BUSINESS

A full description of our products, services and business plan can be found on the Company's Investor Website Page at the Company's website under <https://www.invest.byowner.com>. The version published as of the date of this Form C/A is attached as Exhibit B.

Description of the Business

BYO Holdings Corporation, doing business under an agreement with ByOwner.com, offers reduced commission residential real estate brokerage for buyers and sellers in all 50 States. In addition, the Company has a nascent enterprise division that sells leads to companies in the full service real estate brokerage, mortgage services and title services industries.

The Company entered into an Asset Purchase Agreement with ByOwner.com in 2024 and paired the brand with state of the art technology, a national real estate brokerage and a gigantic value proposition in lower commissions. The end result is massive lead flow of approximately 500,000 buyer and seller leads per month without marketing for real estate brokerage and mortgage. In addition, the Company has a seasoned management team that has previously successfully founded, managed and/or led real estate brokerage and on-line businesses.

Business Plan

The real estate broker model has been in place for 100 years resulting in high transaction costs for buyers and sellers. As a result of recent lawsuits, market conditions and legal decisions, this model is poised to be changed dramatically.

ByOwner.com's mission is no commission. ByOwner.com's disruptive model is the only tried and true model for online real estate leads outside the broken real estate broker model. Our model is completely flexible and transparent—services are tailored to the needs of the customer rather than the expensive, one-size-fits-all approach of traditional brokers. At ByOwner.com sellers choose the commission they want to pay 0-6%, and buyer's enjoy large rebates of 1%.

The capital we raise here will provide us necessary capital for increased sales and marketing efforts, cost of sales, technology and product development and general working capital as we continue to aggressively grow and expand our business.

RISK FACTORS

Investing in the Securities involves a high degree of risk and may result in the loss of your entire investment. Before making an investment decision with respect to the Securities, we urge you to carefully consider the risks described in this section and other factors set forth in this Form C/A. The risks discussed below are not the only ones facing its business but do represent those risks that the Company believes are material to it. Additional risks and uncertainties not presently known to it or that the Company currently deems immaterial may also harm its business.

In addition to the risks specified below, the Company is subject to same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment.

Before investing, you should carefully read and carefully consider the following:

Risks Related to the Company's Business and Industry

We have a limited operating history upon which you can evaluate our performance, and accordingly, our prospects must be considered in light of the risks that any new company encounters.

The Company is still in an early phase and we are just beginning to implement our business plan. There can be no assurance that we will ever operate profitably. The likelihood of our success should be considered in light of the problems, expenses, difficulties, complications and delays usually encountered by early-stage companies. The Company may not be successful in attaining the objectives necessary for it to overcome these risks and uncertainties.

The amount of capital the Company is attempting to raise in this Offering may not be enough to sustain the Company's current business plan.

In order to achieve the Company's near and long-term goals, the Company may need to procure funds in addition to the amount raised in the Offering. There is no guarantee the Company will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our continued operations will be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

We may face potential difficulties in obtaining capital.

We may have difficulty raising needed capital in the future as a result of, among other factors, our revenues from sales, as well as the inherent business risks associated with our Company and present and future market conditions. Additionally, our future sources of revenue may not be sufficient to meet our future capital requirements. As such, we may require additional funds to execute our business strategy and conduct our operations. If adequate funds are unavailable, we may be required to delay, reduce the scope of or eliminate one or more of our research, development or commercialization programs, product launches or marketing efforts, any of which may materially harm our business, financial condition and results of operations.

A substantial majority of the Company is owned by certain Directors and Officers, and they will exercise voting control.

Prior to the Offering, certain of the Directors and officers of the Company, beneficially own a substantial majority of the Company, including all voting shares. Subject to any fiduciary duties owed to other stockholders under Delaware law, these certain Directors and officers, may be able to exercise significant influence over matters requiring stockholder approval, including the election of directors or managers and approval of significant Company transactions, and will have significant control over the Company's management and policies. These certain Directors and officers may have interests that are different from yours. For example, these certain Directors and officers may support proposals and actions with which you may disagree. The concentration of ownership could delay or prevent a change in control of the Company or otherwise discourage a potential acquirer from attempting to obtain control of the Company, which in turn could reduce the price potential investors are willing to pay for the Company. In addition, these certain Directors and officers could use their voting influence to maintain the Company's existing management,

delay or prevent changes in control of the Company, issue additional securities which may dilute you, repurchase securities of the Company, enter into transactions with related parties or support or reject other management and board proposals that are subject to stockholder approval.

In the event the Company defaults under its Asset Purchase Agreement with the sellers of ByOwner.com, it would have a material impact on the Company's business.

The Company entered into an Asset Purchase Agreement on January 1, 2024 to purchase the ByOwner.com domain name and other assets. The purchase was pursuant to a promissory note (the "Note") to be paid in installments through May 2028. Further details are in the "DEBT" section herein. In the event, the Company defaults on the payment of the Note, the Company would not acquire or have access to the ByOwner.com domain name and other assets which would have a material adverse effect on the Company's business, operations and financials results.

We may implement new lines of business or offer new products and services within existing lines of business.

We may implement new lines of business at any time. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. In developing and marketing new lines of business and/or new products and services, we may invest significant time and resources. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved, and price and profitability targets may not prove feasible. We may not be successful in introducing new products and services in response to industry trends or developments in technology, or those new products may not achieve market acceptance. As a result, we could lose business, be forced to price products and services on less advantageous terms to retain or attract clients or be subject to cost increases. As a result, our business, financial condition or results of operations may be adversely affected.

We rely on other companies to provide services for our products.

