3.4 Restricted Securities. The Purchaser understands that the shares of Series Seed 1 Stock have not been, and will not be, registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act that depends upon, among other things, the bona fide nature of the investment intent and the accuracy of the Purchaser's representations as expressed herein. The Purchaser understands that the shares of Series Seed 1 Stock are "restricted securities" under applicable United States federal and state securities laws and that, pursuant to these laws, the Purchaser must hold the shares of Series Seed 1 Stock indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities or an exemption from such registration and qualification requirements is available. The Purchaser acknowledges that the Company has no obligation to register or qualify the shares of Series Seed 1 Stock, or the Common Stock into which it may be converted, for resale. The Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale and the holding period for the shares of Series Seed 1 Stock, and on requirements relating to the Company that are outside of the Purchaser's control, and which the Company is under no obligation and may not be able to satisfy.

3.5 No Public Market. The Purchaser understands that no public market now exists for the shares of Series Seed 1 Stock, and that the Company has made no assurances that a public market will ever exist for the shares of Series Seed 1 Stock.

NO TRANSFER MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933, AS AMENDED.”

3.7 Accredited and Sophisticated Purchaser. The Purchaser is an accredited investor as defined in Rule 501(a) of Regulation D of the Securities Act. The Purchaser is an investor in securities of companies in the development stage and acknowledges that the Purchaser is able to fend for itself, can bear the economic risk of its investment, and has such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of the investment in the shares of Series Seed 1 Stock.

3.8 No General Solicitation. Neither the Purchaser nor any of its officers, directors, employees, agents, stockholders or partners has either directly or indirectly, including through a broker or finder (a) engaged in any general solicitation with respect to the offer and sale of the shares of Series Seed 1 Stock, or (b) published any advertisement in connection with the offer and sale of the shares of Series Seed 1 Stock.

3.9 Exculpation Among Purchasers. The Purchaser acknowledges that it is not relying upon any person, other than the Company and its officers and directors, in making its investment or decision to invest in the Company. The Purchaser agrees that neither any Purchaser nor the respective controlling persons, officers, directors, partners, agents, or employees of any Purchaser shall be liable to any other Purchaser for any action heretofore taken or omitted to be taken by any of them in connection with the purchase of the shares of Series Seed 1 Stock.

3.10 Residence. In the event that the Purchaser is not a resident of the United States, such Purchaser hereby agrees to make such additional representations and warranties relating to such Purchaser’s status as a non-United States resident as reasonably may be requested by the Company and to execute and deliver such documents or agreements as reasonably may be requested by the Company relating thereto as a condition to the purchase and sale of any shares of Series Seed 1 Stock by such Purchaser.

3.11 No “Bad Actor” Designees. If the Purchaser has the right to designate or participate in the designation of a Board Designee, the Purchaser represents and warrants to the Company that, to the Purchaser’s knowledge, no Disqualification Event (as defined below) is applicable to the Purchaser’s initial designee named above except, if applicable, for a Disqualification Event as to which Rule 506(d)(2)(ii–iv) or (d)(3) of the Securities Act is applicable. Any Board Designee to whom any Disqualification Event is applicable, except for a Disqualification Event as to which Rule 506(d)(2)(ii–iv) or (d)(3) of the Securities Act is applicable, is hereinafter referred to as a “*Disqualified Designee*.” The Purchaser with the right to designate or participate in the designation of a Board Designee covenants and agrees (A) not to designate or participate in the designation of any Board Designee who, to the Purchaser’s knowledge, is a Disqualified Designee and (B) that in the event the Purchaser becomes aware

that any individual previously designated by the Purchaser is or has become a Disqualified Designee, the Purchaser shall as promptly as practicable take such actions as are necessary to remove such Disqualified Designee from the Board and designate a replacement Board Designee who is not a Disqualified Designee.

