# Jeffrey McCormick

Managing Partner at Saturn Management  
Boston, Massachusetts, United States

## Summary

Jeff founded Saturn in 1994 to finance early-stage growth companies. He spearheads our investigation into new areas of investment and is active in managing our portfolio companies. Working closely with entrepreneurs, he helps forge strategic relationships, build management teams, and develop marketing and distribution strategies to enable significant growth.

Jeff's experience as an investment banker, entrepreneur and venture capitalist dates back to the early '90s. Prior to founding Saturn, he was as an analyst and investment banker with Bariston Associates, a Boston firm that originates and manages private investments for individual and institutional clients.
