## Experience

### Seed to Oaks

#### Board Member

June 2025 - Present (3 months)

Seed to Oaks is a non-profit that brings real and lasting community change through a collaboration between local churches, businesses and civic agencies, filling the space between the three.

We help socially-driven pastors and professionals connect and mobilize their resources through guided social initiatives. These initiatives are proven, strategic and straight forward to implement; designed as a sustainable means for community change that is real and measurable.