We depend on third party vendors to meet our contractual obligations to our customers and conduct our operations. Our ability to meet our obligations to our customers may be adversely affected if vendors do not provide the agreed-upon services in compliance with customer requirements and in a timely and cost-effective manner. Likewise, the quality of our services may be adversely impacted if companies to whom we delegate certain services do not perform to our, and our customers', expectations. Our vendors may also be unable to quickly recover from natural disasters and other events beyond their control and may be subject to additional risks such as financial problems that limit their ability to conduct their operations. The risk of these adverse effects may be greater in circumstances where we rely on only one or two vendors for a particular service.

We rely on various intellectual property rights in order to operate our business.

The Company relies on certain intellectual property rights, particularly trade secrets, to operate its business. The Company's intellectual property rights are unregistered and may not be sufficiently broad or otherwise may not provide us a significant competitive advantage. In addition, the steps that we have taken to maintain and protect our intellectual property may not prevent it from being challenged, invalidated, circumvented or designed-around, particularly in countries where intellectual property rights are not highly developed or protected. In some circumstances, enforcement may not be available to us because an infringer has a dominant intellectual property position or for other business reasons, or countries may require compulsory licensing of our intellectual property. Our failure to obtain or maintain intellectual property rights that convey competitive advantage, adequately protect our intellectual property or detect or prevent circumvention or unauthorized use of such property, could adversely impact our competitive position and results of operations. We also rely on nondisclosure and noncompetition agreements with employees, consultants and other parties to protect, in part, trade secrets and other proprietary rights. There can be no assurance that these agreements will adequately protect our trade secrets and other proprietary rights and will not be breached, that we will have adequate remedies for any breach, that others will not independently develop substantially equivalent proprietary information or that third parties will not otherwise gain access to our trade secrets or other proprietary rights. As we expand our business, protecting our intellectual property will become increasingly important. The protective steps we have taken may be inadequate to deter our competitors from using our proprietary information. In order to protect or enforce our intellectual property rights, we may be required to initiate litigation against third parties, such as infringement lawsuits. Also, these third parties may assert claims against us with or without provocation. These lawsuits could be expensive, take significant time and could divert management's attention from other business concerns. We cannot assure you that we will prevail in any of these potential suits or that the damages or other remedies awarded, if any, would be commercially valuable.

The Company's success depends on the experience and skill of its board of directors, executive officers and key personnel.

We are dependent on our board of directors, executive officers and key personnel. These persons may not devote their full time and attention to the matters of the Company. The loss of all or any of our board of directors, executive officers and key personnel could harm the Company's business, financial condition, cash flow and results of operations.

Although dependent on certain key personnel, the Company does not have any key person life insurance policies on any such people.

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Company has not purchased any insurance policies with respect to those individuals in the event of their death or disability. Therefore, if any of these personnel die or become disabled, the Company will not receive any compensation to assist with such person's absence. The loss of such person could negatively affect the Company and our operations. We have no way to guarantee key personnel will stay with the Company, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel.

In order for the Company to compete and grow, it must attract, recruit, retain and develop the necessary personnel who have the needed experience.

Recruiting and retaining highly qualified personnel is critical to our success. These demands may require us to hire additional personnel and will require our existing management and other personnel to develop additional expertise. We face intense competition for personnel, making recruitment time-consuming and expensive. The failure to attract and retain personnel or to develop such expertise could delay or halt the development and commercialization of our product candidates. If we experience difficulties in hiring and retaining personnel in key positions, we could suffer from delays in product development, loss of customers and sales and diversion of management resources, which could adversely affect operating results. Our consultants and advisors may be employed by third parties and may have commitments under consulting or advisory contracts with third parties that may limit their availability to us, which could further delay or disrupt our product development and growth plans.

We need to rapidly and successfully develop and introduce new products in a competitive, demanding and rapidly changing environment.

To succeed in our competitive industry, we must continually improve, refresh and expand our product offerings to include newer features, functionality or solutions, and keep pace with changes in the industry. Shortened product life cycles due to changing customer demands and competitive pressures may impact the pace at which we must introduce new products or implement new functions or solutions. In addition, bringing new products or solutions to the market entails a costly and lengthy process, and requires us to accurately anticipate changing customer needs and trends. We must continue to respond to changing market demands and trends or our business operations may be adversely affected.

The development and commercialization of our products is highly competitive.

We face competition with respect to any products that we may seek to develop or commercialize in the future. Our competitors include major companies worldwide. Many of our competitors have significantly greater financial, technical and human resources than we have and superior expertise in research and development and marketing approved products and thus may be better equipped than us to develop and commercialize products. These competitors also compete with us in recruiting and retaining qualified personnel and acquiring technologies. Smaller or early stage companies may also prove to be significant competitors, particularly through collaborative arrangements with large and established companies. Accordingly, our competitors may commercialize products more rapidly or effectively than we are able to, which would adversely affect our competitive position, the likelihood that our products will achieve initial market acceptance, and our ability to generate meaningful additional revenues from our products.

Industry consolidation may result in increased competition, which could result in a loss of customers or a reduction in revenue.

Some of our competitors have made or may make acquisitions or may enter into partnerships or other strategic relationships to offer more comprehensive services than they individually had offered or achieve greater economies of scale. In addition, new entrants not currently considered to be competitors may enter our market through acquisitions, partnerships or strategic relationships. We expect these trends to continue as companies attempt to strengthen or maintain their market positions. The potential entrants may have competitive advantages over us, such as greater name recognition, longer operating histories, more varied services and larger marketing budgets, as well as greater financial, technical and other resources. The companies resulting from combinations or that expand or vertically integrate their business to include the market that we address may create more compelling service offerings and may offer greater pricing flexibility than we can or may engage in business practices that make it more difficult for us to compete effectively, including on the basis of price, sales and marketing programs, technology or service functionality. These pressures could result in a substantial loss of our customers or a reduction in our revenue.

The Company's business plan is based on numerous assumptions and projections that may not prove accurate.

