1.1 Sale of Common Class CF Units. 2.2 Payment; Delivery. Purchaser shall pay to the Company the total Purchase Price upon execution of this Agreement by ACH, credit card or wire transfer to the escrow facilitator, North Capital Private Securities (the “Escrow Facilitator”), such payment to be held by the Escrow Facilitator until such time that it either (a) refunded to Purchaser or (b) Closing. To achieve this purpose, the Company is offering up to five million (5,000,000) of its Common Class CF Units in a Regulation Crowdfunding offering (the “Offering”), the proceeds of which, once invested in Home to Harmony, will help finance the writing, production and distribution of the television series *Home to Harmony*. In accordance with the directions of the Company’s manager, Harmony Productions Inc., a Delaware corporation (the “Manager”), as it shall be constituted in accordance with the Operating Agreement, the proceeds from the sale of the Common Class CF Units shall be used to accelerate the Company’s growth and for general working capital purposes.

The Common Class CF Units being purchased by the Purchasers hereunder, when issued, sold and delivered in accordance with the terms of this Agreement for the consideration expressed herein, will be duly and validly issued and fully paid and will be free of restrictions on transfer other than restrictions on transfer under this Agreement, the Operating Agreement and under applicable state and federal securities laws.

The execution and delivery by the Company of this Agreement and the Other Agreements, and the consummation of the transactions contemplated hereby and thereby, including but not limited to the sale and issuance of the Common Class CF Units pursuant to this Agreement, do not and will not (with or without due notice, lapse of time, or both): (i) conflict with or result in a breach of the terms, conditions or provisions of, (ii) constitute a default under, (iii) result in the creation of any lien, security interest, charge or encumbrance upon the Common Class CF Units of the Company's assets pursuant to, or (iv) require any authorization, consent, approval, exemption or other action by or notice or declaration to, or filing with, any court or administrative or governmental body or agency pursuant to, the Company's Certificate of Formation, the Operating Agreement, any law, statute, rule or regulation to which the Company is subject, or any instrument, order, judgment or decree to which the Company is subject, or any agreement to which the Company is a party.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE PURCHASERS

Each Purchaser hereby represents and warrants to the Company with respect to the purchase of the Common Class CF Units as follows:

4.1 Company Documents. Such Purchaser declares that he, she or it has carefully read, understands, and agrees to abide by the terms set forth in this Agreement and the Operating Agreement, including without limitation, (a) the fee arrangements, (b) all other terms of the offering, including all risk factors, tax considerations, ERISA considerations, and withdrawal, redemption, transfer and other restrictions, and (c) all of the powers, duties and obligations of the Manager and its actual or potential conflicts of interest. Purchaser confirms that the Company or its representative has made available to Purchaser the opportunity to ask questions of, and receive answers from, the Company concerning the Company and the terms and conditions of this offering, and to obtain any additional information that the Company had in its possession or was able to acquire without unreasonable effort or expense that was necessary to verify the accuracy of the information.

4.2 Sophisticated Investor. Such Purchaser acknowledges that Purchaser is able to fend for himself, herself or itself, can bear the economic risk of its investment, and has such knowledge and experience in financial or business matters that he, she or it is capable of evaluating the merits and risks of the investment in the Common Class CF Units.

4.3 Investment Limitations; Acceptance of Subscription. Purchaser is aware of its investment limitations based on Purchaser's annual net income, net worth and previous investments through other regulation crowdfunding offerings and is compliant with such limitations based on the total amount of Common Class CF Units purchased. Any and all documents delivered by such Purchaser in connection with the Offering, including this Agreement, are true and complete in all respects, and none of the foregoing include an untrue statement of a fact or omit to state a fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading. Such Purchaser hereby acknowledges and agrees that the Company may need to request additional information from such Purchaser before the Company is able to determine whether to accept or reject such Purchaser's subscription, and Purchaser agrees to provide such information in a timely manner. If such Purchaser's subscription is rejected, the Company shall return any funds transferred to the Escrow Facilitator by such Purchaser as soon as practicable, without interest, along with this Agreement and any other documents delivered to the Company by such Purchaser. Purchaser understands and agrees that the Offering may not close for Purchaser until his, her or its identity is verified and approved with the Escrow Facilitator, and such Purchaser's payment of the Purchase Price has cleared the escrow account.

