceeds. Moreover, the lenders might have clauses in their lending agreements with the Company that compel the Company to pay them first over other lenders. If the Company runs out of cash, and has a choice to pay the other lenders or the Holders of the Security, it might decide (or be required) to pay its other lenders first.

TRANSACTION MECHANICS

The following describes the process to invest in Rebundle Inc. and how an investor's transaction and delivery of securities will be completed.

- a. *Investor Commitment:* Through the Honeycomb Portal, an investor will submit a requested investment amount. As a part of this process, an investor will execute an investment contract with Rebundle Inc. ("SAFE Agreement") by way of the investor's electronic signature.
- b. *Acceptance of Investment:* Upon completion of the investment commitment, the investor will receive via email a confirmation of their transaction detailing the amount, terms, and date of execution.
- c. *Investor Transfer of Funds:* Upon receiving confirmation that an investment has been accepted, the investor will transfer funds to the escrow account of a third-party bank managed by Honeycomb Portal.
- d. *Early Closings:* If the target offering amount is met prior to the original deadline date, we may close the offering earlier, but no less than 21 days after the date on which the Form C is posted on the Honeycomb Portal.
- e. *Book Entry:* All investments will be in book entry form. This means that the Investor will not receive a certificate representing their investment. Each investment will be recorded by Honeycomb Portal and visible by the investor through their Investor Dashboard.

Investors may cancel an investment commitment until 48 hours prior to the deadline identified in these offering materials.

The intermediary will notify investors when the target offering amount has been met.

If the issuer reaches the target offering amount prior to the deadline identified in the offering materials, it may close the offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment).

If an investor does not cancel an investment commitment before the 48-hour period prior to the offering deadline, the funds will be released to the issuer upon closing of the offering and the investor will receive securities in exchange for his or investment.

If an investor does not reconfirm his or her investment commitment after a material change is made to the offering, the investor's investment commitment will be cancelled and the committed funds will be returned.

The Qualified Third Party of the Offering is Thread Bank.

Note: For more information about the investment and cancellation process, see Honeycomb's Education Materials.

Details of Security Being Offered

The securities being offered to investors are SAFE notes. They are governed by a separate document called the SAFE Agreement, which you can view on the "Investor Info" tab of the campaign page.

This section summarizes the principal features of the SAFE Agreement. However, this is only a summary. Before investing, you should read the Safe Agreement in its entirety.

- The principal amount of your SAFE note will be the amount you invest.
- All communications from the Company, including but not limited to all tax forms, will be via electronic delivery.
- Once you pay for your Security, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company.
- If you want to sell your Security, you must first offer to sell it back to the company – a so-called "first right of refusal." If the Company doesn't buy it, the Company may impose restrictions on the transfer. For example, the Company may require a legal opinion that the transfer is allowed under the securities laws.
- The Security offered does not have any voting rights.
- The Terms of Security being offered may not be modified or amended.

Restrictions on Transfer of the Securities Being Offered

The security will be illiquid (meaning you might not be able to sell it) for four reasons:

- The security prohibits the sale or other transfer of securities without the Company's consent.
- If you want to sell your security, the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for the security as there would be for a publicly-traded company.
- For a period of one year, you will not be allowed to transfer the security except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iv) in a public offering of the Company's shares.

As a result, you should plan to hold your security until maturity.

ADDITIONAL MATTERS RELATED TO THE SECURITY

1. *How may the rights of the securities being offered be materially limited, diluted or qualified by the rights of any other class of security identified above?*

The Company does not have the right to change the terms of the SAFE Agreement. However, it does have the right to create additional classes of securities, both equity securities and debt securities. Some of these additional classes of securities could have rights that are superior to those of the SAFE agreement. For example, the Company could issue security agreements that are secured by specific property of the Company.

2. *Are there any differences not reflected above between the securities being offered and each other class of security of the issuer?*

n/a

3. *How could the exercise of rights held by the principal shareholders affect the purchasers of the securities being offered?*

The principal shareholders could make decisions that are bad for the company and thereby adversely affect the economic interests of investors holding the SAFE agreement. They could also issue other classes of securities with rights superior to those of investors holding the SAFE agreement.

4. *How are the securities being offered being valued? Include examples of methods for how such securities may be valued by the issuer in the future, including during subsequent corporate actions.*

The value of the Security is determined by the face amount of the security payable to be issued. The terms of the Security were determined by the Owner based on the Owner's opinion about the value of the project.

The Owner does not expect there to be any reason to place a value on the security in the future. In the event that future valuation is required, any value given by the company will be determined in accordance with U.S. generally accepted accounting principles.

5. *What are the risks to purchasers of the securities relating to minority ownership in the issuer?*

The company could issue securities with rights superior to those of the SAFE agreement.

6. *What are the risks to purchasers associated with corporate actions, including additional issuances of securities, issuer repurchases of securities, a sale of the issuer or of assets of the issuer or transactions with related parties?*

The company could issue securities with rights superior to those of the SAFE agreement.

Transactions with related parties – for example, the payment of excessive compensation – could reduce the amount of money available to make payments with respect to the SAFE agreement.

