COMPANY OVERVIEW

Geek Chic LLC, operator of Space Bar, our first bar as an immersive molecular mixology lounge located in Market Square, Pittsburgh. Since our launch in late 2023, we've proven strong market fit through experiential branding, strategic partnerships, and beverage-led profitability.

Company History

Space Bar began as a bold idea: to create an immersive, space-themed cocktail lounge that combines world-class mixology with geek chic culture. Founded by sci-fi writer and marketing executive Dale Thomas Vaughn and hospitality veteran Elizabeth Menzel, the concept was born in 2022 and brought to life in the heart of Pittsburgh's Market Square in late 2023.

Backed by an SBA loan, community investment, and a deep love for science, storytelling, and cocktails, we opened our doors with a clear mission—to become the most imaginative and elevated bar experience in Pittsburgh. In our first year, we grossed over \$700K in revenue, established partnerships with organizations like the Moonshot Museum and Pittsburgh Downtown Partnership, and created a loyal guest base with our signature events, themed nights, and award-worthy cocktails.

Now, Space Bar is at a turning point—ready to scale with a new product line (ready-to-drink cocktails), a second location, and even deeper community programming. We're launching this Honeycomb raise to fuel that next chapter of growth.

ANTICIPATED BUSINESS PLAN

This raise will directly strengthen and scale Space Bar across four key areas: stability, revenue growth, product expansion, and brand visibility.

First, the Market Square construction from April 2025 to April 2026 is expected to reduce downtown foot traffic and limit city-run festivals that normally boost our sales. The funds from this raise will help us maintain stability through that period—allowing us to retain staff, activate offsite events, and market directly to customers instead of relying on walk-ins.

Second, we’re launching a ready-to-drink (RTD) cocktail line in partnership with Iron City Distilling. This gives us a scalable product we can sell outside our four walls—at festivals, retail stores, and through partner venues. It also lowers in-house costs and improves our margins.

Third, we plan to open a second location by the end of 2025. These funds will help us secure the lease, build out the space, train staff, and launch with strong community momentum.

Finally, this raise supports targeted marketing, new events, and outdoor seating—all of which will drive traffic, deepen loyalty, and increase our average guest spend.

In short, this capital raise bridges a known challenge and accelerates multiple, high-confidence growth opportunities.

Below is a summary of the Company’s expected use of funds. Funds raised in this offering will be used in descending priority order.

<i>Item</i>	<i>Cost</i>
Construction Resilience & Core Stability	\$50,000.00
Product Expansion – RTD Line Launch	\$35,000.00
Bar Upgrades	\$20,000.00
Marketing	\$19,000.00
Total	\$124,000.00

RISK FACTORS

A crowdfunding investment involves risk. You should not invest any funds in this offering unless you can afford to lose your entire investment. In making an investment decision, investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved. These securities have not been recommended or approved by any federal or state securities commission or regulatory authority. Furthermore, these authorities have not passed upon the accuracy or adequacy of this document.

The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.

These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination that these securities are exempt from registration.

You Might Lose Your Money

When you buy a certificate of deposit from a bank, the Federal government (through the FDIC) guarantees you will get your money back. Buying a Security is not like that at all. The ability of the Company to make the payments you expect, and ultimately to give you your money back, depends on a number of factors, including many beyond our control.

COVID-19 Might Have a Negative Material Effect on the Company

This offering is being launched at a time when the COVID-19 pandemic is requiring the closure of many businesses, large and small. The effects COVID-19 may have on economic activity are likely substantial and unknown; there is no guaranty the Company will not suffer material negative effects as a direct or indirect result of the pandemic.

Competition

The market in which we operate is highly competitive. The Company competes with many other businesses, both large and small, on the basis of quality and price of products, location and customer experience. Changes in customer preference away from the Company's core business or the inability to compete successfully against other competitors could negatively affect the Company's financial performance.

Licensing Risk

The Company may face changes in the state and federal laws in connection to any licensing required for the sale of its products. Such changes would require the dedication of Company resources to address or amend its current operations which may adversely affect its business strategy or profitability.

Interest Rate Might Not Adequately Compensate For Risk

Theoretically, the interest rate paid by a company should compensate the creditor for the level of risk the creditor is assuming. There is no certainty that the interest rate on your Security will compensate you adequately for the level of risk.

No Right to Participate in Management

As the owner of a Security, you will not have the right to control the Company in any way or to participate in its management. You should invest (buy a Security) only if you are willing to rely completely on the Company's management team.