4. COVENANTS OF THE COMPANY.

4.1 Information Rights.

4.1.1 Basic Financial Information. The Company shall furnish to each Purchaser holding 231,482 shares of Series Seed Preferred Stock (a “**Major Purchaser**”): (1) annual unaudited financial statements for each fiscal year of the Company, including an unaudited balance sheet as of the end of such fiscal year, an unaudited income statement, and an unaudited statement of cash flows, all prepared in accordance with generally accepted accounting principles and practices; and (2) quarterly unaudited financial statements for each fiscal quarter of the Company (except the last quarter of the Company’s fiscal year), including an unaudited balance sheet as of the end of such fiscal quarter, an unaudited income statement, and an unaudited statement of cash flows, all prepared in accordance with generally accepted accounting principles and practices, subject to changes resulting from normal year-end audit adjustments. If the Company has audited records of any of the foregoing, it shall provide those in lieu of the unaudited versions.

4.1.2 Confidentiality. Anything in this Agreement to the contrary notwithstanding, no Purchaser by reason of this Agreement shall have access to any trade secrets or confidential information of the Company. The Company shall not be required to comply with any information rights of any Purchaser whom the Company reasonably determines to be a competitor or an officer, employee, director, or holder of ten percent (10%) or more of a competitor. Each Purchaser shall keep confidential and shall not disclose, divulge, or use for any purpose (other than to monitor its investment in the Company) any confidential information obtained from the Company pursuant to the terms and conditions of this Agreement other than to any of the Purchaser’s attorneys, accountants, consultants, and other professionals, to the extent necessary to obtain their services in connection with monitoring the Purchaser’s investment in the Company.

4.1.3 Inspection Rights. The Company shall permit each Major Purchaser to visit and inspect the Company’s properties, to examine its books of account and records and to discuss the Company’s affairs, finances and accounts with its officers, all at such reasonable times as may be requested by such Major Purchaser.

4.2 Additional Rights and Obligations. If the Company issues securities in its next equity financing after the date hereof (the “**Next Financing**”) that (a) have rights, preferences or privileges that are more favorable than the terms of the shares of Series Seed 1 Stock, such as price based anti-dilution protection, or (b) provide all such future investors other contractual terms such as registration rights, the Company shall provide substantially equivalent rights to the Purchasers with respect to the shares of Series Seed 1 Stock (with appropriate adjustment for economic terms or other contractual rights), subject to such Purchaser’s execution of any documents, including, if applicable, investor rights, co-sale, voting, and other agreements, executed by the investors purchasing securities in the Next Financing (such documents, the “**Next Financing Documents**”). Any Major Purchaser will remain a Major Purchaser for all purposes in the Next Financing Documents to the extent such concept exists. Notwithstanding anything herein to the contrary, subject to the provisions of Section 8.11, upon the execution and delivery of the Next Financing Documents by Purchasers holding a majority of the then outstanding shares of Series Seed Preferred Stock held by all Purchasers, this Agreement (excluding any

then-existing and outstanding obligations) shall be amended and restated by and into such Next Financing Documents and shall be terminated and of no further force or effect.

4.3 Assignment of Company's Preemptive Rights. The Company shall obtain at or prior to the Initial Closing, and shall maintain, a right of first refusal with respect to transfers of shares of Common Stock by each holder thereof, subject to certain standard exceptions. If the Company elects not to exercise its right of first refusal with respect to a proposed transfer of the Company's outstanding securities by any Key Holder, the Company shall be deemed to have assigned such right of first refusal to the Major Purchasers. In the event of such deemed assignment, each Major Purchaser shall be deemed to have been assigned the portion of such right of first refusal equal to the ratio of (a) the number of shares of the Company's Common Stock issued or issuable upon conversion of the shares of Series Seed Preferred Stock owned by such Major Purchaser, to (b) the number of shares of the Stock issued or issuable upon conversion of the shares of Series Seed Preferred Stock owned by all Major Purchasers and all "Major Purchasers" under the 2023 Series Seed Investment Agreement.