7. *What other exempt offerings has the issuer conducted within the past three years?*

None

8. *The issuer or any entities controlled by or under the common control with the issuer was not a party to any transaction since the beginning of the issuer's last fiscal year, or any currently proposed transaction, where the amount involved exceeds five percent of the aggregate amount of capital raised by the issuer in reliance on Section 4(a)(6) of the Securities Act during the preceding 12-month period, including the amount the issuer seeks to raise in the current offering, in which any of the following persons had or is to have a direct or indirect material interest:*

1. *any director or officer of the issuer;*
2. *any person who is, as of the most recent practicable date, the beneficial owner of 20 percent or more of the issuer's outstanding voting equity securities, calculated on the basis of voting power;*
3. *if the issuer was incorporated or organized within the past three years, any promoter of the issuer;*
4. *or (4) any immediate family member of any of the foregoing persons.*

SAFE

(Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by _____ (the “Investor”) of \$[_____] (“The Purchase Amount”) on or about 10/2/2025 Rebundle, Inc., a Delaware corporation (the “Company”), issues to the Investor the right to certain shares of the Company’s Capital Stock, subject to the terms described below.

This Safe is one of the forms available at <http://ycombinator.com/documents> and the Company and the Investor agree that neither one has modified the form, except to fill in blanks and bracketed terms.

The “Post-Money Valuation Cap” is \$10,000,000.

The “Discount Rate” is 80%.

See **Section 2** for certain additional defined terms.

1. Events

(a) **Equity Financing.** If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Conversion Price.

In connection with the automatic conversion of this Safe into shares of Safe Preferred Stock, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; *provided*, that such documents (i) are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable, and (ii) have customary exceptions to any drag-along applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations for the Investor.

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this Safe, this Safe will

automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the “**Cash-Out Amount**”) or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the “**Conversion Amount**”). If any of the Company’s securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, *provided* that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor’s failure to satisfy any requirement or limitation generally applicable to the Company’s securityholders, or under any applicable laws. Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event.** If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority.** In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor’s right to receive its Cash-Out Amount is:

- I. Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);
- II. On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and
- III. Senior to payments for Common Stock: The Investor’s right to receive its Conversion Amount is (A) on par with payments for Common Stock and other Safes and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination.** This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this

Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

(b) The execution, delivery and performance by the Company of this Safe is within the power of the Company and has been duly authorized by all necessary actions on the part of the Company (subject to section 3(d)). This Safe constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To its knowledge, the Company is not in violation of (i) its current certificate of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company or (iii) any material debt or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) The performance and consummation of the transactions contemplated by this Safe do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material debt or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien on any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) No consents or approvals are required in connection with the performance of this Safe, other than: (i) the Company's corporate approvals; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Capital Stock issuable pursuant to Section 1. To its knowledge, the Company owns or possesses (or can obtain on commercially reasonable terms) sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, processes and other intellectual property rights necessary for its business as now conducted and as currently proposed to be conducted, without any conflict with, or infringement of the rights of, others.

4. Investor Representations

(a) The Investor has full legal capacity, power and authority to execute and deliver this Safe and to perform its obligations hereunder. This Safe constitutes valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Investor is an accredited investor as such term is defined in Rule 501 of Regulation D under the Securities Act, and acknowledges and agrees that if not an accredited investor at the time of an Equity Financing, the Company may void this Safe and return the Purchase Amount. The Investor has been advised that this Safe and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is

c) The Investor is not entitled, as a holder of this Safe, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this Safe be construed to confer on the Investor, as such, any rights of a Company stockholder or rights to vote for the election of directors or on any matter submitted to Company stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, until shares have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding shares of Common Stock (that is not payable in shares of Common Stock) while this Safe is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

d) Neither this Safe nor the rights in this Safe are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other; *provided, however*, that this Safe and/or its rights may be assigned without the Company's consent by the Investor (i) to the Investor's estate, heirs, executors, administrators, guardians and/or successors in the event of Investor's death or disability, or (ii) to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Investor; and *provided, further*, that the Company may assign this Safe

in whole, without the consent of the Investor, in connection with a reincorporation to change the Company's domicile.

e) In the event any one or more of the provisions of this Safe is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this Safe operate or would prospectively operate to invalidate this Safe, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this Safe and the remaining provisions of this Safe will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

f) All rights and obligations hereunder will be governed by the laws of the State of Delaware, without regard to the conflicts of law provisions of such jurisdiction.

g) The parties acknowledge and agree that for United States federal and state income tax purposes this Safe is, and at all times has been, intended to be characterized as stock, and more particularly as common stock for purposes of Sections 304, 305, 306, 354, 368, 1036 and 1202 of the Internal Revenue Code of 1986, as amended. The allocation described in this section is referred to as the "Pre-Distribution Adjustment."

5. ARTICLE FIVE: MANAGEMENT

5.1. Management by Manager.

5.1.1. **In General.** The business and affairs of the Company shall be directed, managed, and controlled by Rebundle Inc. as the "manager" within the meaning of 15 PA C.S. §8812(a). When acting in that capacity Rebundle Inc. is referred to in this Agreement as the "Manager."

5.1.2. **Powers of Manager.** Except as otherwise provided in this section 5.1, the Manager shall have full and complete authority, power and discretion to manage and control the business, affairs and properties of the Company, to make all decisions regarding those matters, to execute any contracts or other instruments on behalf of the Company, and to perform any and all other acts or activities customary or incidental to the management of the Company's business.

5.1.3. **Limitations on Manager.** Notwithstanding section 5.1.2, the Manager shall not take any action that may not be taken by a Crowdfunding Vehicle or omit to take any action required to be taken by a Crowdfunding Vehicle.

5.1.4. **Matters Requiring Consent of Members.** Notwithstanding section 5.1.2, if and to the extent that the Rebundle Inc. Securities carry any voting rights:

(a) The Company shall seek instructions from Investors with regard to the voting of any Rebundle Inc. Securities it holds and shall vote such Rebundle Inc. Securities only in accordance with such instructions; and

(b) The Company shall seek instructions from Investors with regard to participating in tender or exchange offers or similar transactions conducted by Rebundle Inc. and shall participate in such transactions only in accordance with such instructions.