Reliance On Management Team

Like almost all small businesses, the Company relies exclusively on the abilities of its management team. Should any of them die, leave the Company, or become ill for a long period of time, the Company would be damaged and might not repay your Security.

Limited Products And Services

Most small, local businesses sell only one or two products or services, making them vulnerable to changes in technology and/or customer preferences.

Supplier Risk

The Company relies on third-party suppliers for the materials used in the manufacture of its products. If any of these suppliers changes the pricing, distribution, terms of service, or relationship with the Company, this could materially affect its business and/or profitability. Factors outside of the Company's control, including general market conditions, may affect its relationship with these suppliers. In addition, its ability to meet the obligations of its customers may be adversely affected if its suppliers fail to comply with agreed-upon services or quality standards in a cost-effective or timely manner.

Risk of Economic Downturn

The products the Company sells are luxuries, not necessities. In the event of a recession or other economic downturn, customers might curtail their purchase of our products.

Environmental Risk

The Company is subject to the risk of environmental liability and limitations on operations due to environmental laws and regulations. The Company is subject to extensive federal, state, and local environmental, health and safety regulations. The risks of substantial costs and liabilities related to compliance with these laws and regulations is an inherent part of the Company's business. Future conditions may develop or be discovered that create substantial environmental compliance or remediation liabilities and costs.

Price Risk

The Company competes in an industry with a commodity product where the Company may not have control of the prices it will receive for its product or the prices it must pay for inputs. Price uncertainty may negatively impact the Company's business and financial situation.

Use of Funds Risk

At the discretion of the Company's executive management team, funds raised in this offering may be used differently than specifically outlined in this document's Use of Funds section.

Personnel Risk

The Company uses human personnel to produce its product. Accidents, illnesses, death, divorce, or lack of productivity could negatively impact the ability of personnel and, therefore, the business.

Lack Of Accounting Controls

Larger companies typically have in place strict accounting controls. Smaller companies like the Company lack these controls, exposing themselves to additional risk.

Reputation Risk

The success of the Company depends on the reputation of its brand. Adverse publicity concerning the Company's products or the Company itself could negatively impact the future of its business.

The Company Might Need More Capital

The Company might need to raise more capital in the future to expand its operations, buy property and equipment, hire drivers and other personnel, market its products and services, pay overhead and general administrative expenses, or a variety of other reasons. There is no assurance that additional capital will be available when needed, or that it will be available on terms that are not adverse to your interests as an investor. If the Company is unable to obtain additional funding when needed, it could be forced to delay its business plan or even cease operations altogether.

Future Investors Might Have Superior Rights

If the Company needs more capital in the future, it might borrow money and/or sell stock, and the new investors might have rights superior to those of an investor owning a Security. For example, they might have the right to be paid before you are, to receive larger distributions, to have a greater voice in management, or otherwise.

Inability To Sell Your Security

The law prohibits you from selling your Security (except in certain very limited circumstances) for one year after you acquire it. Even after that one-year period, a host of Federal and State securities laws may limit or restrict your ability to sell your securities. Even if you are permitted to sell, you will likely have difficulty

finding a buyer because there will be no established market. Given these factors, you should be prepared to hold your Security for its full term.

Limitation of Individual Rights in Event of Default

In the event of a default under the Securities, an individual investor will not have the right to enforce his, her or its rights – for example, by bringing a lawsuit. Instead, the investors will appoint a representative using a procedure set forth in the Security Agreement. It's possible that the investors as a group will appoint a representative you don't like, or that the representative will do things you believe are wrong or misguided. Once a default has occurred and a representative has been appointed, all the expenses of the representative must be paid before any further payments are made with respect to the Security.

Lack of Key Man Insurance

Although dependent on key personnel, the Company does not have any key man life insurance policies on any such people. In the event that such personnel die or become disabled, the Company will not receive compensation to assist for their absence and the loss of such person could negatively affect the Company.

The Owners Could Be Bad People Or Do Bad Things

The owners of the Company could be dishonest and take your money. Even people who are very honest sometimes do dishonest things in desperate situations – for example, when their company is on the line, or they're going through a divorce or other stressful life event. It is possible that the management of the Company, or an employee, would steal from or otherwise cheat the Company, and you.

Uninsured Losses

Although the Company will carry some insurance, we might not buy enough insurance to guard against all the risks of our business. Also, there are some kinds of risks that are simply impossible to insure against, at least at a reasonable cost. Therefore, we could incur an uninsured loss that could damage our business.