The Company's business plan and potential growth is based upon numerous assumptions. No assurance can be given regarding the attainability of the financial projections. The Company's ability to adhere to, and implement, its business plan will depend upon the Company's ability to successfully raise funds and a variety of other factors, many of which are beyond the Company's control. Likewise, management is not bound to follow the business plan and may elect to adopt other strategies based upon unanticipated opportunities, or changes in circumstances or market conditions. All financial projections contained in the business plan are based entirely upon management's assumptions and projections and should not be considered as a forecast of actual revenues or our liquidity. Actual operating results may be materially different.

Although the Company believes the assumptions upon which the Company's business and financial projections are based have reasonable bases, the Company cannot offer any assurance that its results of operations and growth will be as contemplated. If any of the assumptions upon which these opinions and projections are based prove to be inaccurate, including growth of the economy in general and trends in the real estate industry, these opinions and projections could be adversely affected. Prospective investors should be aware that these opinions and other projections and predictions of future performance, whether included in the business plan, or previously or subsequently communicated to prospective investors, are based on certain assumptions which are highly speculative. Such projections or opinions are not (and should not be regarded as) a representation or warranty by the Company or any other person that the overall objectives of the Company will ever be achieved or that the Company will ever achieve significant revenues or profitability. These opinions, financial projections, and any other predictions of future performance should not be relied upon by potential investors in making an investment decision in regard to this Offering.

We face various risks as an e-commerce retailer.

We operate a business that sells directly to consumers via e-commerce. This may require additional investments to sustain or grow our e-commerce business, including increased capital requirements. Additionally, there are business risks we face related to operating our e-commerce business which include our inability to keep pace with rapid technological change, failure in our security procedures or operational controls, failure or inadequacy in our systems or labor resource levels to effectively process customer orders in a timely manner, government regulation and legal uncertainties with respect to e-commerce, and the collection of sales or other taxes by one or more states or foreign jurisdictions. If any of these risks materialize, they could have an adverse effect on our business. In addition, we may face increased competition in the future from internet retailers who enter the market. Our failure to positively differentiate our product and services offerings or customer experience from these new internet retailers could have a material adverse effect on our business, financial condition and results of operations.

If we are unsuccessful in adding users of our platform, or if our clients decrease their level of engagement, our revenue, financial results, and business may be significantly harmed.

We offer a platform that offers reduced commission residential real estate brokerage for buyers and sellers in all 50 States. The amount of users of our platform and our client's level of engagement will be critical to our success. Our financial performance will be significantly determined by our success in adding, retaining, and engaging active users of our platform and the services offered. If clients do not perceive our platform or services provided thereunder to be useful, reliable, and trustworthy, we may not be able to attract or retain users or otherwise maintain or increase the

frequency and duration of their engagement. There is no guarantee that we will not experience an erosion of our active client base or engagement levels in the future.

We may be impacted by economic downturns in certain real estate markets in which we operate or by a prolonged global economic downturn.

Purchasers and sellers of real estate, and real estate values, are affected by local, regional, national and international economic conditions and other events and occurrences. A protracted decline in economic conditions will cause downward pressure on the Company's operating margins as a result of lower activity in the real estate market. A prolonged downturn in the economy would result in reduced activity which could have a material adverse effect on the Company's business, financial condition and results of operations.

We have not prepared any audited financial statements.

The financial statements attached as Exhibit A to this Form C/A have been "reviewed" only and such financial statements have not been verified with outside evidence as to management's amounts and disclosures. Additionally, tests on internal controls have not been conducted. Therefore, you will have no audited financial information regarding the Company's capitalization or assets or liabilities on which to make your investment decision.

Damage to our reputation could negatively impact our business, financial condition and results of operations.

Our reputation and the quality of our brand are critical to our business and success in existing markets, and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

Our business could be negatively impacted by cyber security threats, attacks and other disruptions.

We may face advanced and persistent attacks on our information infrastructure where we manage and store various proprietary information and sensitive/confidential data relating to our operations. These attacks may include sophisticated malware (viruses, worms, and other malicious software programs) and phishing emails that attack our products or otherwise exploit any security vulnerabilities. These intrusions sometimes may be zero-day malware that are difficult to identify because they are not included in the signature set of commercially available antivirus scanning programs. Experienced computer programmers and hackers may be able to penetrate our network security and misappropriate or compromise our confidential information or that of our customers or other third-parties, create system disruptions, or cause shutdowns. Additionally, sophisticated software and applications that we produce or procure from third-parties may contain defects in design or manufacture, including "bugs" and other problems that could unexpectedly interfere with the operation of the information infrastructure. A disruption, infiltration or failure of our information infrastructure systems or any of our data centers as a result of software or hardware malfunctions, computer viruses, cyber-attacks, employee theft or misuse, power disruptions, natural disasters or accidents could cause breaches of data security, loss of critical data and performance delays, which in turn could adversely affect our business.

Security breaches of confidential customer information, in connection with our electronic processing of credit and debit card transactions, or confidential employee information may adversely affect our business.

Our business requires the collection, transmission and retention of personally identifiable information, in various information technology systems that we maintain and in those maintained by third parties with whom we contract to provide services. The integrity and protection of that data is critical to us. The information, security and privacy requirements imposed by governmental regulation are increasingly demanding. Our systems may not be able to satisfy these changing requirements and customer and employee expectations, or may require significant additional investments or time in order to do so. A breach in the security of our information technology systems or those of our service providers could lead to an interruption in the operation of our systems, resulting in operational inefficiencies and a loss of profits. Additionally, a significant theft, loss or misappropriation of, or access to, customers' or other

proprietary data or other breach of our information technology systems could result in fines, legal claims or proceedings.

The use of individually identifiable data by our business, our business associates and third parties is regulated at the state, federal and international levels.