4.4 Economic Risk. Such Purchaser understands that the purchase of the Common Class CF Units hereunder is a speculative investment which involves a high degree of risk of loss of such Purchaser's investment therein. Such Purchaser is able to bear the economic risk of his, her or its investment in the Common Class CF Units for an indefinite period of time, including the risk of a complete loss of such Purchaser's investment in such securities. Such Purchaser acknowledges that the Common Class CF Units have not been registered under the Securities Act and, therefore, cannot be sold unless subsequently registered under the Securities Act or an exemption from such registration is available. The foregoing does not, however, limit or modify the representations and warranties of the Company set forth in Article 3 of this Agreement or the right to such Purchaser to rely thereon.

4.5 Investment. This Agreement is made with such Purchaser in reliance upon such Purchaser's representation to the Company, which by such Purchaser's execution of this Agreement, such Purchaser hereby confirms, that the Common Class CF Units to be acquired by such Purchaser will be

acquired for investment for such Purchaser's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that such Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Agreement, such Purchaser further represents that the Purchaser does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Common Class CF Units. If other than an individual, the Purchaser also represents that it has not been formed for the specific purpose of acquiring the Common Class CF Units.

4.6 Execution, Delivery and Performance. Such Purchaser has full right, power and authority to execute and deliver this Agreement, the Operating Agreement and the Other Agreements and to perform his, her or its obligations hereunder and thereunder. Such Purchaser acknowledges and agrees that the Common Class CF Units purchased will be subject to the terms and provisions of this Agreement, the Operating Agreement and the Other Agreements. This Agreement, the Operating Agreement and the Other Agreements, when so executed and delivered by such Purchaser, will constitute valid and binding obligations of such Purchaser, enforceable against such Purchaser in accordance with their respective terms, except as may be limited by principles of public policy, and subject to laws of general application relating to bankruptcy, insolvency and the relief of debtors and rules of law governing specific performance, injunctive relief or other equitable remedies. No consent, approval, authorization, order, filing, registration or qualification of or with any court, governmental authority or third person is required to be obtained by such Purchaser in connection with the execution and delivery of this Agreement, the Operating Agreement or the Other Agreements or the performance of such Purchaser's obligations hereunder or thereunder.

4.7 Restricted Securities. Such Purchaser understands that the Common Class CF Units have not been, and will not be, registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of the Purchaser's representations as expressed herein. Such Purchaser understands that the Common Class CF Units are "Restricted Securities" under applicable United States federal and state securities laws and that, pursuant to these laws, such Purchaser must hold the Common Class CF Units indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities or an exemption from such registration and qualification requirements is available. Such Purchaser acknowledges that the Company has no obligation to register or qualify the Common Class CF Units for resale. Such Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Common Class CF Units, and on requirements relating to the Company which are outside of such Purchaser's control, and which the Company is under no obligation and may not be able to satisfy.

4.8 No Public Market. Such Purchaser understands that no public market now exists for any of the securities issued by the Company and that the Company has made no assurances that a public market will ever exist for the Company's securities.

4.9 Access to Data. Such Purchaser acknowledges that he, she or it has had a full opportunity to ask questions and receive answers concerning the terms and conditions of the offering of the Common Class CF Units, and has had full access to the Company's Manager and officers and such other information concerning the Company as he, she or it has requested. The foregoing, however, does not limit or modify the representations and warranties of the Company set forth in Article 3 of this Agreement or the right of such Purchaser to rely thereon.

4.10 Legends. Such Purchaser understands that the Common Class CF Units, and any securities issued in respect of or exchange for the Common Class CF Units, may bear any one or more of the following

legends: (a) any legend set forth in, or required by, the Operating Agreement; (b) any legend required by the securities laws of any state to the extent such laws are applicable to the Common Class CF Units represented by the certificate so legended; and (c) the legend substantially as follows:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO TRANSFER MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933, AS AMENDED.