4.4 Reservation of Common Stock. The Company shall at all times reserve and keep available, solely for issuance and delivery upon the conversion of the Series Seed 1 Stock, all Common Stock issuable from time to time upon conversion of that number of shares of Series Seed 1 Stock equal to the Total Shares Authorized for Sale, regardless of whether or not all such shares have been issued at such time.

5. RESTRICTIONS ON TRANSFER; DRAG ALONG.

5.1 Limitations on Disposition. Each person owning of record shares of Common Stock issued or issuable pursuant to the conversion of the shares of Series Seed 1 Stock and any shares of Common Stock issued as a dividend or other distribution with respect thereto or in exchange therefor or in replacement thereof (collectively, the "**Securities**") or any assignee of record of Securities (each such person, a "**Holder**") shall not make any disposition of all or any portion of any Securities unless:

(a) there is then in effect a registration statement under the Securities Act, covering such proposed disposition and such disposition is made in accordance with such registration statement; or

(b) such Holder has notified the Company of the proposed disposition and has furnished the Company with a statement of the circumstances surrounding the proposed disposition, and, at the expense of such Holder or its transferee, with an opinion of counsel, reasonably satisfactory to the Company, that such disposition will not require registration of such securities under the Securities Act.

Notwithstanding the provisions of Section 5.1(a) and Section 5.1(b), no such registration statement or opinion of counsel will be required: (i) for any transfer of any Securities in compliance with the Securities and Exchange Commission's Rule 144 or Rule 144A, or (ii) for any transfer of any Securities by a Holder that is a partnership, limited liability company, corporation, or venture capital fund to (A) a partner of such partnership, member of such limited liability company, or stockholder of such corporation, (B) an affiliate of such partnership, limited liability company or corporation (including, any affiliated investment fund of such Holder), (C) a retired partner of such partnership or a retired member of such limited liability company, or (D) the estate of any such partner, member, or stockholder, or (iii) for the transfer without additional consideration or at no greater than cost by gift, will, or intestate succession by any Holder to the Holder's spouse or lineal descendants or ancestors or any trust for any of the foregoing; provided that, in the case of clauses (ii) and (iii), the

transferee agrees in writing to be subject to the terms and conditions of this Agreement to the same extent as if the transferee were an original Purchaser under this Agreement.

5.2 “Market Stand-Off” Agreement. To the extent requested by the Company or an underwriter of securities of the Company, each Stockholder (as defined below) shall not sell or otherwise transfer or dispose of any Securities or other shares of stock of the Company then owned by such Stockholder (other than to donees or partners of the Stockholder who agree to be similarly bound) for up to 180 days following the effective date of the registration statement of the initial public offering of the Company (the “**IPO**”) filed under the Securities Act; provided however that, if during the last 17 days of the restricted period the Company issues an earnings release or material news or a material event relating to the Company occurs, or before the expiration of the restricted period the Company announces that it will release earnings results during the 16-day period beginning on the last day of the restricted period, and if the Company’s securities are listed on the Nasdaq Stock Market and Rule 2711 thereof applies, then the restrictions imposed by this Section 5.2 will continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event; provided, further, that such automatic extension will not apply to the extent that the Financial Industry Regulatory Authority has amended or repealed NASD Rule 2711(f)(4), or has otherwise provided written interpretive guidance regarding such rule, in each case, so as to eliminate the prohibition of any broker, dealer, or member of a national securities association from publishing or distributing any research report, with respect to the securities of an “emerging growth company” (as defined in the Jumpstart Our Business Startups Act of 2012, as amended) before or after the expiration of any agreement between the broker, dealer, or member of a national securities association and the emerging growth company or its stockholders that restricts or prohibits the sale of securities held by the emerging growth company or its stockholders after the IPO date. In no event will the restricted period extend beyond 215 days after the effective date of the registration statement. For purposes of this Section 5.2, “Company” includes any wholly-owned subsidiary of the Company into which the Company merges or consolidates. The Company may place restrictive legends on the certificates representing the shares subject to this Section 5.2 and may impose stop transfer instructions with respect to the Securities and such other shares of stock of each Stockholder (and the shares or securities of every other person subject to the foregoing restriction) until the end of such period. Each Stockholder shall enter into any agreement reasonably required by the underwriters to implement the foregoing within any reasonable timeframe so requested.