The regulation of individual data is changing rapidly, and in unpredictable ways. A change in regulation could adversely affect our business, including causing our business model to no longer be viable. Costs associated with information security – such as investment in technology, the costs of compliance with consumer protection laws and costs resulting from consumer fraud – could cause our business and results of operations to suffer materially. Additionally, the success of our online operations depends upon the secure transmission of confidential information over public networks, including the use of cashless payments. The intentional or negligent actions of employees, business associates or third parties may undermine our security measures. As a result, unauthorized parties may obtain access to our data systems and misappropriate confidential data. There can be no assurance that advances in computer capabilities, new discoveries in the field of cryptography or other developments will prevent the compromise of our customer transaction processing capabilities and personal data. If any such compromise of our security or the security of information residing with our business associates or third parties were to occur, it could have a material adverse effect on our reputation, operating results and financial condition. Any compromise of our data security may materially increase the costs we incur to protect against such breaches and could subject us to additional legal risk.

The Company is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.

The Company may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately-held (non-public) Company, the Company is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Company's financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Company of such compliance could be substantial and could have a material adverse effect on the Company's results of operations.

Changes in federal, state or local laws and government regulation could adversely impact our business.

The Company is subject to legislation and regulation at the federal, state and local levels. In particular, the purchase and sale of real estate is regulated by the laws of jurisdiction in which the property is located. New laws and regulations may impose new and significant disclosure obligations and other operational, marketing and compliance-related obligations and requirements, which may lead to additional costs, risks of non-compliance, and diversion of our management's time and attention from strategic initiatives. Additionally, federal, state and local legislators or regulators may change current laws or regulations which could adversely impact our business. Further, court actions or regulatory proceedings could also change our rights and obligations under applicable federal, state and local laws, which cannot be predicted. Modifications to existing requirements or imposition of new requirements or limitations could have an adverse impact on our business.

We operate in a highly regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.

We are also subject to a wide range of federal, state, and local laws and regulations. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease and desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we may incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

Changes in employment laws or regulation could harm our performance.

Various federal and state labor laws govern our relationship with our employees and affect operating costs. These laws include minimum wage requirements, overtime pay, healthcare reform and the implementation of the Patient Protection and Affordable Care Act, unemployment tax rates, workers' compensation rates, citizenship requirements, union membership and sales taxes. A number of factors could adversely affect our operating results, including additional government-imposed increases in minimum wages, overtime pay, paid leaves of absence and mandated health benefits, mandated training for employees, increased tax reporting and tax payment requirements for employees

who receive tips, a reduction in the number of states that allow tips to be credited toward minimum wage requirements, changing regulations from the National Labor Relations Board and increased employee litigation including claims relating to the Fair Labor Standards Act.

Global crises and geopolitical events, including without limitation, COVID-19 can have a significant effect on our business operations and revenue projections.

A significant outbreak of contagious diseases, such as COVID-19, in the human population could result in a widespread health crisis. Additionally, geopolitical events, such as wars or conflicts, could result in global disruptions to supplies, political uncertainty and displacement. Each of these crises could adversely affect the economies and financial markets of many countries, including the United States where we principally operate, resulting in an economic downturn that could reduce the demand for our products and services and impair our business prospects, including as a result of being unable to raise additional capital on acceptable terms, if at all.

Risks Related to the Offering

State and federal securities laws are complex, and the Company could potentially be found to have not complied with all relevant state and federal securities law in prior offerings of securities.

The Company has conducted previous offerings of securities and may not have complied with all relevant state and federal securities laws. If a court or regulatory body with the required jurisdiction ever concluded that the Company may have violated state or federal securities laws, any such violation could result in the Company being required to offer rescission rights to investors in such offering. If such investors exercised their rescission rights, the Company would have to pay to such investors an amount of funds equal to the purchase price paid by such investors plus interest from the date of any such purchase. No assurances can be given the Company will, if it is required to offer such investors a rescission right, have sufficient funds to pay the prior investors the amounts required or that proceeds from this Offering would not be used to pay such amounts.

In addition, if the Company violated federal or state securities laws in connection with a prior offering and/or sale of its securities, federal or state regulators could bring an enforcement, regulatory and/or other legal action against the Company which, among other things, could result in the Company having to pay substantial fines and be prohibited from selling securities in the future.

The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.

You should not rely on the fact that our Form C/A is accessible through the U.S. Securities and Exchange Commission's EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C/A, nor any document or literature related to this Offering.

Neither the Offering nor the Securities have been registered under federal or state securities laws.

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C/A and the accompanying exhibits.

The Securities are offered on a "Best Efforts" basis and the Company may not raise the maximum amount being offered.

Since the Company is offering the Securities on a "best efforts" basis, there is no assurance that the Company will sell enough Securities to meet its capital needs. If you purchase Securities in this Offering, you will do so without any assurance that the Company will raise enough money to satisfy the full Use of Proceeds which the Company has outlined in this Form C/A or to meet the Company's working capital needs.

The Company's management may have broad discretion in how the Company uses the net proceeds of the Offering.

Unless the Company has agreed to a specific use of the proceeds from the Offering, the Company's management will have considerable discretion over the use of proceeds from the Offering. As is the case with any business, particularly one without a proven business model, it should be expected that certain expenses unforeseeable to management at this juncture will arise in the future. There can be no assurance that management's use of proceeds generated through this Offering will prove optimal or translate into revenue or profitability for the Company. You are urged to review the Use of Proceeds in this Offering Statement but to understand that the actual use of the net proceeds of this Offering may vary significantly. In all cases, you should consult with their attorneys, accountants and personal investment advisors prior to making any decision to invest in the Company. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

The Intermediary Fees paid by the Company are subject to change depending on the success of the Offering.

At the conclusion of the Offering, the Company shall pay the Intermediary a fee of eight and one-half percent (8.5%) of the dollar amount raised in the Offering. The compensation paid by the Company to the Intermediary may impact how the Company uses the net proceeds of the Offering.