5.2. **Resignation and Replacement.** A manager may resign at any time by giving written notice to all of the Members. In the event of the resignation of a manager, a new manager shall be appointed by Investors holding a majority of the Investor Shares.

5.3. **Standard of Care.** The Manager shall conduct the Company's business using its good-faith business judgment.

5.4. **Restrictions on Members.** Except as expressly provided otherwise in this Agreement, Members who are not also the Manager shall not be entitled to participate in the management or control of the Company, nor shall any such Member hold himself out as having such authority. Unless authorized to do so by the Manager, no attorney-in-fact, employee or other agent of the Company shall have any power or authority to bind the Company in any way, to pledge its credit or to render it liable pecuniarily for any purpose. No Member shall have any power or authority to bind the Company unless the Member has been authorized by the Manager in writing to act as an agent of the Company in accordance with the previous sentence.

5.5. **Reliance of Third Parties.** Anyone dealing with the Company shall be entitled to assume that the Manager and any person expressly authorized by the Manager in writing to act on behalf of and in the name of the Company has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Company and to enter into any contracts on behalf of the Company, and shall be entitled to deal with the Manager or any such person as if it were the Company's sole party in interest, both legally and beneficially. No Member shall assert, vis-à-vis a third party, that such third party should not have relied on the apparent authority of the Manager or any officer expressly authorized in writing by the Manager to act on behalf of and in the name of the Company, nor shall anyone dealing with the Manager or any such person be obligated to investigate the authority of such person in a given instance.

5.6. **Time Commitment.** The Manager shall devote such time to the business and affairs of the Company as the Manager may determine in its sole and absolute discretion.

5.7. **Compensation of Manager.** The Manager shall not be entitled to compensation for its services as the manager of the Company.

6. **ARTICLE SIX: OTHER BUSINESSES; INDEMNIFICATION; CONFIDENTIALITY; ASSERTION OF RIGHTS**

6.1. **Other Businesses.** Each Member and Manager may engage in any business whatsoever, including businesses competitive with the business of the Company and Rebundle Inc., and the other Members shall have no interest in such businesses and no claims on account of such businesses, whether such claims arise under the doctrine of “corporate opportunity,” an alleged fiduciary obligation owed to the Company or its members, or otherwise.

6.2. **Exculpation and Indemnification**

6.2.1. **Exculpation.**

(a) **Covered Persons.** As used in this section 6.2, the term “Covered Person” means the Manager and its shareholders, directors, officers, employees, and agents, each acting within the scope of his, her, or its authority.

(b) **Standard of Care.** No Covered Person shall be liable to the Company for any loss, damage or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in the good-faith business judgment of such Covered Person, so long as such action or omission does not constitute fraud or willful misconduct by such Covered Person or violate the contractual obligation of good faith and fair dealing.

(c) **Good Faith Reliance.** A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports, or statements (including financial statements and information) of the following persons: (i) another Covered Person; (ii) any attorney, independent accountant, appraiser, or other expert or professional employed or engaged by or on behalf of the Company; or (iii) any other person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Covered Person reasonably believes to be within such other person’s professional or expert competence. The preceding sentence shall in no way limit any person’s right to rely on information to the extent provided in the Act.

6.2.2. **Liabilities and Duties of Covered Persons.**

(a) **Limitation of Duties.** This Agreement is intended to eliminate the fiduciary duties of Covered Persons, including the duties described in 15 PA C.S. §8849.2, other than the contractual obligation of good faith and fair dealing, to the maximum extent permissible under the Act. Without limiting the preceding sentence (i) a Covered Person shall not be personally liable for monetary damages to the company or the members for a breach of the duty of care except in the case of an act that constitutes recklessness, willful misconduct or a knowing violation of law, (ii) a Covered Person shall not be deemed to have violated the duty of loyalty by engaging in a business competitive with the business of the Company, and (iii) a Covered Person shall be deemed to have satisfied the contractual obligation of good faith and fair dealing by acting in good faith using his, her, or its business judgment.

(b) **Limitation of Liability.** Each Member agrees that, except as otherwise provided by applicable law that may not be waived by contract:

(1) Covered Persons shall not be liable for lost profits or consequential, special, or punitive damages;

(2) The maximum liability of any Covered Person shall be the value of his, her, or its interest in the Company and Rebundle Inc.; and

(3) Covered Persons shall not be liable to the Company or its Members for money damages except for (i) a breach of the obligations set forth in 15 PA C.S. §8849.2, as modified by section 6.2.2(a); or a violation of 15 PA C.S. §8845.

(c) **Duties.** Whenever a Covered Person is permitted or required to make a decision, the Covered Person shall be entitled to consider only such interests and factors as such Covered Person desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Company or any other person. Whenever in this Agreement a Covered Person is permitted or required to make a decision in such Covered Person's "good faith," the Covered Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Agreement or any other applicable law.

6.2.3. **Indemnification.**

(a) **Indemnification.** To the fullest extent permitted by the Act, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution or replacement only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Act permitted the Company to provide prior to such amendment, substitution or replacement), the Company shall indemnify, hold harmless, defend, pay and reimburse any Covered Person against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively, "Losses") to which such Covered Person may become subject by reason of any act or omission or alleged act or omission performed or omitted to be performed by such Covered Person on behalf of the Company in connection with the business of the Company; provided, that (i) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (ii) such Covered Person's conduct did not constitute recklessness, willful misconduct or a knowing violation of law, as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful, or that the Covered Person's conduct constituted recklessness or willful misconduct.