5.3 Drag Along Right. If a Deemed Liquidation Event (as defined in the Restated Certificate) is approved by each of (i) the holders of a majority of the shares of Common Stock then outstanding (other than those issued or issuable upon conversion of the shares of Series Seed Preferred Stock), (ii) the holders of a majority of the shares of Common Stock then issued or issuable upon conversion of the shares of Series Seed Preferred Stock then outstanding and (iii) the Board, then each Stockholder shall vote (in person, by proxy or by action by written consent, as applicable) all shares of capital stock of the Company now or hereafter directly or indirectly owned of record or beneficially by such Stockholder (collectively, the “Shares”) in favor of, and adopt, such Deemed Liquidation Event and to execute and deliver all related documentation and take such other action in support of the Deemed Liquidation Event as may reasonably be requested by the Company to carry out the terms and provision of this Section 5.3, including executing and delivering instruments of conveyance and transfer, and any purchase agreement, merger agreement, indemnity agreement, escrow agreement, consent, waiver, governmental filing, share certificates duly endorsed for transfer (free and clear of impermissible liens, claims and encumbrances) and any similar or related documents. The obligation of any party to take the actions required by this Section 5.3 will not apply to a Deemed Liquidation Event if the other party involved in such Deemed Liquidation Event is an affiliate or stockholder of the Company holding more than 10% of the voting power of the Company. “**Stockholder**” means each Holder and Key Holder, and any transferee thereof.

5.4 Exceptions to Drag Along Right. Notwithstanding the foregoing, a Stockholder need not comply with Section Error! Reference source not found. in connection with any proposed Sale of the Company (the “**Proposed Sale**”) unless:

(a) any representations and warranties to be made by the Stockholder in connection with the Proposed Sale are limited to representations and warranties related to authority, ownership and the ability to convey title to such Shares, including representations and warranties that (i) the Stockholder holds all right, title and interest in and to the Shares the Stockholder purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Stockholder in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Stockholder have been duly executed by the Stockholder and delivered to the acquirer and are enforceable against the Stockholder in accordance with their respective terms and, (iv) neither the execution and delivery of documents to be entered into in connection with the transaction, nor the performance of the Stockholder’s obligations thereunder, will cause a breach or violation of the terms of any agreement, law, or judgment, order, or decree of any court or governmental agency;

(b) the Stockholder will not be liable for the inaccuracy of any representation or warranty made by any other Person in connection with the Proposed Sale, other than the Company (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties, and covenants of the Company as well as breach by any stockholder of any identical representations, warranties and covenants provided by all stockholders);

(c) the liability for indemnification, if any, of the Stockholder in the Proposed Sale and for the inaccuracy of any representations and warranties made by the Company or its Stockholders in connection with such Proposed Sale, is several and not joint with any other Person (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any stockholder of any identical representations, warranties, and covenants provided by all stockholders), and except as required to satisfy the liquidation preference of the Series Seed Preferred Stock, if any, is pro rata in proportion to, and does not exceed, the amount of consideration paid to such Stockholder in connection with such Proposed Sale;

(d) liability will be limited to the Stockholder’s applicable share (determined based on the respective proceeds payable to each Stockholder in connection with the Proposed Sale in accordance with the provisions of the Restated Certificate) of a negotiated aggregate indemnification amount that applies equally to all Stockholders but that in no event exceeds the amount of consideration otherwise payable to the Stockholder in connection with the Proposed Sale, except with respect to claims related to fraud by the Stockholder, the liability for which need not be limited as to the Stockholder;

