Jerry:

It was great hearing your voice, Jerry. Glad you got past that medical issue without serious or lasting consequence.

Here is a link to our campaign. As I mentioned, we are just sharing this with friends and insiders right now and there is a pricing advantage to committing before the public phase next month.

Thanks for considering.

I will let you know if I get a response from DP.

Cheers,

Bill

Doni:

It was great catching you with you this morning. Sounds like you are even closer to us now at your new place.

Gate 11 is just about to start the public phase of our new community crowdfunding capital raise. Right now we are only talking to friends and close associates.

In this private round the terms are about 10% better than they will be to the public. And there are a number of investment levels to consider starting at \$250.

Gate 11 has plans to greatly increase its distribution range and this capital raise is an integral part of making that happen.

So if you like what we are doing and want to help be part of making it grow, join us!

Gordon:

Here is the link to follow to process your crowdfunding investment. It is important that you get this done before we go public Thursday. A few folks have had some issues with the site so let me know if it gives you trouble.

David

It was great catching up with you today. Say hi to Joey from me when you can.

I'd love to hear your feedback on this pitch. We are still in the private/friends only phase so tweaks can still be made to improve it.

Also, I'd love a quote from you about my distilling capabilities.

and...it would be great having you involved here if only for a small amount.

Cheers,