(b) **Reimbursement.** The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend or defending any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this section 6.2.3; provided, that if it is finally judicially determined that such Covered Person is not entitled to the indemnification provided by this section 6.2.3, then such Covered Person shall promptly reimburse the Company for any reimbursed or advanced expenses.

(c) **Entitlement to Indemnity.** The indemnification provided by this section 6.2.3 shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this section 6.2.3 shall continue to afford protection to each Covered Person regardless whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this section 6.2.3 and shall inure to the benefit of the executors, administrators, and legal representative of such Covered Person.

(d) **Insurance.** To the extent available on commercially reasonable terms, the Company may purchase, at its expense, insurance to cover Losses covered by the foregoing indemnification provisions and to otherwise cover Losses for any breach or alleged breach by any Covered Person of such Covered Person's duties in such amount and with such deductibles as the Manager may determine; provided, that the failure to obtain such insurance shall not affect the right to indemnification of any Covered Person under the indemnification provisions contained herein, including the right to be reimbursed or advanced expenses or otherwise indemnified for Losses hereunder. If any Covered Person recovers any amounts in respect of any Losses from any insurance coverage, then such Covered Person shall, to the extent that such recovery is duplicative, reimburse the Company for any amounts previously paid to such Covered Person by the Company in respect of such Losses.

(e) **Funding of Indemnification Obligation.** Any indemnification by the Company pursuant to this section 6.2.3 shall be provided out of and to the extent of Company assets only, and no Member shall have personal liability on account thereof or shall be required to make additional capital contributions to help satisfy such indemnification obligation.

(f) **Savings Clause.** If this section 6.2.3 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Covered Person pursuant to this section 6.2.3 to the fullest extent permitted by any applicable portion of this section 6.3 that shall not have been invalidated and to the fullest extent permitted by applicable law.

6.2.4. **Amendment.** The provisions of this section 6.2 shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this section is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification or repeal of this section that adversely affects the rights of a Covered Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such Losses without the Covered Person's prior written consent.

6.2.5. **Survival.** The provisions of this section 6.2 shall survive the dissolution, liquidation, winding up, and termination of the Company.

6.2.6. **Exception.** Notwithstanding the foregoing provisions of this section 6.2:

(a) No Member shall be precluded from bringing a claim against a Covered Person if such claim would have been permitted if such Member owned Rebundle Inc. Securities directly; and

(b) No Covered Person shall be entitled to indemnification if indemnification would not have been permitted by Rebundle Inc. itself.

6.3. **Confidentiality.**

6.3.1. **In General.** Each Member shall maintain the confidentiality of all Confidential Information, as defined below, using no less care than such Member uses to protect such Member's own confidential or proprietary information, and shall not use any Confidential Information for such Investor's own benefit or the benefit of any other person. Notwithstanding the foregoing, a Member may disclose Confidential Information if required by legal process, provided that if a Member receives a request or demand for the disclosure of Confidential Information the Member shall (i) promptly notify the Company and the Manager of the existence, terms and circumstances surrounding such request, (ii) consult with the Company and the Manager regarding taking steps to resist or narrow such request, (iii) if disclosure of such information is required, furnish only such portion of such information as such Member is advised by counsel is legally required to be disclosed, and (iv) cooperate with the Company and the Manager in their efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the information that is required to be disclosed.

6.3.2. **Confidential Information.** The term "Confidential Information" means (i) information regarding the Company, the Manager, or Rebundle Inc. that a reasonable person would understand to be confidential or proprietary, including but not limited to financial information, business plans, and the names of customers, employees, and suppliers; and (ii) the names and other identifying information of Members.

6.4. **Assertion of Rights.** Any Investor may, by giving notice to the Manager, direct the Company to assert, on behalf of such Investor, any rights under state and federal law that such Investor would have if such Investor had invested directly in Rebundle Inc., by purchasing Rebundle Inc. Securities in the Reg CF Offering, rather than through the Company. The Investor directing the Company to assert such rights on such Investor's behalf shall be solely responsible for all costs and expenses incurred by the Company in asserting such rights, including but not limited to attorneys' fees, and shall direct any associated proceedings as if such Investor had invested in Rebundle Inc. directly.

7. **ARTICLE SEVEN: BANK ACCOUNTS; BOOKS OF ACCOUNT; REPORTS**

7.1. **Bank Accounts.** Funds of the Company may be deposited in accounts at banks or other institutions selected by the Manager. Withdrawals from any such account or accounts shall be made in the Company's name upon the signature of such persons as the Manager may designate. The financial statements of the Company need not be audited by an independent certified public accounting firm unless the Manager so elects or the law so requires.

7.4. **Information from Issuer.** The Company shall promptly provide to each Investor any information the Company receives from Rebundle Inc. with respect to the Rebundle Inc. Securities, including but not limited to all disclosures, reports, and other information.

7.5. **Right of Inspection.**

7.5.1. **In General.** If a Member wishes additional information, or to inspect the books and records, of the Company for a *bona fide* business purpose, the following procedure shall be followed: (i) such Member shall notify the Manager in writing, setting forth in reasonable detail the information requested and the reason for the request; (ii) within sixty (60) days after receiving such a request, the Manager shall respond to the request by either providing the information requested or scheduling a date (not more than 90 days after the initial request) for the Member to inspect the Company's records; (iii) any inspection of the Company's records shall be at the sole cost and expense of the requesting Member; and (iv) the requesting Member shall reimburse the Company for any reasonable costs incurred by the Company in responding to the Member's request and making information available to the Member.