The Company has the right to limit individual Investor commitment amounts based on the Company's determination of an Investor's sophistication.

The Company may prevent any Investor from committing more than a certain amount in this Offering based on the Company's determination of the Investor's sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Company's determination and not in line with relevant investment limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Company's determination.

The Company has the right to extend the Offering Deadline.

The Company may extend the Offering Deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while the Company attempts to raise the Target Offering Amount even after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Company extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest during this time and will simply be held until such time as the new Offering Deadline is reached without the Company receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or the Company receives the Target Offering Amount, at which time it will be released to the Company to be used as set forth herein. Upon or shortly after the release of such funds to the Company, the Securities will be issued and distributed to you.

The Company may also end the Offering early.

If the Target Offering Amount is met after 21 calendar days, but before the Offering Deadline, the Company can end the Offering by providing notice to Investors at least 5 business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Company may limit the amount of capital it can raise during the Offering by ending the Offering early.

The Company has the right to conduct multiple closings during the Offering.

If the Company meets certain terms and conditions, an intermediate close (also known as a rolling close) of the Offering can occur, which will allow the Company to draw down on Investor proceeds committed and captured in the Offering during the relevant period. The Company may choose to continue the Offering thereafter. Investors should be mindful that this means they can make multiple investment commitments in the Offering, which may be subject to different cancellation rights. For example, if an intermediate close occurs and later a material change occurs as the Offering continues, Investors whose investment commitments were previously closed upon will not have the right to re-confirm their investment as it will be deemed to have been completed prior to the material change.

Risks Related to the Securities

You will not be investing directly into the Company, but into a special purpose vehicle.

Changes to the securities laws that went into effect March 15, 2021, permit us to use a “special purpose vehicle” or “SPV” in this Offering. That means that you will invest in BYO Holdings CF Investors SPV, LLC, becoming a member of the SPV, and that investment purchases our Class B Common Stock. A condition to using an SPV is that the SPV passes on the same economic and governance rights that are set out in the Company’s Second Amended and Restated Certificate of Incorporation, regarding the Class B Common Stock. You will also be relying on us, as the Manager of the SPV, to make sure the SPV complies with Delaware law and functions in accordance with securities law. The SPV will terminate and distribute the securities it holds to you, so that you may hold them directly, in certain circumstances. Due to this structure, there may be delays, complications and unexpected risks.

An investment in the Company's Securities could result in a loss of your entire investment.

An investment in the Company's Securities offered in this Offering involves a high degree of risk and you should not purchase the Securities if you cannot afford the loss of your entire investment. You may not be able to liquidate your investment for any reason in the near future.

The Securities will not be freely tradable under the Securities Act until one year from the initial purchase date. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.

You should be aware of the long-term nature of this investment. There is not now and may never be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF. It is not currently contemplated that registration under the Securities Act or other securities laws will be effected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. In addition, even if a trading market develops, there is absolutely no assurance that the Securities could be sold under Rule 144 or otherwise unless the Company becomes a current public reporting company with the Securities and Exchange Commission and otherwise is current in the Company’s business, financial and management information reporting, and applicable holding periods have been satisfied. Investors should be aware of the long-term nature of their investment in the Company. Each Investor in this Offering will be required to represent that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof.

The securities in this Offering have no protective provisions.

The Securities in this Offering have no protective provisions. As such, you will not be afforded protection, by any provision of the Securities or as a Shareholder, in the event of a transaction that may adversely affect you, including a reorganization, restructuring, merger or other similar transaction involving the Company. If there is a liquidation event, or change of control for the Company, the Securities being offered do not provide you with any protection. In addition, there are no provisions attached to the Securities in the Offering that would permit you to require the Company to repurchase the Securities in the event of a takeover, recapitalization or similar transaction involving the Company.

Investors will not have voting rights.

Investors in the Securities will not have voting rights. Thus, Investors will never be able to vote upon any matters of the Company. As such, Investors will not have any influence over matters requiring stockholder approval, including the election of directors or managers and approval of significant Company transactions, nor the Company’s management and policies. Moreover, those with voting rights could use their voting influence to maintain the Company’s existing management, delay or prevent changes in control of the Company, issue additional securities which may dilute you, repurchase securities of the Company, enter into transactions with related parties or support or reject other management and board proposals. Additionally, investors in the Co-Issuer will indirectly hold only Class B Common Stock and are completely passive investors. As such, Investors should not purchase the Securities if they are not comfortable with this lack of voting and control.

Investors will not be entitled to any inspection or information rights other than those required by law.

Investors will not have the right to inspect the books and records of the Company or to receive financial or other information from the Company, other than as required by law. Other security holders of the Company may have such rights. Regulation CF requires only the provision of an annual report on Form C-AR and no additional information. Additionally, there are numerous methods by which the Company can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Company such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

The Securities may be significantly diluted as a consequence of subsequent equity financings.

The Company's equity securities will be subject to dilution. The Company intends to issue additional equity to employees and third-party financing sources in amounts that are uncertain at this time, and as a consequence holders of the Securities will be subject to dilution in an unpredictable amount. Such dilution may reduce the Investor's control and economic interests in the Company.

The amount of additional financing needed by the Company will depend upon several contingencies not foreseen at the time of this Offering. Generally, additional financing (whether in the form of loans or the issuance of other securities) will be intended to provide the Company with enough capital to reach the next major corporate milestone. If the funds received in any additional financing are not sufficient to meet the Company's needs, the Company may have to raise additional capital at a price unfavorable to their existing investors, including the holders of the Securities. The availability of capital is at least partially a function of capital market conditions that are beyond the control of the Company. There can be no assurance that the Company will be able to accurately predict the future capital requirements necessary for success or that additional funds will be available from any source. Failure to obtain financing on favorable terms could dilute or otherwise severely impair the value of the Securities.

