Joshua Jancewicz

Company Owner at Donna's Pickle Beer

Summary

With over 20 years of experience in the bar and restaurant industry, I've developed expertise in bar management, team leadership, customer service, and event planning. Over the years, I've created innovative guest experiences, managed high-volume operations, and led diverse teams to success.

In addition to my career in hospitality, I'm now the proud founder of Donna's Pickle Beer, a craft beer brand that brings a unique twist to the world of brewing. Our signature beer blends the tangy refreshment of pickles with the smoothness of craft beer, creating an unforgettable drink for adventurous beer lovers. As the owner, I handle all aspects of business development— from production to marketing and distribution— and I'm passionate about growing the brand within the competitive craft beer market.

Previously, I've also worked with premium brands like Grey Goose as a Brand Ambassador, where I honed my skills in brand promotion, product knowledge, and customer engagement. With a strong foundation in both hospitality and entrepreneurship, I'm committed to creating outstanding experiences for customers and making my mark in the craft beverage industry.
