Initial research funded by the National Science Foundation!

LET'S KEEP IT GOING!

We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through the Wefunder platform. Any indication of interest involves no obligation or commitment of any kind.
