ON LOCATION IN ENGLAND

Making a period film is no small endeavor. Just 1 episode of *Bridgerton* cost 7 million dollars. The most recent adaptation of *Emma* was 10 million dollars.

Our plan for *Seeking Persephone* is to complete the film for just shy of 1 million dollars. Our goal for *Seeking Persephone* is to raise \$800,000 to film the remaining portion of the film, complete post-production and secure distribution. By keeping the cost down, it will greatly increase the likelihood our investors will make a return on their investment.

Future projections are not guaranteed.

RYANN BAILEY
as Persephone

Ryann is an actor and artist who grew up performing Shakespeare and musicals in Sacramento, CA. She spent her free time writing skits and forcing her siblings or friends to perform in them. She earned a BFA in Animation at Brigham Young University and graduated with an irrepressible desire to act again. Her full-time illustration job paid for private acting coaches and classes which led to being picked up by Whittaker Entertainment in LA and Talent Management Group in Utah. Some recent favorite projects include *Mythica Stormbound*, *Pride and Prejudice* (stage), and a Lifetime TV movie.

JAKE STORMOEN
as Aclan

American born and Australian educated, Jake Stormoen is known for his role as Dagen in the *Mythica* film series, as Duncan in the sci-fi series *Extinct*, and as Captain Garret Spears in the CW fantasy-adventure drama series *The Outpost*. Despite his close involvement with fantasy worlds, Stormoen is a versatile actor who has commanded a wide range of roles. He is equally at home starring in festive family films, historical period dramas, and romantic comedies, as he is in post-apocalyptic dystopias. Apart from acting, Jake has also worked as a writer, director, and producer.
