Dear Danielle,

I'm excited to announce that ExactRx has launched its **Wefunder campaign**! We are transforming healthcare by enabling AI-powered smart care facilities, improving patient outcomes, and enhancing operational efficiency.

Check out our campaign here: [ExactRx on Wefunder](#).

With a secured contract from a medical device company and 200+ Ambulatory Surgery Centers in our pipeline, we're on track for rapid growth. We invite you to invest in this exciting phase and join us in shaping the future of healthcare.