(e) upon the consummation of the Proposed Sale, (i) each holder of each class or series of the Company’s stock will receive the same form of consideration for their shares of such class or series as is received by other holders in respect of their shares of such same class or series of stock unless the holders of a majority of the shares of Series Seed Preferred Stock then outstanding elect otherwise, (ii) each holder of a series of Series Seed Preferred Stock will receive the same amount of consideration per share of such series of Series Seed Preferred Stock as is received by other holders in respect of their

shares of such same series, (iii) each holder of Common Stock will receive the same amount of consideration per share of Common Stock as is received by other holders in respect of their shares of Common Stock, and (iv) unless the holders of a majority of the shares of the Series Seed Preferred Stock then outstanding elect to receive a lesser amount, the aggregate consideration receivable by all holders of the Preferred Stock and Common Stock shall be allocated among the holders of Preferred Stock and Common Stock on the basis of the relative liquidation preferences to which the holders of each respective series of Preferred Stock and the holders of Common Stock are entitled in a Deemed Liquidation Event (assuming for this purpose that the Proposed Sale is a Deemed Liquidation Event) in accordance with the Company's Restated Certificate in effect immediately prior to the Proposed Sale.

6. PARTICIPATION RIGHT.

6.1 General. Each Major Purchaser has the right of first refusal to purchase up to the Major Purchaser's Pro Rata Share of any New Securities (as defined below) that the Company may from time to time issue after the Agreement Date, provided, however, the Major Purchaser will have no right to purchase any such New Securities if the Major Purchaser cannot demonstrate to the Company's reasonable satisfaction that such Major Purchaser is at the time of the proposed issuance of such New Securities an "accredited investor" as such term is defined in Regulation D of the Securities Act. A Major Purchaser's "**Pro Rata Share**" for means the ratio of (a) the number of shares of Common Stock issued or issuable upon conversion of the shares of Series Seed Preferred Stock owned by such Major Purchaser, to (b) the Fully Diluted Share Number.

6.2 New Securities. "**New Securities**" means any Common Stock or Preferred Stock, whether now authorized or not, and rights, options or warrants to purchase Common Stock or Preferred Stock, and securities of any type whatsoever that are, or may become, convertible or exchangeable into Common Stock or Preferred Stock; provided, however, that "New Securities" does not include: (a) shares of Common Stock issued or issuable upon conversion of any outstanding shares of Preferred Stock; (b) shares of Common Stock or Preferred Stock issuable upon exercise of any options, warrants, or rights to purchase any securities of the Company outstanding as of the Agreement Date and any securities issuable upon the conversion thereof; (c) shares of Common Stock or Preferred Stock issued in connection with any stock split or stock dividend or recapitalization; (d) shares of Common Stock (or options, warrants or rights therefor) granted or issued after the Agreement Date to employees, officers, directors, contractors, consultants or advisers to, the Company or any subsidiary of the Company pursuant to incentive agreements, stock purchase or stock option plans, stock bonuses or awards, warrants, contracts or other arrangements that are approved by the Board; (e) shares of Series Seed Preferred Stock issued pursuant to this Agreement or the 2023 Series Seed Investment Agreement; (f) any other shares of Common Stock or Preferred Stock (and/or options or warrants therefor) issued or issuable primarily for other than equity financing purposes and approved by the Board; and (g) shares of Common Stock issued or issuable by the Company to the public pursuant to a registration statement filed under the Securities Act.

6.3 Procedures. If the Company proposes to undertake an issuance of New Securities, it shall give notice to each Major Purchaser of its intention to issue New Securities (the "**Notice**"), describing the type of New Securities and the price and the general terms upon which the Company proposes to issue the New Securities. Each Major Purchaser will have ten (10) days from the date of the Notice, to agree in writing to purchase up to such Major Purchaser's Pro Rata Share of such New Securities for the price and upon the general terms specified in the Notice by giving written notice to the Company and stating therein the quantity of New Securities to be purchased (not to exceed such Major Purchaser's Pro Rata Share).