Our valuation and our offering price have been established internally and are difficult to assess.

The Offering price was not established in a competitive market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The Offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our asset value, net worth, revenues or other established criteria of value. The Company has set the price of its Class B Common Stock at \$1.89 per share, plus a 3% Investor Processing Fee (see "Offering" for further details on this fee). The Investor Processing Fee is intended to offset transaction costs and, though this fee is counted towards the amount the Company is seeking to raise under Regulation Crowdfunding and the limit each investor may invest pursuant to Regulation Crowdfunding, we did not value it in determining our valuation. Including this fee will increase our valuation for which you are paying for shares in our Company accordingly. Valuations for companies at this stage are generally purely speculative. Our valuation has not been validated by any independent third party and may decrease precipitously in the future. It is a question of whether you, the investor, are willing to pay this price for a percentage ownership of an early-stage company. We cannot guarantee that the Securities can be resold at the Offering price or at any other price.

The Investor Processing Fee may not count toward your cost basis for tax purposes.

The IRS and/or another relevant tax authority may consider the price of the share before including the Investor Processing Fee as the cost basis for determining any gain or loss at a realization event. You should discuss with your tax advisor the appropriate way to determine the relevant tax obligation.

There is no guarantee of a return on an Investor's investment.

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C/A and all Exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C/A, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.

There is no website for the Co-Issuer, but information with respect to the Co-Issuer shall be hosted on the website of the Company at <https://www.byowner.com/>, or for the Offering at <https://www.invest.byowner.com>. The Company has formed the Co-Issuer solely for issuing the Securities under this Offering. The Co-Issuer will serve merely as a conduit for investors to invest in the Company and will not have a separate business purpose. An investment in the Co-Issuer will allow investors to achieve the same economic exposure, voting power (which is none) and ability to assert State and Federal law rights and achieve the same disclosures as if they had invested directly in the Company. The Co-Issuer will maintain a one-to-one relationship between the number, denomination, type and rights of Company securities it owns and the number, denomination, type and rights of its securities outstanding. The Co-Issuer cannot borrow or raise funds on its own account.

The proceeds from the Offering will be received by the Co-Issuer and invested immediately in the Securities issued by the Company. The Co-Issuer will be the legal owner of the Class B Common Stock.

There will be no material difference between an investment in the Company and the Co-Issuer.

Investor Confirmation Process

In order to purchase the Securities, you must make a commitment to purchase by completing the subscription process hosted by the Intermediary, including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Company are required to correct any errors or omissions made by the Investor.

Investor funds will be held in escrow with a qualified third party escrow agent, Enterprise Bank and Trust (“**Escrow Agent**”) until the Target Offering Amount has been met or exceeded and one or more closings occur. Investors may cancel an investment commitment until up to 48 hours prior to the Offering Deadline or an intermediate close, using the cancellation mechanism provided by the Intermediary. If an investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer and the investor will receive their Securities.

The Company will notify Investors when the Target Offering Amount has been reached. If the Company reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering early *provided* (i) the expedited Offering Deadline must be twenty-one (21) days from the time the Offering was opened, (ii) the Company must provide at least five (5) business days’ notice prior to the expedited Offering Deadline to the Investors and (iii) the Company continues to meet or exceed the Target Offering Amount on the date of the expedited Offering Deadline.

Material Changes

If any material change occurs related to the Offering prior to the current Offering Deadline the Company will provide notice to Investors and receive reconfirmations from Investors who have already made commitments. If an Investor does not reconfirm their investment commitment after a material change is made to the terms of the Offering within five (5) business days of receiving notice, the Investor’s investment commitment will be cancelled and the committed funds will be returned without interest or deductions. If an Investor does not cancel an investment commitment before the Target Offering Amount is reached, the funds will be released to the Company upon the closing of the Offering and the Investor will receive the Securities in exchange for their investment.

If an Investor does not reconfirm his or her investment commitment after a material change is made to the Offering, the Investor’s investment commitment will be cancelled and the committed funds will be returned.

Cancellations

Investors may cancel an investment commitment until 48 hours prior to the deadline identified in these Offering Materials, unless previously accepted as part of a rolling close.

The Company will notify investors when the Target Offering Amount has been met. If the Company reaches the Target Offering Amount prior to the deadline identified in the Offering Materials, it may close the Offering early if it

provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment). If an investor does not cancel an investment commitment before the 48-hour period prior to the stated offering deadline, the funds will be released to the Company upon closing of the Offering and the investor will receive Securities in exchange for his or her investment.

Rolling and Early Closings

The Company may elect to undertake rolling closings, or an early closing after it has received investment interests for its Target Offering Amount. During a rolling closing, those investors that have committed funds will be provided five days' notice prior to acceptance of their subscriptions, release of funds to the Company, and issuance of the Securities to the investors. During this time, the Company may continue soliciting investors and receiving additional investment commitments. Investors should note that if investors have already received their Securities, they will not be required to reconfirm upon the filing of a material amendment to the Form C/A. In an early closing, the Offering will terminate upon the new target date, which must be at least five days from the date of the notice.

Oversubscriptions

The Company requests that you please review this Form C/A, the Subscription Agreement between the Investor and the Co-Issuer in Exhibit C (along with all attachments and exhibits thereto), and the Co-Issuer Operating Agreement attached as Exhibit D, in conjunction with the following summary information.

As an Investor in this Offering, you will be purchasing membership interests in the Co-Issuer, which will be the entity holding the Securities and which will have the rights of a stockholder of the Company. The Co-Issuer is purchasing the following Securities:

Securities: Class B Common Stock

Offering Minimum: \$10,000.20

Offering Maximum: \$1,234,998.16

Purchase Price Per Share of Security Offered: \$1.89 (does not include a 3% Investor Processing Fee charged to each Investor)

Offering Deadline: April 15, 2026

The Securities have no voting rights (either with regard to actions by the Co-Issuer or the Company’s Class B Common Stock being held by the Co-Issuer). The rights of the Class B Common Stock may be changed by an amendment to the Company’s Bylaws or the Amended and Restated Certificate of Incorporation. Investors do not have the right to vote on any such amendment.