THE SALE, PLEDGE, HYPOTHECATION OR TRANSFER OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE IS SUBJECT TO, AND IN CERTAIN CASES PROHIBITED BY, THE TERMS AND CONDITIONS OF A CERTAIN OPERATING AGREEMENT BY AND AMONG THE COMPANY AND ITS MEMBERS, A COPY OF WHICH MAY BE OBTAINED UPON WRITTEN REQUEST TO THE SECRETARY OF THE COMPANY.”

4.11 No Chargeback. Such Purchaser (i) has not shared access to their platform account on the VAS Portal, LLC website (invest.angel.com), (ii) has provided their personally identifiable information to verify their identity, and (iii) is making all representations on their own behalf such that such Purchaser cannot claim non-authorization of payment as an excuse to request a chargeback of their Purchase Price.

4.12 Exculpation Among Purchasers. Such Purchaser acknowledges that he, she or it is not relying upon any person, other than the Company and its officers and Manager, in making its investment or decision to invest in the Company. Such Purchaser agrees that neither any Purchaser nor the respective controlling persons, officers, directors, managers, partners, agents, or employees of any Purchaser shall be liable to any other Purchaser for any action heretofore taken or omitted to be taken by any of them in connection with the purchase of the Common Class CF Units.

4.13 Brokers or Finders. Such Purchaser has not incurred and will not incur, directly or indirectly, as a result of any action taken by such Purchaser, any liability for brokerage or finders’ fees or agents’ commissions or any similar charges in connection with this Agreement.

4.14 Residence. If such Purchaser is an individual, then such Purchaser resides in the state identified in the address of the Purchaser set forth on the signature page, and is at least eighteen (18) years of age; if the Purchaser is a partnership, corporation, limited liability company or other entity, then its principal place of business is located at the address identified in the address of the Purchaser set forth on the signature page.

4.15 Benefit Plans. If such Purchaser is an ERISA Plan or an IRA or a Keogh plan subject to Section 4975 of the Code, the person signing this Agreement on behalf of the Purchaser is or is acting at the direction of, a plan fiduciary duly authorized to sign this Agreement on behalf of the plan (the “Authorized Fiduciary”). The Authorized Fiduciary has independently determined that the investment by the plan in the Company satisfies all requirements of ERISA, if applicable, specifically including the “prudent man” standard of ERISA Section 404(a)(1)(B) and the “diversification” standard of ERISA Section 404(a)(1)(C), and is not a prohibited transaction under any provision of ERISA Section 406 or Code Section 4975. If the Purchaser has identified to the Company that it is not currently a Benefit Plan Investor,

but the Purchaser becomes a Benefit Plan Investor, such Purchaser will disclose to the Manager promptly in writing such fact and also the percentage of such Purchaser's equity interest held by Benefit Plan Investors.

4.16 Tax Matters.

A. If such Purchaser is a "charitable remainder trust" within the meaning of Section 664 of the Internal Revenue Code of 1986, as amended (the "Code"), the Purchaser has advised the Manager in writing of such fact and such Purchaser acknowledges that it understands the risks, including specifically the tax risks, if any, associated with its investment in Company.

B. If such Purchaser is, for United States federal income tax purposes, a partnership, a grantor trust, a limited liability company taxed as a partnership or an S corporation: (a) substantially all of the value of each of the Purchaser's beneficial owner's interest (direct or indirect) in the entity that is acquiring the Common Class CF Units is not, and will not be at any time during the term of the Company, attributable to such entity's interest (direct or indirect) in the Company, and (b) such entity was not formed, and is not being used, for the purpose of limiting the number of partners in the Company in order to permit the Company to satisfy the 100-partner limitation contained in the "publicly traded partnership" rules of Section 7704(b) of the Code and regulations issued thereunder (the "Treasury Regulations").

