Recognition:

GK Pastry Inc (DBA GK Pastry) started at Bay Area farmers’ markets, selling out day after day and building a loyal following on word of mouth alone. That momentum led to their first shop in Palo Alto, then Mountain View, and now with your help they’ve opened their Los Altos flagship. Since their first successful SMBX raise, they’ve added sandwiches, salads, and soups—without drifting into fine dining. At the center is Noza’s purpose: sharing the good things from her kitchen with the community she loves. She’s happiest when guests light up at the first bite—and that joy guides everything they bake.

About:

GK Pastry Inc (DBA GK Pastry) crafts baked goods with natural, top-tier ingredients and time-honored techniques. Driven by quality and consistency, their menu features flavors their grandparents grew up with. They’ve built a trusted neighborhood brand with a community that loves what they do.