Conflict Of Interest

In many ways your interests and the interests of the Company's management team will coincide: you all want the Company to be as successful as possible. However, your interests might be in conflict in other important areas, including these:

- You might want to keep the compensation of managers low, while managers want to make as much as they can.
- You might want the Company to act conservatively to conserve its cash, while the management team might want to grow more quickly.
- You might want the Company to look out for your interests, while the management team might subordinate your interests to the interests of employees, other investors, or others.
- The lawyers who prepared the legal documents represent the interests of the Company, not the interests of investors.

No Registration Under Securities Laws

The Security will not be registered with the SEC or the securities regulator of any State. Hence, neither the Company nor the Security are subject to the same degree of regulation and scrutiny as if they were registered.

Incomplete Offering Information

Title III does not require us to provide you with all the information that would be required in some other kinds of securities offerings, such as a public offering of shares (for example, publicly-traded firms must generally provide investors with quarterly and annual financial statements that have been audited by an independent accounting firm). Although Title III does require extensive information, as described above, it is possible that you would make a different decision if you had more information.

Lack Of Ongoing Information

The Company will be required to provide some information to investors for at least one year following the offering. However, this information is far more limited than the information that would be required of a publicly-reporting company; and the Company will be allowed to stop providing annual information in certain circumstances.

The Company is Not Subject to the Corporate Governance Requirements Of National Securities Exchanges

Any company whose securities are listed on a national stock exchange (for example, the New York Stock Exchange) is subject to a number of rules about corporate governance that are intended to protect investors. For example, the major U.S. stock exchanges require listed companies to have an audit committee made up entirely of independent members of the board of directors (i.e., directors with no material outside relationships with the company or management), which is responsible for monitoring the company's compliance with the law. The Company will not be required to implement these and other investor protections.

Cost of Enforcement

If the Company defaulted, investors would have to engage lawyers and possibly other third parties to enforce their rights. The cost of enforcement could be prohibitive.

Other Lenders Could Have Superior Rights

The Company will take out other loans. In itself this is not risky, but these lenders will likely have a claim to collateral superior to the collateral claimed by the Security. For example, the lenders might have a claim to the future cash flows or equity ownership of the Company, or the equipment owned by the Company whereas the Security has a claim to the equipment purchased with its own proceeds. Moreover, the lenders might have clauses in their lending agreements with the Company that compel the Company to pay them first over other lenders. If the Company runs out of cash, and has a choice to pay the other lenders or the Holders of the Security, it might decide (or be required) to pay its other lenders first.

USE OF FUNDS

	Minimum Target Goal	Maximum Target Goal
Total Proceeds	\$30,000.00	\$124,000.00
Less: Intermediary Fee*	- \$2,550.00	- \$10,540
Net Proceeds	\$27,450.00	\$113,460.00

If the sum of the investment commitments does not equal or exceed the Minimum Target Goal amount as of the Offering Deadline, no securities will be sold in the offering, investment commitments will be canceled, and all committed funds will be returned.

TRANSACTION MECHANICS

The following describes the process to invest in Geek Chic LLC and how an investor's transaction and delivery of securities will be completed.

- a. *Investor Commitment*: Through the Honeycomb Portal, an investor will submit a requested investment amount. As a part of this process, an investor will execute an investment contract with Geek Chic LLC ("Membership Interest Purchase Agreement") by way of the investor's electronic signature.
- b. *Acceptance of Investment*: Upon completion of the investment commitment, the investor will receive via email a confirmation of their transaction detailing the amount, terms, and date of execution.
- c. *Investor Transfer of Funds*: Upon receiving confirmation that an investment has been accepted, the investor will transfer funds to the escrow account of a third-party bank managed by Honeycomb Portal.
- d. *Early Closings*: If the target offering amount is met prior to the original deadline date, we may close the offering earlier, but no less than 21 days after the date on which the Form C is posted on the Honeycomb Portal.
- e. *Book Entry*: All investments will be in book entry form. This means that the Investor will not receive a certificate representing their investment. Each investment will be recorded by Honeycomb Portal and visible by the investor through their Investor Dashboard.

Investors may cancel an investment commitment until 48 hours prior to the deadline identified in these offering materials.

The intermediary will notify investors when the target offering amount has been met.

If the issuer reaches the target offering amount prior to the deadline identified in the offering materials, it may close the offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment).

