Kevin Patterson

Chief Executive Officer at Connect for Health Colorado
Denver, Colorado, United States

Summary

Results oriented leader interested in employee development, measurement, systems improvement and continuous improvement. I have a track record of taking very difficult administrative structures and helping them improve performance focusing on core business goals and intentional thinking. My communication strategy continues to look for the alignment between every level of the organization and the clients or customers the organization serves.

Specialties: Strategic planning, organization design and development, turnarounds, public finance, economic development, urban planning.

Experience

Connect for Health Colorado