6.4 Failure to Exercise. If the Major Purchasers fail to exercise in full the right of first refusal within the ten (10) day period, then the Company will have one hundred twenty (120) days thereafter to sell the New Securities with respect to which the Major Purchasers' rights of first refusal hereunder were not exercised, at a price and upon general terms not materially more favorable to the purchasers thereof than specified in the Notice to the Major Purchasers. If the Company has not issued and sold the New Securities within the one hundred twenty (120) day period, then the Company shall not thereafter issue or sell any New Securities without again first offering those New Securities to the Major Purchasers pursuant to this Section 6.

7. ELECTION OF BOARD OF DIRECTORS.

7.1 Voting; Board Composition. Subject to the rights of the stockholders to remove a director for cause in accordance with applicable law, during the term of this Agreement, each Stockholder shall vote (or consent pursuant to an action by written consent of the stockholders) all shares of capital stock of the Company now or hereafter directly or indirectly owned of record or beneficially by the Stockholder (the "Voting Shares"), or to cause the Voting Shares to be voted, in such manner as may be necessary to elect (and maintain in office) as the members of the Board:

(a) two (2) individuals (collectively, the "Common Board Designees") designated from time to time in a writing delivered to the Company and signed by stockholders who then hold shares of issued and outstanding Common Stock of the Company representing a majority of the voting power of all issued and outstanding shares of Common Stock; and

(b) one (1) individual (the "Series Seed Board Designee" and, together with any Common Board Designees, each a "Board Designee") designated from time to time in a writing delivered to the Company pursuant to the terms and conditions of the 2023 Series Seed Investment Agreement.

Subject to the rights of the Stockholders to remove a director for cause in accordance with applicable law, during the term of this Agreement, a Stockholder shall not take any action to remove an incumbent Board Designee or to designate a new Board Designee unless such removal or designation of a Board Designee is approved in a writing signed by the parties entitled to designate the Board Designee. Each Stockholder hereby appoints, and shall appoint, the then-current Chief Executive Officer of the Company, as the Stockholder's true and lawful proxy and attorney, with the power to act alone and with full power of substitution, to vote all shares of the Company's capital stock held by the Stockholder as set forth in this Agreement and to execute all appropriate instruments consistent with this Agreement on behalf of the Stockholder if, and only if, the Stockholder (a) fails to vote or (b) attempts to vote (whether by proxy, in person or by written consent), in a manner which is inconsistent with the terms and conditions of this Agreement, all of the Stockholder's Voting Shares or execute such other instruments in accordance with the provisions of this Agreement within five days of the Company's or any other party's written request for the Stockholder's written consent or signature. The proxy and power granted by each Stockholder pursuant to this Section are coupled with an interest and are given to secure the performance of the Stockholder's duties under this Agreement. Each such proxy and power will be irrevocable for the term of this Agreement. The proxy and power, so long as any Stockholder is an individual, will survive the death, incompetency and disability of such Stockholder and, so long as any Stockholder is an entity, will survive the merger or reorganization of the Stockholder or any other entity holding Voting Shares.

8. GENERAL PROVISIONS.

8.1 Successors and Assigns. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties. Nothing in this

Agreement, express or implied, is intended to confer upon any party other than the parties to this Agreement or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement. No Stockholder may transfer Shares unless each transferee agrees to be bound by the terms and conditions of this Agreement.

8.2 Governing Law. This Agreement is governed by the Governing Law, regardless of the laws that might otherwise govern under applicable principles of choice of law.

8.3 Counterparts; Facsimile or Electronic Signature. This Agreement may be executed and delivered by facsimile or electronic signature and in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

8.4 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement. References to sections or subsections within this Exhibit B shall be deemed to be references to the sections contained in this Exhibit B, unless otherwise specifically stated herein.