If an investor does not cancel an investment commitment before the 48-hour period prior to the offering deadline, the funds will be released to the issuer upon closing of the offering and the investor will receive securities in exchange for his or investment.

If an investor does not reconfirm his or her investment commitment after a material change is made to the offering, the investor's investment commitment will be cancelled and the committed funds will be returned.

The Qualified Third Party of the Offering is Thread Bank.

Note: For more information about the investment and cancellation process, see Honeycomb's Education Materials.

Details of Security Being Offered

The securities being offered to investors are Membership Units. They are governed by a separate document called Membership Interest Purchase Agreement, which you can view on the "Investor Info" tab of the campaign page.

This section summarizes the principal features of the Membership Interest Purchase Agreement. However, this is only a summary. Before investing, you should read the Membership Interest Purchase Agreement in its entirety.

- The principal amount of your investment will be the amount you invest.
- All communications from the Company, including but not limited to all tax forms, will be via electronic delivery.
- Once you pay for your Security, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company.
- If there is a default under your Security, you may not take collection action personally. Instead, you and the other investors will together appoint a single representative to represent all of you. This Administrative Agent will have the power to take any action against the Company that he or she believes is appropriate. The fees and any expenses of the Administrative Agent will be the responsibility of the Company, but the Administrative Agent will be paid before any additional amounts are paid to you or other investors.
- If you want to sell your Security, you must first offer to sell it back to the company – a so-called "first right of refusal." If the Company doesn't buy it, the Company may impose restrictions on the transfer. For example, the Company may require a legal opinion that the transfer is allowed under the securities laws.
- The Security offered does not have any voting rights.
- The Terms of Security being offered may not be modified or amended.

Restrictions on Transfer of the Securities Being Offered

The security will be illiquid (meaning you might not be able to sell it) for four reasons:

- The security prohibits the sale or other transfer of securities without the Company's consent.
- If you want to sell your security, the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for the security as there would be for a publicly-traded company.
- For a period of one year, you will not be allowed to transfer the security except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iv) in a public offering of the Company's shares.

As a result, you should plan to hold your security until maturity.

ADDITIONAL MATTERS RELATED TO THE SECURITY

1. How may the rights of the securities being offered be materially limited, diluted or qualified by the rights of any other class of security identified above?

The Company does not have the right to change the terms of the Security Agreement. However, it does have the right to create additional classes of securities, both equity securities and debt securities. Some of these additional classes of securities could have rights that are superior to those of the security agreement. For example, the Company could issue security agreements that are secured by specific property of the Company.

2. Are there any differences not reflected above between the securities being offered and each other class of security of the issuer?

n/a

3. How could the exercise of rights held by the principal shareholders affect the purchasers of the securities being offered?

The principal shareholders could make decisions that are bad for the company and thereby adversely affect the economic interests of investors holding security agreement. They could also issue other classes of securities with rights superior to those of investors holding security agreement.

4. *How are the securities being offered being valued? Include examples of methods for how such securities may be valued by the issuer in the future, including during subsequent corporate actions.*

The value of the Security is determined by the face amount of the security payable to be issued. The terms of the Security were determined by the Owner based on the Owner's opinion about the value of the project.

The Owner does not expect there to be any reason to place a value on the security in the future. In the event that future valuation is required, any value given by the company will be determined in accordance with U.S. generally accepted accounting principles.

5. *What are the risks to purchasers of the securities relating to minority ownership in the issuer?*

The company could issue securities with rights superior to those of the security agreement.

6. *What are the risks to purchasers associated with corporate actions, including additional issuances of securities, issuer repurchases of securities, a sale of the issuer or of assets of the issuer or transactions with related parties?*

The company could issue securities with rights superior to those of the security agreement.

Transactions with related parties – for example, the payment of excessive compensation – could reduce the amount of money available to make payments with respect to the security agreement.

7. *What other exempt offerings has the issuer conducted within the past three years?*

None

8. *The issuer or any entities controlled by or under the common control with the issuer was not a party to any transaction since the beginning of the issuer's last fiscal year, or any currently proposed transaction, where the amount involved exceeds five percent of the aggregate amount of capital raised by the issuer in reliance on Section 4(a)(6) of the Securities Act during the preceding 12-month period, including the amount the issuer seeks to raise in the current offering, in which any of the following persons had or is to have a direct or indirect material interest:*

1. *any director or officer of the issuer;*
2. *any person who is, as of the most recent practicable date, the beneficial owner of 20 percent or more of the issuer's outstanding voting equity securities, calculated on the basis of voting power;*
3. *if the issuer was incorporated or organized within the past three years, any promoter of the issuer;*
4. *or (4) any immediate family member of any of the foregoing persons.*

