Community ownership of professional clubs is common in Europe. But in North America, pro teams are almost exclusively owned by billionaires. Fan Owned Club changes that. Fan Owned Club will offer a limited number of minority ownership shares in FC Pinzgau Saalfelden to the public through our website this winter.

Are you a soccer fan interested in getting more out of your Fandom? Or a successful professional looking to get in on the ground floor of a unique ownership opportunity? Join our mailing list at [www.fanownedclub.com](http://www.fanownedclub.com) or message us directly. Why just follow, when you can own?