7.5.2. **Bona Fide Purpose.** The Manager shall not be required to respond to a request for information or to inspect the books and records of the Company if the Manager believes such request is made to harass the Company or the Manager, to seek confidential information about the Company, or for any other purpose other than a *bona fide* business purpose.

7.5.3. **Representative.** An inspection of the Company's books and records may be conducted by an authorized representative of a Member, provided such authorized representative is an attorney or a licensed certified public accountant, agrees to maintain the confidentiality of any Company information to which access is provided and is reasonably satisfactory to the Manager.

7.5.4. **Restrictions.** The following restrictions shall apply to any request for information or to inspect the books and records of the Company:

(a) No Member shall have a right to a list of the Members or any information regarding the Members.

(b) Before providing additional information or allowing a Member to inspect the Company's records, the Manager may require such Member (and or its authorized representative) to execute a confidentiality agreement satisfactory to the Manager.

(c) No Member shall have the right to access any trade secrets of the Company, Rebundle Inc., or their respective affiliates, or any other information the Manager deems highly sensitive and confidential, including without limitation any information regarding Rebundle Inc.'s stockholders.

(d) No Member may review the books and records of the Company more than once during any twelve (12) month period.

(e) Any review of the Company's books and records shall be scheduled in a manner to minimize disruption to the Company's business.

(f) A representative of the Company may be present at any inspection of the Company's books and records.

(g) If more than one Member has asked to review the Company's books and records, the Manager may require the requesting Members to consolidate their request and appoint a single representative to conduct such review on behalf of all requested Members.

(h) The Manager may impose additional reasonable restrictions for the purpose of protecting the Company and the Members.

7.5.5. **Exception.** Notwithstanding the foregoing provisions of this section 7.5, an Investor shall have no less access to the records of the Company than he, she, or it would have access to the records of Rebundle Inc. if he, she, or its owned Rebundle Inc. Securities directly.

7.6. Tax Matters.

7.6.1. **Designation.** The Manager shall be designated as the “company representative” (the “Company Representative”) as provided in Code section 6223(a). 7.6.2. **Tax Examinations and Audits.** The Company Representative is authorized to represent the Company in connection with all examinations of the affairs of the Company by any taxing authority, including any resulting administrative and judicial proceedings, and to expend funds of the Company for professional services and costs associated therewith. Each Member agrees to cooperate with the Company Representative and to do or refrain from doing any or all things reasonably requested by the Company Representative with respect to the conduct of examinations by taxing authorities and any resulting proceedings. Each Member agrees that any action taken by the Company Representative in connection with audits of the Company shall be binding upon such Members and that such Member shall not independently act with respect to tax audits or tax litigation affecting the Company. The Company Representative shall have sole discretion to determine whether the Company (either on its own behalf or on behalf of the Members) will contest or continue to contest any tax deficiencies assessed or proposed to be assessed by any taxing authority.

7.6.3. **BBA Elections and Procedures.** In the event of an audit of the Company that is subject to the Company audit procedures enacted under Code sections 6225, *et seq*, (the “Audit Procedures”), the Company Representative, in its sole discretion, shall have the right to make any and all elections and to take any actions that are available to be made or taken by the Company, including any election under Code section 6226. If an election under Code section 6226(a) is made, the Company shall furnish to each Member for the year under audit a statement of the Member’s share of any adjustment set forth in the notice of final Company adjustment, and each Member shall take such adjustment into account as required under Code section 6226(b).

7.6.4. **Tax Returns and Tax Deficiencies.** Each Member agrees that such Member shall not treat any Company item inconsistently on such Member’s federal, state, foreign or other income tax return with the treatment of the item on the Company’s return. Any deficiency for taxes imposed on any Member (including penalties, additions to tax or interest imposed with respect to such taxes and any tax deficiency imposed pursuant to Code section 6226) will be paid by such Member and if required to be paid (and actually paid) by the Company, will be recoverable from such Member.

8.2. **Transfers to Competitors.** Notwithstanding section 8.1, Investor Shares may not be transferred, directly or indirectly, if the transferee or any affiliate of the transferee is engaged in a business directly competitive with the business of Rebundle Inc.. For these purposes, an “affiliate” means any person who, directly or indirectly, controls, is controlled by or is under common control with the transferee.

8.3. **Rights of Assignee.** Until and unless a person who is a transferee of Investor Shares is admitted to the Company as Member pursuant to section 8.4, such transferee shall be entitled only to the allocations and distributions with respect to the Transferred Shares in accordance with this Agreement and, to the fullest extent permitted by applicable law, including but not limited to 15 PA C.S. §8852, shall not have any non-economic rights of a Member of the Company, including, without limitation, the right to require any information on account of the Company's business, inspect the Company's books, or vote on Company matters.