C. Such Purchaser understands that if it (or, if the Purchaser is treated as a partnership or a disregarded entity for U.S. federal income tax purposes, any beneficial owner thereof) is otherwise exempt from tax, an investment in the Company may produce income that constitutes "unrelated business taxable income" within the meaning of Section 512 of the Code for federal income tax purposes, including by reason of the "debt-financed property" rules of the Code.

D. Such Purchaser understands that if it is not a United States Person (as defined below), an investment in the Company may subject the Purchaser to significant United States income taxes, including withholding taxes, and may subject the Purchaser to certain United States tax reporting and filing obligations.

E. Such Purchaser is not acquiring the Common Class CF Units with a view to realizing benefits under United States federal income tax laws, and no representations have been made to the Purchaser that any such benefits will be available as a result of the Purchaser's acquisition, ownership or disposition of the Common Class CF Units.

F. If such Purchaser is a United States Person (as defined below): The Purchaser certifies under penalties of perjury that the Purchaser is a United States Person. For this purpose, "United States Person" means (i) a citizen or resident of the United States, (ii) an entity created or organized in or under the laws of the United States or any political subdivision thereof that is treated for United States federal income tax purposes as a corporation or partnership, (iii) a trust, if either the (A) administration of which a court within the United States is able to exercise primary supervision over or for which one or more United States Persons (including individual citizens or residents of the United States) has the authority to control all substantial decisions or (B) trust has a valid election in effect to be treated as a United States Person or (iv) an estate the income of which is or will be subject to United States federal income taxation regardless of its source. ***The Purchaser has consulted its own tax adviser regarding other forms that may be delivered to the Company to reduce or eliminate withholding or other taxes.***

G. If such Purchaser is not a United States Person: The Purchaser certifies under penalties of perjury that the Purchaser is not a United States Person. The Purchaser has attached to this Agreement a properly completed and duly executed appropriate IRS Form W-8 that is accurate with respect to the

Purchaser and its beneficial owners (as applicable). The Purchaser agrees to promptly notify the Manager and provide the Manager with a new properly completed and duly executed original of such form in the event any information the Purchaser provided thereon becomes inaccurate or obsolete. In addition, upon request of the Manager, the Purchaser will provide the Manager with a new properly completely and duly executed original of IRS Form W-8BEN, IRS Form W-8BEN-E or such other IRS Form W-8 applicable to the Purchaser within three (3) calendar years of the date on which it initially invested in the Company. *The Purchaser has consulted its own tax adviser regarding other forms that may be delivered to the Company to reduce or eliminate withholding or other taxes.*

H. Such Purchaser has reviewed with the Purchaser's own tax advisors the U.S. federal, state, local and foreign tax consequences of an investment in the Company, and the Purchaser will look solely to, and rely upon, its own advisers with respect to the tax consequences of the Purchaser's investment in the Common Class CF Units. Such Purchaser shall be responsible for the Purchaser's own tax liability that may arise as a result of the transactions contemplated by this Agreement and the Operating Agreement. Such Purchaser is relying solely on its own advisors with respect to the tax consequences to the Purchaser attributable to the Common Class CF Units and the provisions of this Agreement and the Operating Agreement.

Except as expressly provided herein, no delay or omission to exercise any right, power or remedy accruing to either the Purchaser or the Company upon any breach or default of the other under this Agreement, shall impair any such right, power or remedy of such party nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any party as to any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded to any party, shall be cumulative and not alternative.

6.8 Expenses. The Company and the Purchasers shall each bear the entire cost of its own expenses and legal fees incurred on their behalf with respect to this Agreement, the Operating Agreement, the Other Agreements and the transactions contemplated hereby and thereby. If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled.

6.9 Severability. In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, invalid, unenforceable or void, this Agreement shall continue in full force and effect without said provision. In such event, the parties shall negotiate, in good faith, a legal, valid and enforceable substitute provision which most nearly effects the intent of the parties in entering into this Agreement.

6.10 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not considered in construing or interpreting this Agreement.

6.11 Counterpart Execution. This Agreement may be executed in two or more counterparts, all of which shall, in the aggregate, be considered to be one Agreement. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.