None

1. Investor's Review of Information and Investment Decision

- 1.1 The Investor understands that the SPV will not register as an investment company under the U.S. Investment Company Act of 1940, as amended (the "**Investment Company Act**"), nor will it make a public offering of its securities within the United States.
- 1.2 The Investor has carefully read and understands the Company Information. The Investor acknowledges that it has made an independent decision to invest indirectly in the Company through the SPV and that, in making its decision to invest in a SPV, the Investor has relied solely upon the Company Information, any other relevant information on the Platform, and independent investigations made by the Investor. The Investor understands that no representations or warranties have been made to the Investor by the Honeycomb Parties, the SPV, any administrator appointed from time to time with respect to the SPV (the "**Administrator**"), any lead investor appointed from time to time with respect to the SPV, if any, (the "**Lead Investor**"), or any partner, member, officer, employee, agent, affiliate or subsidiary of any of them regarding the Company.
- 1.3 The Investor has been provided an opportunity to request additional information concerning the Company and the offering through the **Ask A Question** feature on Honeycomb.com.
- 1.4 The Investor understands and agrees that no Honeycomb Party shall be liable in connection with any information or omission of information contained in materials prepared or supplied by the Company. Such materials may include, but are not limited to, information provided by the Company in the Form C related to the offering, information available through the Platform, and materials distributed to the Investor by the SPV on behalf of a Company.
- 1.5 The Investor represents and agrees that no Honeycomb Party has recommended or suggested any investment in a SPV, or any investment related to a Company, to the Investor.
- 1.6 Investor understands that no Honeycomb Party is an adviser to Investor, and that Investor is not an advisory or other client of any Honeycomb Party.
- 1.7 The Investor is not relying on any Honeycomb Party or any other person or entity with respect to the legal, accounting, business, investment, pension, tax or other economic considerations involved in this investment other than the Investor's own advisers that are not affiliated with any of the foregoing persons.
- 1.8 The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of the Investor's investment in the SPV and is able to bear such risks. The Investor has obtained, in the Investor's judgment, sufficient information to evaluate the merits and risks of such investment. The Investor has evaluated the risks of investing in the SPV, understands there are substantial risks of loss incidental to the purchase of an Interest and has determined that the Interest is a suitable investment for the Investor and consistent with the general investment objectives of the Investor.

2. Investor's Representations Related To Investment in a SPV.

- 2.1. The Investor is acquiring the Interest for its own account, for investment purposes only and not with an intent to resell or distribute the Interest (or any distributions received from the SPV in

whole or in part), and the Investor agrees that it will not sell or otherwise transfer the Interest unless in compliance with Regulation Crowdfunding and other applicable securities laws, and with the terms and conditions of this Agreement.

- 2.2. The Investor's investment in the Interest is consistent with the investment purposes, objectives and cash flow requirements of the Investor and will not adversely affect the Investor's overall need for diversification and liquidity.
- 2.3. The Investor has all requisite power, authority and capacity to acquire and hold the Interest and to execute, deliver and comply with the terms of each of the instruments required to be executed and delivered by the Investor in connection with the Investor's subscription for the Interest, including without limitation this Subscription Agreement, and such execution, delivery and compliance does not conflict with, or constitute a default under, any instruments governing the Investor, any law, regulation or order, or any agreement or other undertaking to which the Investor is a party or by which the Investor may be bound. If the Investor is an entity, the person executing and delivering each of such instruments on behalf of the Investor has all requisite power, authority and capacity to execute and deliver such instruments, and, upon request by the SPV, will furnish to the SPV a true and correct copy of any instruments governing the Investor, including all amendments thereto. The signature on each of such instruments is genuine and each of such instruments constitutes a legal, valid and binding obligation of the Investor enforceable against the Investor in accordance with its terms.
- 2.4. Each Investor hereby irrevocably designates, appoints and authorizes Honeycomb SPV LLC to act as the initial administrator for such Investor and to execute and deliver or accept on behalf of each of the Investor any documents necessary to give effect to the transactions contemplated by this Agreement. Each Investor hereby irrevocably authorizes the Administrator to take such action on its behalf under the provisions of this Agreement and the SPV Operating Agreement, and to exercise such powers and to perform such duties hereunder as are specifically delegated to or required of the Administrator by the terms hereof, together with such powers as are reasonably incidental thereto. Administrator agrees to act as the Administrator on behalf of the Investors to the extent provided in the SPV Operating Agreement.
- 2.5. Pursuant to the requirements of Treas. Reg. § 301.6109-1(c), the Investor has provided, or agrees to provide upon the earlier of (i) two years of an acquisition of an Interest or (ii) twenty (20) days before any distribution is to be made from the SPV, his, her or its taxpayer identification number (e.g., social security number or employer identification number) under penalties of perjury and has or will attest that the Internal Revenue Service has not notified the Investor that he, she or it is subject to backup withholding.