8.4. **Conditions of Transfer.** A transferee of Transferred Shares pursuant to section 8.1 shall have the right to become a Member pursuant to 15 PA C.S. §8841(d) if and only if all of the following conditions are satisfied:

8.4.1. The transferee has executed a copy of this Agreement, agreeing to be bound by all of its terms and conditions;

8.4.2. A fully executed and acknowledged written transfer agreement between the transferor and the transferee has been filed with the Company;

8.4.3. All costs and expenses incurred by the Company in connection with the transfer are paid by the transferor to the Company, without regard to whether the proposed transfer is consummated; and

8.4.4. The Manager determines, and such determination is confirmed by an opinion of counsel satisfactory to the Manager stating, that (i) the transfer does not violate the Securities Act of 1933 (the “Securities Act”) or any applicable state securities laws, (ii) the transfer will not violate any of the requirements applicable to Crowdfunding Vehicles, (iii) the transfer will not require the Manager or any affiliate that is not registered under the Investment Advisers Act of 1940 to register as an investment adviser, (iv) the transfer would not pose a material risk that (A) all or any portion of the assets of the Company would constitute “plan assets” under ERISA, (B) the Company would be subject to the provisions of ERISA, section 4975 of the Code or any applicable similar law, or (C) the Manager would become a fiduciary pursuant to ERISA or the applicable provisions of any similar law or otherwise, and (v) the transfer will not violate the applicable laws of any state or the applicable rules and regulations of any governmental authority; provided, that the delivery of such opinion may be waived, in whole or in part, at the sole discretion of the Manager.

Instead, the legal successor of such Investor shall become an assignee of the Investor pursuant to section 8.3, subject to all of the terms and conditions of this Agreement.

8.6. **IPO Lock-Up.** If Rebundle Inc. conducts an underwritten public offering of its securities under the Securities Act ("IPO"), then for a period specified by Rebundle Inc. and the managing underwriter not to exceed one hundred eighty (180) days, or such other period as may be requested by the Company or an underwriter to accommodate regulatory restrictions, no Investor shall (i) lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right, or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any Investor Shares; or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of Investor Shares, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of securities, in cash, or otherwise. The foregoing sentence (x) shall apply only to the IPO, (y) shall not apply to the sale of any Investor Shares to an underwriter pursuant to an underwriting agreement, or the transfer of any Investor Shares to any trust for the direct or indirect benefit of the Investor or the immediate family of the Investor, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, and (z) shall be applicable to Investors only if all officers and directors of Rebundle Inc. are subject to the same restrictions and Rebundle Inc. uses commercially reasonable efforts to obtain a similar agreement from all its stockholders individually owning more than one percent (1%) of Rebundle Inc.'s outstanding securities. The underwriters in the IPO are intended third-party beneficiaries of this section 8.6 and shall have the right, power, and authority to enforce its provisions as if they were a party. Each Investor shall execute such agreements as may be reasonably requested by the underwriters that are consistent with this section 8.6 or that are necessary to give further effect thereto. Any discretionary waiver or termination of the restrictions of any or all of such agreements by the Company or the underwriters shall apply *pro rata* to all Investors subject to such agreements, based on the number of securities subject to such agreements.

8.7. **Termination.** The provisions of this Article Eight shall terminate upon the first to occur of (i) a sale or other disposition of all or substantially all of the business or assets of Rebundle Inc., including but not limited to upon a merger or similar acquisition (and not bona fide financing) transaction following which the persons who control Rebundle Inc. immediately before the transaction have less than fifty percent (50%) of the aggregate voting power of the resulting entity; (ii) the liquidation of Rebundle Inc.; or (iii) an IPO, except that section 8.6 shall remain in effect following an IPO.

REBUNDLE COMMUNITY SPV, LLC

SUBSCRIPTION AGREEMENT

This is a Subscription Agreement, entered into on 10/3/2025 by and between Rebundle Community SPV, LLC, a VA limited liability company (the "Company") and ("Purchaser").

Background

The Company is offering for sale certain of its securities on www.Honeycombcrcdit.com (the "Platform").

NOW, THEREFORE, acknowledging the receipt of adequate consideration and intending to be legally bound, the parties hereby agree as follows:

1. **Defined Terms.** Capitalized terms that are not otherwise defined in this Subscription Agreement have the meanings given to them in the Company's Form C on the Platform (the "Disclosure Document"). In addition, the Company is sometimes referred to in this Subscription Agreement using words like "we" and "our," and Purchaser is sometimes referred to using words like "you," "your," and "its."

2. Purchase of Shares.

2.1. **In General.** Subject to the terms and conditions of this Subscription Agreement, the Company hereby agrees to sell to Purchaser, and Purchaser hereby agrees to purchase from the Company, convertible promissory notes in an aggregate principal amount not to exceed \$124,000,

2.2. **Reduction for Oversubscription.** If the Company receives subscriptions from qualified investors for more than the amount we are trying to raise, we have the unilateral right to, and may, reduce your subscription and therefore the amount of your Shares. We will notify you promptly if this happens.

3. **Right to Cancel.** Once you sign this Subscription Agreement, you have the right to cancel under certain conditions described in the Educational Materials at the Platform. For example, you generally have the right to cancel (i) up to 48 hours before the closing of the offering, or (ii) if there is a material change in the offering.

4. **Our Right to Reject Investment.** In contrast, we have the right to reject your subscription for any reason or for no reason, in our sole discretion. If we reject your subscription, any money you have given us will be returned to you.

5. **Your Shares.** You will not receive a paper certificate representing your Shares. Instead, your Shares will be available electronically.

6. **Your Promises.** You promise that:

6.1. **Accuracy of Information.** All of the information you have given to us, whether in this Subscription Agreement or otherwise, is accurate and we may rely on it. If any of the information you have given to us changes before we accept your subscription, you will notify us immediately. If any of the information you have given to us is inaccurate and we are damaged (harmed) as a result, you will indemnify us, meaning you will pay any damages.

6.2. **Review of Information.** You have read all of the information in the Disclosure Document, including the Company's Limited Liability Company Agreement (the "LLC Agreement") all the other Exhibits.

6.3. **Risks.** You understand all the risks of investing, including the risk that you could lose all your money. Without limiting that statement, you have reviewed and understand all the risks listed under "Risks of Investing" in the Disclosure Document.