8.5 Notices. All notices and other communications given or made pursuant to this Agreement must be in writing and will be deemed to have been given upon the earlier of actual receipt or: (a) personal delivery to the party to be notified, (b) when sent, if sent by facsimile or electronic mail during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient's next business day, (c) five days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one business day after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt. All communications must be sent to the respective parties at their address as set forth on the signature page or Schedule 1, or to such address, facsimile number or electronic mail address as subsequently modified by written notice given in accordance with this Section 8.5.

8.6 No Finder's Fees. Each party severally represents to the other parties that it neither is nor will be obligated for any finder's fee or commission in connection with this transaction. Each Purchaser shall indemnify, defend, and hold harmless the Company from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which the Purchaser or any of its officers, employees, or representatives is responsible. The Company shall indemnify, defend, and hold harmless each Purchaser from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which the Company or any of its officers, employees or representatives is responsible.

8.7 Attorneys' Fees. If any action at law or in equity (including arbitration) is necessary to enforce or interpret the terms and conditions of this Agreement, the prevailing party will be entitled to reasonable attorneys' fees, costs, and necessary disbursements in addition to any other relief to which the party may be entitled. Each party shall pay all costs and expenses that it incurs with respect to the negotiation, execution, delivery, and performance of this Agreement.

8.8 Amendments and Waivers. Except as specified in Section 1.2.2, any term of this Agreement may be amended, terminated or waived (either generally or in a particular instance and either retroactively or prospectively) only with the written consent of the Company and the Purchasers holding a majority of the then outstanding shares of Series Seed 1 Stock issued under this Agreement (or Common Stock issued on conversion thereof); provided, however, that any amendment to Section 7.1(a) will also require the additional written consent of the holders of a majority of the outstanding shares of

Common Stock. Notwithstanding the foregoing, the addition of a party to this Agreement pursuant to a transfer of Shares in accordance with Section 8.1 will not require any further consent. Any amendment or waiver effected in accordance with this Section 8.8 will be binding upon the Purchasers, the Key Holders, each transferee of the shares of Series Seed 1 Stock issued under this Agreement (or the Common Stock issuable upon conversion thereof) or Common Stock from a Purchaser or Key Holders, as applicable, and each future holder of all such securities, and the Company. It is specifically intended that entering into the Next Financing Agreements in a form substantially similar to the form agreements set as forth as Model Legal Documents on <http://www.nvca.org> shall be considered an amendment to this Agreement provided that it is done in accordance with this Section 8.8.

8.9 Severability. The invalidity or unenforceability of any provision of this Agreement will in no way affect the validity or enforceability of any other provision.

8.10 Delays or Omissions. No delay or omission to exercise any right, power or remedy accruing to any party under this Agreement, upon any breach or default of any other party under this Agreement, will impair any such right, power or remedy of such non-breaching or non-defaulting party nor will it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor will any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any terms or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded to any party, are cumulative and not alternative.

8.11 Termination. Unless terminated earlier pursuant to the terms of this Agreement, (x) the rights, duties and obligations under Section 4, Section 6 and Section 7 will terminate immediately prior to the closing of the Company's initial public offering of Common Stock pursuant to an effective registration statement filed under the Securities Act, (y) notwithstanding anything to the contrary herein, this Agreement (excluding any then-existing obligations) will terminate upon the closing of a Deemed Liquidation Event as defined in the Company's Restated Certificate, as amended from time to time and (z) notwithstanding anything to the contrary herein, Section 1, Section 2, Section 3, Section 4.1.2 and this Section 8 will survive any termination of this Agreement.

8.12 Dispute Resolution. Each party (a) hereby irrevocably and unconditionally submits to the personal jurisdiction of the Dispute Resolution Jurisdiction for the purpose of any suit, action, or other proceeding arising out of or based upon this Agreement; (b) shall not commence any suit, action or other proceeding arising out of or based upon this Agreement except in the Dispute Resolution Jurisdiction; and (c) hereby waives, and shall not assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not subject to the personal jurisdiction of the Dispute Resolution Jurisdiction, that its property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement, or the subject matter hereof and thereof may not be enforced in or by the Dispute Resolution Jurisdiction.