3. The Administrator Has The Right To Reject Any Subscription, In Whole Or In Part.

- 3.1. The Investor understands that the value of all investments in any SPV made through individual retirement accounts ("IRAs") must be less than 25% of the value of the SPV's assets.
- 3.2. If the Investor is investing in a SPV through an employee benefit plan of any kind, including an individual retirement account (the "**Plan**"), and an individual or entity (the "**Fiduciary**") has entered into this Agreement on behalf of the Plan, the Fiduciary hereby makes the following representations, warranties, and covenants:
 - a. The Fiduciary is a fiduciary of the Plan who is authorized to invest Plan assets or is acting at the direction of a Plan fiduciary authorized to invest Plan assets. The Fiduciary has determined that an investment in the Fund is consistent with the Fiduciary's responsibilities to the Plan under Employee Retirement Income Security Act of 1974, as amended ("**ERISA**") or other applicable law, and is qualified to make such investment decision. The Fiduciary is authorized to make all representations, covenants and agreements set forth in this Agreement about and on behalf of the Investor, and the Fiduciary hereby agrees that, except for the representations, covenants and agreements contained in this section all representations, covenants and

agreements contained in this Agreement are made on behalf of the Investor who is investing through the Plan.

- b. The execution and delivery of this Subscription Agreement, and the investment contemplated hereby has been duly authorized by all appropriate and necessary parties pursuant to the provisions of the instrument or instruments governing the Plan and any related trust; and will not violate, and is not otherwise inconsistent with, the terms of such instrument or instruments.
- c. The Fiduciary acknowledges that the assets of the Fund will be invested in accordance with the Company Information related to that Fund.
- d. The Plan's purchase and holding of an Interest will not constitute a non-exempt transaction prohibited under ERISA, Section 4975 of the Internal Revenue Code, or any similar laws or other federal, state, local, foreign or other laws or regulations applicable to the Plan and its investments. No Honeycomb Party nor any of their affiliates, agents, or employees:
 - (i) exercises any authority or control with respect to the management or disposition of assets of the Plan used to purchase an Interest,
 - (ii) renders investment advice for a fee (pursuant to an agreement or understanding that such advice will serve as a primary basis for investment decisions and that such advice will be based on the particular investment needs of the Plan), with respect to such assets of the Plan, or has the authority to do so, or
 - (iii) is an employer maintaining or contributing to, or any of whose employees are covered by, the Plan.
- e. The Fiduciary understands and agrees to the fee arrangements described in the Company Information.
- f. The Fiduciary understands and agrees that, to prevent the assets of the SPV from being treated as "plan assets" for purposes of ERISA and Section 4975 of the Internal Revenue Code, the Investor may be prohibited from purchasing or acquiring an Interest or may be required to redeem its Interest or a portion thereof.

3.3. The Investor acknowledges that the SPV and any Administrator, on the SPV's behalf, may not accept any investment from an Investor if the Investor cannot truthfully make the representations contained herein.

4. **The Correctness And Accuracy Of All Information Provided By Investor To The Company Or The SPV.**

- 4.1 The Investor confirms that all information and documentation provided to the Company, the SPV, and any Administrator, including, but not limited to, all information regarding the Investor's identity, taxpayer identification number, the source of the funds to be invested in the SPV, and the Investor's eligibility to invest in offerings under Regulation Crowdfunding, is true, correct and complete. Should any such information change or no longer be accurate, the Investor agrees and covenants that they will promptly notify the Honeycomb Parties of such changes via the Platform. The Investor agrees and covenants that they or it will maintain accurate and up-to-date contact information (including email and mailing address) on the Platform and will promptly update such information in the event it changes or is no longer accurate.
- 4.2 The representations, warranties, agreements, undertakings and acknowledgments made by the Investor in this Subscription Agreement will be relied upon by the Company, the SPV, and any Administrator in determining compliance with applicable laws, and shall survive the Investor's admission as a Member of the SPV.