6.4. **Escrow Account.** You understand that your money might first be held in an escrow account in one or more FDIC-insured banks. If any of these banks became insolvent and the FDIC insurance is insufficient, your money could be lost.

6.5. **No Representations.** Nobody has made any promises or representations to you, except the information in the Disclosure Document. Nobody has guaranteed any financial outcome of your investment.

6.6. **Opportunity to Ask Questions.** You have had the opportunity to ask questions about the Company and the investment. All your questions have been answered to your satisfaction.

6.7. **Your Legal Power to Sign and Invest.** You have the legal power to sign this Subscription Agreement and purchase the Shares.

6.8. **No Government Approval.** You understand that no state or federal authority has reviewed this Subscription Agreement or the Shares or made any finding relating to the value or fairness of the investment.

6.9. **No Transfer.** You understand that securities laws limit transfer of the Shares. Finally, there is currently no market for the Shares, meaning it might be hard to find a buyer. As a result, you should be prepared to hold the Shares indefinitely.

6.10. **No Advice.** We have not provided you with any investment, financial, or tax advice. Instead, we have advised you to consult with your own legal and financial advisors and tax experts.

6.11. **Tax Treatment.** We have not promised you any particular tax outcome from buying, holding or selling the Shares, or from the Company buying, holding or selling securities in ZenniHome Holdings, Inc., a Delaware corporation.

6.12. **Past Performance.** You understand that even if we have been successful with other projects, we might not be successful with this project.

6.13. **Acting on Your Own Behalf.** You are acting on your own behalf in purchasing the Shares, not on behalf of anyone else.

6.14. **Investment Purpose.** You are purchasing the Shares solely as an investment, not with an intent to re-sell or “distribute” any part of them.

6.15. **Anti-Money Laundering Laws.** Your investment will not, by itself, cause the Company to be in violation of any “anti-money laundering” laws, including, without limitation, the United States Bank Secrecy Act, the United States Money Laundering Control Act of 1986, and the United States International Money Laundering Abatement and Anti-Terrorist Financing Act of 2001.

6.16. **Additional Information.** At our request, you will provide further documentation verifying the source of the money used to purchase the Shares.

6.17. **Disclosure.** You understand that we may release confidential information about you to government authorities if we determine, in our sole discretion after consultation with our lawyer, that releasing such information is in the best interest of the Company or if we are required to do so by such government authorities.

6.18. **Additional Documents.** You will execute any additional documents we request if we reasonably believe those documents are necessary or appropriate and explain why.

6.19. **No Violations.** Your purchase of the Shares will not violate any law or conflict with any contract to which you are a party.

6.20. **Enforceability.** This Subscription Agreement is enforceable against you in accordance with its terms.

6.21. **No Inconsistent Statements.** No person has made any oral or written statements or representations to you that are inconsistent with the information in this Subscription Agreement and the Disclosure Document.

6.22. **Financial Forecasts.** You understand that any financial forecasts or projections are based on estimates and assumptions we believe to be reasonable but are highly speculative. Given the industry, our actual results may vary from any forecasts or projections.

6.23. **Notification.** If you discover at any time that any of the promises in this section 6 are untrue, you will notify us right away.

6.24. **Non-U.S. Purchasers.** If you are neither a citizen or a resident (green card) of the United States, then (i) the offer and sale of stock is lawful in the country of your residence, and (ii) the Company is not required to register or file any reports or documents with the country of your residence.

6.25. **Additional Promises by Individuals.** If you are a natural person (not an entity), you also promise that:

6.25.1. **Knowledge.** You have enough knowledge, skill, and experience in business, financial, and investment matters to evaluate the merits and risks of the investment.

6.25.2. **Financial Wherewithal.** You can afford this investment, even if you lose your money. You don’t rely on this money for your current needs, like rent or utilities.

6.25.3. **Anti-Terrorism and Money Laundering Laws.** None of the money used to purchase the Shares was derived from or related to any activity that is illegal under United States law, and you are not on any list of “Specially Designated Nationals” or known or suspected terrorists that has been generated by the Office of Foreign Assets Control of the United States Department of Treasury (“OFAC”), nor are you a citizen or resident of any country that is subject to embargo or trade sanctions enforced by OFAC.

6.26. **Entity Investors.** If Purchaser is a legal entity, like a corporation, partnership, or limited liability company, Purchaser also promises that:

6.26.1. **Good Standing.** Purchaser is validly existing and in good standing under the laws of the jurisdiction where it was organized and has full corporate power and authority to conduct its business as presently conducted and as proposed to be conducted.

6.26.2. **Other Jurisdictions.** Purchaser is qualified to do business in every other jurisdiction where the failure to qualify would have a material adverse effect on Purchaser.

6.26.3. **Authorization.** The execution and delivery by Purchaser of this Subscription Agreement, Purchaser’s performance of its obligations hereunder, the consummation by Purchaser of the transactions contemplated hereby, and the purchase of the Shares, have been duly authorized by all necessary corporate, partnership or company action.

6.26.4. **Investment Company.** Purchaser is not an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

6.26.5. **Information to Investors.** Purchaser has not provided any information concerning the Company or its business to any actual or prospective investor, except the Disclosure Document, this Subscription Agreement, and other written information that the Company has approved in writing in advance.