In addition to the Subscription Agreement with the Co-Issuer and the Co-Issuer’s Operating Agreement, the primary documents governing voting and rights of Investors holding the Securities in the Company are the Company’s Amended and Restated Certificate of Incorporation (the “**A&R COI**”) attached as Exhibit E, the Company’s Bylaws (the “**Bylaws**”) attached as Exhibit F, the Company’s Second Amended and Restated Stockholders Agreement with certain of its shareholders, attached as Exhibit G (the “**A&R Stockholders Agreement**”, together with the A&R COI, the “**Company Governing Documents**”). All statements in this Form C/A Offering Statement regarding voting and control of the Securities being sold in this Offering are qualified in their entirety by reference to the Company Governing Documents.

The shares of Class A Common Stock outstanding have superior voting rights to the Securities being sold in this Offering.

Restrictions on Transfer

Any Securities sold pursuant to Regulation CF being offered may not be transferred by any Investor of such Securities during the one-year holding period beginning when the Securities were issued, unless such Securities are transferred: (1) to the Company; (2) to an accredited investor, as defined by Rule 501(d) of Regulation D promulgated under the Securities Act; (3) as part of an IPO; or (4) to a member of the family of the Investor or the equivalent, to a trust controlled by the Investor, to a trust created for the benefit of a member of the family of the Investor or the equivalent, or in connection with the death or divorce of the Investor or other similar circumstances. “Member of the family” as used herein means a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother/father/daughter/son/sister/brother-in-law, and includes adoptive relationships. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them.

In addition to the foregoing restrictions, prior to making any transfer of the Securities or any capital stock into which they are convertible, such transferring Investor must either make such transfer pursuant to an effective registration statement filed with the SEC or provide the Company with an opinion of counsel reasonably satisfactory to the Company stating that a registration statement is not necessary to effect such transfer. Furthermore, upon the event of

an IPO, the capital stock into which the Securities are converted will be subject to a lock-up period and may not be lent, offered, pledged, or sold for up to 180 days following such IPO.

Investors in this Offering will own membership interests in the Co-Issuer. Pursuant to SEC rules, investors will receive the same economic, voting and information rights in the Class B Common Stock as if they had invested directly with the Company.

Capitalization

The following description summarizes the most important terms of the Company's capital stock. This summary does not purport to be complete and is qualified in its entirety by the provisions of our Amended and Restated Certificate of Incorporation. For a complete description of our capital stock, you should refer to our Amended and Restated Certificate of Incorporation, and to the applicable provisions of Delaware law.

On August 7, 2025, the Company filed an Amended and Restated Certificate of Incorporation. As a result, the total number of shares that the Company is authorized to issue is 65,000,000 shares of common stock, par value \$0.001 per share (the "**Common Stock**"), of which 60,000,000 shares are designated as Class A Common Stock (the "**Class A Common Stock**") and 5,000,000 shares are designated as Class B Common Stock (the "**Class B Common Stock**"). In connection with the Amended and Restated Certificate of Incorporation, all outstanding Common Stock as of such date were converted into Class A Common Stock on a one share of Common Stock to 5,190.53 shares of Class A Common Stock basis.

As of the date of this Form C/A, 57,671,958 shares of Class A Common Stock are issued and outstanding. There are no shares of Class B Common Stock issued and outstanding.

Except with respect to voting rights, all shares of Common Stock are identical and entitle the holders to the same rights and privileges.

Outstanding Capital Stock

As of the date of this Form C/A, the Company's outstanding capital stock consists of:

Type	Class A Common Stock
Amount Outstanding	57,671,958
Par Value Per Share	\$0.001
Voting Rights	One vote per share
Anti-Dilution Rights	None
How this security may limit, dilute or qualify the Security issued pursuant to Regulation CF	The Company may issue additional shares of Class A Common Stock at a later date. The issuance of such additional shares of Class A Common Stock would be dilutive, and could adversely affect the value of the Securities issued pursuant to Regulation CF.
Percentage ownership of the Company by the holders of such security (assuming conversion prior to the Offering of convertible securities).	100%

Outstanding Options, Safes, Convertible Notes, Warrants

As of the date of this Form C/A, the Company does not have any outstanding Options, Safes, Convertible Notes or Warrants.

Voting and Control

Each Investor who purchases the Securities is not entitled to vote on any matter or to call for an annual or special shareholders meeting. As a result of purchasing Securities in this Offering, the Investors will have no voting or control over any corporate matters of the Company, including additional issuance of securities, Company repurchase of securities, a sale of the Company or its significant assets, or Company transactions with related parties. Investors in the Co-Issuer will indirectly hold only the Securities (the Class B Common Stock) and are completely passive investors. Investors should not purchase the Securities if they are not comfortable with this lack of voting and control.

The Company has in place the A&R Stockholders Agreement with certain common stock shareholders attached as Exhibit G. The A&R Stockholders Agreement provides the Company with certain protections in the event the APA is not consummated between the Company and WWWG. In addition, the A&R Stockholders Agreement outlines certain customary restrictions on the Company prior to the closing of the APA. Finally, the A&R Stockholders Agreement governs distributions, winding up procedures, restrictions on transfer of shares, management, control, minority rights, non-competition and board composition and voting procedures for the Company. The Co-Issuer will not be required to become a party to the A&R Stockholders Agreement.

