Caribbrew is a social impact beverage company that operates in the coffee and cacao sectors. We make a difference in the lives of Haitian farmers and have nationwide distribution in the U.S.

As the CEO, I have had the tremendous pleasure to grow the company to 7 figures, creating partnerships with wholesale clients, hiring our dynamic team, Building out strong relationships with our farmers in Haiti and social impact partners, and lastly overseeing our brand success and optimizing customers' experiences through our different sales channels.

I have multidimensional business acumen from marketing to financial management that can be applied accross industries. I enjoy helping other business owners growing their businesses and their impact.