- 4.3 All information that the Investor has provided to the Company, the SPV, and any Administrator concerning the knowledge and experience of financial, tax and business matters of the Investor is correct and complete.

5. The Honeycomb Parties' Right To Use Investor Information.

- 5.1 The Investor agrees and consents to the Honeycomb Parties, their delegates and their duly authorized agents and any of their respective related, associated or affiliated companies obtaining, holding, using, disclosing and processing the Investor's data:
- a. to facilitate the acceptance, management and administration of the Investor's subscription for an Interest on an on-going basis;
 - b. for any other specific purposes where the Investor has given specific consent to do so;
 - c. to carry out statistical analysis, market research, and tracking of investment performance over time;
 - d. to comply with legal or regulatory requirements applicable to the SPV and any Administrator or the Investor, including, but not limited to, in connection with anti-money laundering and similar laws;
 - e. for disclosure or transfer to third parties including the Investor's financial adviser (where appropriate), regulatory bodies, auditors, technology providers or to the SPV, any Administrator, any Lead Investor, and their delegates or their duly appointed agents and any of their respective related, associated or affiliated companies for the purposes specified above;
 - f. if the contents thereof are relevant to any issue in any action, suit or proceeding to which the Company, the SPV, any Administrator, any Lead Investor, or their affiliates are a party or by which they are or may be bound;
 - g. for other legitimate business of the Company, the SPV, any Administrator, or any Lead Investor.
- 5.2 The Investor acknowledges and agrees that it will provide additional information or take such other actions as may be necessary or advisable for the SPV or any Administrator (in the sole judgment of the SPV and/or any Administrator) to comply with any disclosure and compliance policies, related legal process or appropriate requests (whether formal or informal) or otherwise.
- 5.3 The Investor agrees and consents to disclosure by the Company, the SPV and any of their agents, including any Administrator or any Lead Investor, to relevant third parties of information pertaining to the Investor in respect of disclosure and compliance policies or information requests related thereto. Without limiting the generality of the foregoing, the Investor agrees that information about the Investor may be provided to the Company in whose securities a SPV will or proposes to invest.
- 5.4 The Investor authorizes the Company, the SPV, any Administrator, and each SPV service provider to disclose the Investor's nonpublic personal information to comply with regulatory and contractual requirements applicable to the SPV and its investments. Any such disclosure shall be permitted notwithstanding any privacy policy or similar restrictions regarding the disclosure of the Investor's nonpublic personal information.

6. Key Risk Factors

- 6.1 The Investor understands that investment in a SPV may involve a complete loss of the Investor's investment. In this regard, the Investor understands that such venture investments involve a high degree of risk, and that many or most venture company investments lose money. An Investor may ultimately receive cash, securities, or a combination of cash and securities (and in many cases nothing at all). If the Investor receives securities, the securities may not be publicly traded, and may not have any significant value.
- 6.2 The Investor understands and agrees that the Interests are subject to restrictions on transfer and cannot be redeemed. Instead, an Investor typically must hold his or her Interest in a SPV until the SPV has sold or otherwise disposed of its investments and the SPV distributes its investments to the investors in the SPV (a "**Liquidation Event**"). An Investor typically will not receive any distributions until such a Liquidation Event (and may not receive anything even upon a Liquidation Event), which may not occur for many years. The Investor must therefore bear the economic risk of holding their investment for an indefinite period of time.
- 6.3 The Investor understands and agrees that the Interests: (a) have not been registered under the Securities Act or any other law of the United States, or under the securities laws of any state or other jurisdiction, and therefore an Interest cannot be resold, pledged, assigned or otherwise disposed of unless it is so registered or an exemption from registration is available; and (b) can only be transferred as permitted under Regulation Crowdfunding and subject to the terms and conditions of this Agreement.
- 6.4 The Investor understands that no guarantees have been made to the Investor about future performance or financial results of the SPV, and an investment in the SPV may result in a gain or loss upon termination or liquidation of the SPV. It is possible that the investors in a SPV will have "phantom income," which could require them to pay taxes on their investment in a SPV even though the SPV does not distribute any income (or does not distribute sufficient income to pay the taxes).
- 6.5 The Investor understands and agrees that the SPV was formed by and is operated by Honeycomb SPV, LLC on behalf of the Company as a crowdfunding vehicle consistent with and pursuant to the terms and conditions set forth in 17 C.F.R. § 270.3a-9.
- 6.6 The Investor represents that he or she has read and understands the risk factors contained in the Company Information. The Investor understands and agrees that each Company is solely responsible for providing risk factors, conflicts of interest, and other disclosures that investors should consider when investing in securities issued by that Company (including through a SPV), and that the Honeycomb Parties have no ability to assure, and have not in any way assured, that any or all such risk factors, conflicts of interest and other disclosures have been presented fully and fairly, or have been presented at all.
- 6.7 The Investor understands that any privacy statements, reports or other communications regarding the SPV and the Investor's investment in the SPV (including annual and other updates, and tax documents) will be delivered via electronic means, including through the Platform. The Investor hereby consents to electronic delivery as described in the preceding sentence. In so consenting, the Investor acknowledges that email messages are not secure and may contain computer viruses or other defects, may not be accurately replicated on other systems, or may be intercepted, deleted or interfered with, with or without the knowledge of the sender or the intended recipient. The Investor also acknowledges that an email from the Honeycomb Parties may be accessed by recipients other than the Investor and may be interfered with, may contain computer viruses or other defects and may not be successfully replicated on other systems. No Honeycomb Party gives any warranties in relation to these matters.
- 6.8 The Investor understands and agrees that if he, she, they, or it does not provide a valid taxpayer identification number under penalties of perjury, and attest that the Investor has not been