6.26.6. **Anti-Terrorism and Money Laundering Laws.** To the best of Purchaser’s knowledge based upon appropriate diligence and investigation, none of the money used to purchase the Shares was derived from or related to any activity that is illegal under United States law. Purchaser has received representations from each of its owners such that it has formed a reasonable belief that it knows the true identity of each of the ultimate investors in Purchaser. To the best of Purchaser’s knowledge, none of its ultimate investors is on any list of “Specially Designated Nationals” or known or suspected terrorists that has been generated by the Office of Foreign Assets Control of the United States Department of Treasury (“OFAC”), nor is any such ultimate investor a citizen or resident of any country that is subject to embargo or trade sanctions enforced by OFAC.

7. **Confidentiality.** The information we have provided to you about the Company, including the information in the Disclosure Document, is confidential. You will not reveal such information to anyone or use such information for your own benefit, except to purchase the Shares.

8. **Re-Purchase of Shares.** If we decide that you provided us with inaccurate information or have otherwise violated your obligations, or if required by any applicable law or regulation related to terrorism, money laundering, and similar activities, we may (but shall not be required to) repurchase your Shares for an amount equal to the amount you paid for it.

9. **Execution of LLC Agreement.** By signing this Subscription Agreement, you will also be deemed to have signed the LLC Agreement, just as if you had signed a paper copy of the LLC Agreement in blue ink.

10. **Governing Law.** Your relationship with us shall be governed by _____ law, without considering principles of conflicts of law.

11. **Arbitration.**

11.1. **Right to Arbitrate Claims.** If any kind of legal claim arises between us as a result of your purchase of the Shares (but not your ownership of Shares or the operation of the Company), either of us will have the right to arbitrate the claim, rather than use the courts. There are only two exceptions to this rule. First, we will not invoke our right to arbitrate a claim you bring in Small Claims Court or an equivalent court, if any, so long as the claim is pending only in that court. Second, we have the right to seek an injunction in court if you violate or threaten to violate your obligations.

11.2. **Place of Arbitration; Rules.** All arbitration will be conducted in _____, _____, unless we agree otherwise in writing in a specific case. All arbitration will be conducted before a single arbitrator in accordance with the rules of the American Arbitration Association.

11.3. **Appeal of Award.** Within thirty (30) days of a final award by the single arbitrator, you or we may appeal the award for reconsideration by a three-arbitrator panel. If you or we appeal, the other party may cross-appeal within thirty (30) days after notice of the appeal. The panel will reconsider all aspects of the initial award that are appealed, including related findings of fact.

11.4. **Effect of Award.** Any award by the individual arbitrator that is not subject to appeal, and any panel award on appeal, shall be final and binding, except for any appeal right under the Federal Arbitration Act, and may be entered as a judgment in any court of competent jurisdiction.

11.5. **No Class Action Claims.** NO ARBITRATION SHALL PROCEED ON A CLASS, REPRESENTATIVE, OR COLLECTIVE BASIS. No party may join, consolidate, or otherwise bring claims for or on behalf of two or more individuals or unrelated corporate entities in the same arbitration unless those persons are parties to a single transaction. An award in arbitration shall determine the rights and obligations of the named parties only, and only with respect to the claims in arbitration, and shall not (i) determine the rights, obligations, or interests of anyone other than a named party, or resolve any claim of anyone other than a named party, or (ii) make an award for the benefit of, or against, anyone other than a named party. No administrator or arbitrator shall have the power or authority to waive, modify, or fail to enforce this paragraph, and any attempt to do so, whether by rule, policy, arbitration decision or otherwise, shall be invalid and unenforceable. Any challenge to the validity of this paragraph shall be determined exclusively by a court and not by the administrator or any arbitrator. If this paragraph shall be deemed unenforceable, then any proceeding in the nature of a class action shall be handled in court, not in arbitration.

12. **Consent to Electronic Delivery.** You agree that we may deliver all notices, tax reports and other documents and information to you by email or another electronic delivery method we choose. You agree to tell us right away if you change your email address or home mailing address so we can send information to the new address.

13. **Notices.** All notices between us will be electronic. You will contact us by email at _____. We will contact you by email at the email address you provided on the Platform. Either of us may change our email address by notifying the other (by email). Any notice will be considered to have been received on the day it was sent by email, unless the recipient can demonstrate that a problem occurred with delivery. You should designate our email address as a “safe sender” so our emails do not get trapped in your spam filter.

14. **Limitations on Damages.** WE WILL NOT BE LIABLE TO YOU FOR ANY LOST PROFITS OR SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, EVEN IF YOU TELL US YOU MIGHT INCUR THOSE DAMAGES. This means that at most, you can sue us for the amount of your investment. You can’t sue us for anything else.

15. **Waiver of Jury Rights.** IN ANY DISPUTE WITH US, YOU AGREE TO WAIVE YOUR RIGHT TO A TRIAL BY JURY. This means that any dispute will be heard by an arbitrator or a judge, not a jury.

16. **Effect of Acceptance.** Even when we accept your subscription by counter-signing below, you will not acquire the Shares until and unless we have closed on the Offering, as described in the Disclosure Document.

17. **Miscellaneous Provisions.**

17.1. **No Transfer.** You may not transfer your rights or obligations.

17.2. **Right to Legal Fees.** If we have a legal dispute with you, the losing party will pay the costs of the winning party, including reasonable legal fees.

17.3. **Headings.** The headings used in this Subscription Agreement (*e.g.*, the word “Headings” in this paragraph), are used only for convenience and have no legal significance.

17.4. **No Other Agreements.** This Subscription Agreement and the documents it refers to (including the LLC Agreement) are the only agreements between us.

17.5. **Electronic Signature.** You will sign this Subscription Agreement electronically, rather than physically.

IN WITNESS WHEREOF, the undersigned has executed this Subscription Agreement and the LLC Agreement effective on the date first written above.
