### A special invitation from Joe Dolin

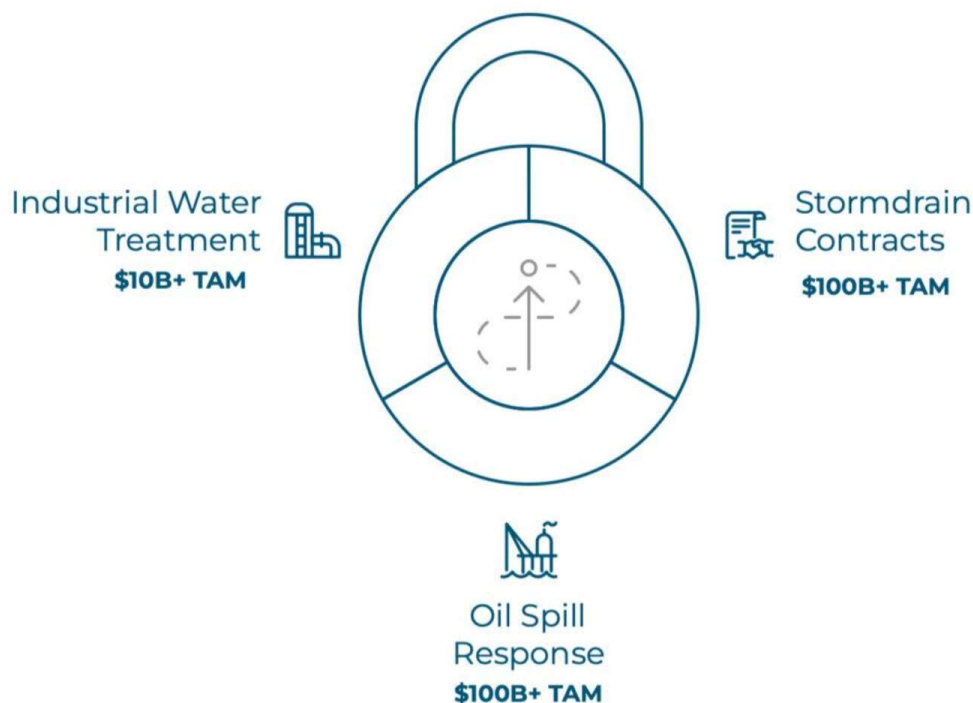

*President, EcoSave Technologies*

I am excited to personally share with you our [EcoSave Technologies Wefunder campaign launch](#). Please view our EcoSave Presentation at Wefunder to get all the pertinent information about this innovative, proven technology that will keep our oceans and waterways clean. Wefunder has allowed us to invite you to be a Founding Investor in our revolutionary Environmental Technology Company. If you would like to take advantage of this special opportunity, you simply need to Pledge that you are interested in investing when we file and go public. To be clear, no money or shares will change hands today. Thank you for your time today and your shared passion for our oceans and waterways!

Once we complete this offer internally, the presentation you are viewing today will be made available publicly to the over **ONE MILLION** investors on the WeFunder platform. Your pledge today secures your position as a founding investor in **EcoSave Technologies**. Your pledge also helps us move closer to achieving our goal of launching our groundbreaking **EST CORE™** technology into an over **200 Billion Dollar** annual marketplace.

## **\$200B+ TAM: Strategic Growth Plan**

Thank you for your time today and your shared passion for our oceans and waterways!