notified by the Internal Revenue Service that he, she, they, or it is subject to backup withholding, the SPV will be required to withhold from any proceeds otherwise payable to the Investor an amount necessary to satisfy the SPV's backup withholding obligations.

- 6.9 The Investor understands and agrees that if he, she, they, or it does not provide a valid taxpayer identification number to the SPV, the SPV will withhold from any proceeds otherwise payable to the Investor an amount necessary for the SPV to satisfy its tax withholding obligations with respect to such amount. The SPV may also withhold any other amounts representing the SPV's reasonable estimation of penalties that may be charged by the Internal Revenue Service or any other taxing authority as a result of the Investor's failure to provide a valid taxpayer identification number.

7. Compliance With Anti-Money Laundering Laws.

- 7.1. The Investor represents and warrants that the Investor's investment was not directly or indirectly derived from illegal activities, including any activities that would violate U.S. Federal or State laws or any laws and regulations of other countries.
- 7.2. The Investor acknowledges that U.S. Federal law, regulations and Executive Orders administered by the U.S. Treasury Department's Office of Foreign Assets Control ("**OFAC**") may prohibit the SPV, any Administrator, or any Lead Investor from, among other things, engaging in transactions with, and the provision of services to, persons on the list of Specially Designated Nationals and Blocked Persons and persons, foreign countries and territories that are the subject of U.S. sanctions administered by OFAC (collectively, the "**OFAC Maintained Sanctions**").
- 7.3. The Investor acknowledges that the SPV prohibits the investment of funds by any persons or entities that are (i) the subject of OFAC Maintained Sanctions, (ii) acting, directly or indirectly, in contravention of any applicable laws and regulations, including anti-money laundering regulations or conventions, or on behalf of persons or entities subject to an OFAC Maintained Sanction, (iii) acting, directly or indirectly, for a senior foreign political figure, any member of a senior foreign political figure's immediate family or any close associate of a senior foreign political figure, unless the SPV, after being specifically notified by the Investor in writing that it is such a person, conducts further due diligence, and determines that such investment shall be permitted, or (iv) acting, directly or indirectly, for a foreign shell bank (such persons or entities in (i) - (iv) are collectively referred to as "**Prohibited Persons**"). The Investor represents and warrants that it is not, and is not acting directly or indirectly on behalf of, a Prohibited Person.
- 7.4. To the extent the Investor has any beneficial owners, (i) it has carried out thorough due diligence to establish the identities of such beneficial owners, (ii) based on such due diligence, the Investor reasonably believes that no such beneficial owners are Prohibited Persons, (iii) it holds the evidence of such identities and status and will maintain all such evidence for at least five years from the date of the liquidation or termination of the SPV, and (iv) it will make available such information and any additional information requested by the SPV that is required under applicable regulations.
- 7.5. The Investor acknowledges and agrees that the SPV or any Administrator may "freeze the account" of the Investor, including, but not limited to, by suspending distributions from the SPV to which the Investor would otherwise be entitled, if necessary to comply with anti-money laundering statutes or regulations.

- 1.5 **Severability.** If any provision of this Subscription Agreement is invalid or unenforceable under any applicable law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such applicable law.