Dilution

The Securities do not have anti-dilution rights, which means that future equity issuances and other events will dilute the ownership percentage that Investors may eventually have in the Company. Investors should understand and expect the potential for dilution. The Investor's stake in the Company could be diluted due to the Company issuing additional shares of stock or other convertible securities to other parties. In other words, when the Company issues more shares, the percentage of the Company that you own will go down, even though the value of the Company may go up (there is no guarantee that it will). You will own a smaller piece of a larger Company (or, if the value goes down, then a smaller piece of a smaller company). This increase in number of shares outstanding could result from a stock offering (such as an initial public offering, another crowdfunding round, a venture capital round or angel investment),

employees exercising stock options, or by conversion of certain instruments (e.g. convertible bonds, preferred shares or warrants) into stock. If the Company decides to issue more shares, an investor could experience value dilution, with each share being worth less than before, and control dilution, with the total percentage an investor owns being less than before. There may also be earnings dilution, with a reduction in the amount earned.

What it Means to be a Minority Holder

TRANSACTIONS WITH RELATED PERSONS AND CONFLICTS OF INTEREST

From time to time the Company may engage in transactions with related persons. Related persons are defined as any director or officer of the Company; any person who is the beneficial owner of twenty percent (20%) or more of the Company's outstanding voting equity securities, calculated on the basis of voting power; any promoter of the Company; any immediate family member of any of the foregoing persons or an entity controlled by any such person or persons. Additionally, the Company will disclose here any transaction since the beginning of the issuer's last fiscal year, or any currently proposed transaction, to which the issuer was or is to be a party and the amount involved exceeds five percent (5%) of the aggregate amount of capital raised by the issuer in reliance on section 4(a)(6), including the Target Offering Amount of this Offering, and the counter party is either (i) any director or officer of the issuer; (ii) any person who is, as of the most recent practicable date but no earlier than 120 days prior to the date the offering statement or report is filed, the beneficial owner of twenty percent (20%) or more of the issuer's outstanding voting equity securities, calculated on the basis of voting power; (iii) if the issuer was incorporated or organized within the past three years, any promoter of the issuer; or (iv) any member of the family of any of the foregoing persons, which includes a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, and shall include adoptive relationships. The term *spousal equivalent* means a cohabitant occupying a relationship generally equivalent to that of a spouse.

The Company has conducted the following transactions with related persons:

- (a) Greg Sullivan, the Company's Chief Real Estate Officer, is the majority beneficial owner of Wild Wild West Group, LLC ("WWWG"). As mentioned herein, the Company entered into an Asset Purchase Agreement ("APA") with WWWG on January 1, 2024 to purchase the ByOwner.com domain name and other assets. The purchase was pursuant to a promissory note (the "Note") to be paid in installments through May 2028. In connection with the APA, the Company also entered into an Interim Services Agreement (the "ISA") with WWWG. The term of the ISA continues until the Note is paid in full. The fees for services under the ISA were originally 25% of the weekly gross revenue of the Company with a minimum amount due of \$62,500 per quarter. The APA and ISA were amended on March 21, 2025, to eliminate the minimum payment required each quarter. In 2024, \$189,272 was paid to WWWG pursuant to the ISA. For terms related to the outstanding Note, please refer to the "**DEBT**" section above.
- (b) Derek Eisenberg, the Company's Chief Brokerage Officer and Director, is the majority beneficial owner of Continental Real Estate Group, Inc. ("CREG"). On January 2, 2024, the Company entered into a Referral Agreement (the "RA") with CREG to service certain customers of the Company. The Company has agreed to pay CREG \$90 per listing for each listing that CREG successfully posts to an MLS service under a CREG listing package. In addition, when a home is sold under a CREG listing package, any back-end fees generated from the sale will be split between the Company and CREG. CREG will retain .1% of the home sales price or \$250 whichever is greater. Any back end fees generated above that amount will be distributed to the Company. For reference, typical total back-end fees for a successful home sale transaction is currently .25% of the sale value of the home. In 2024, \$14,986 in referral fees were paid to CREG. The term of the RA is one year and will automatically renew unless either party gives notice of its intention not to renew the RA. The Company and CREG may terminate the RA at any time, for any reason by providing 90 days prior written notice.

Invest in the Company Ending Real Estate Commissions

ByOwner.com helps sellers save over \$20,000 in commissions with flat-fee MLS listings that offer the same reach as traditional brokers without the cost. In just 90 days, this model has attracted \$180 million in listings. Beyond individual sales, our platform generates valuable real estate data for B2B clients in brokerage, mortgage, and insurance.

With major nationwide retail partnerships on the horizon, we're positioned to scale into a \$100B market¹. **Now's your chance to share in our growth as an early-stage investor.**

PROBLEM

The 6% Fee Costing Americans **\$100B/Year**

Last year, Americans sold
4M+ homes, losing over \$100B¹

in equity to real estate commissions. After the mortgage is paid, these fees eat up to 6% of owners' hard-earned equity. In this tech-forward market, agents primarily connect buyers and sellers. So why should they collect a huge cut? That's why we modernized the model.

SOLUTION

Using Tech to **End Commissions**

For one low price, we offer the same end-to-end support, but we redesign it to give owners back control (and money). Whether you're a buyer, seller, or business, ByOwner makes real estate work for you with:

- ✓ Flat-fee listings that can save sellers up to 95% compared with traditional commissions
- ✓ Options from basic MLS exposure to full service, so sellers choose what fits their needs
- ✓ We're building a nationwide network of showing agents to help buyers view properties without commissions or long-term agent commitments.
- ✓ A massive data network that powers marketing, B2B partnerships, and future growth

TRACTION

\$180M in Homes in **Just 90 Days**

With proven success, powerful real estate data, and high-quality networks in place, we're already on our way to mass adoption.

\$180M

Homes listed and 10,000+ quality leads generated in 90 days

350+ partnerships

Currently onboarding 350+ MLS partnerships

46

Licensed in 46 states (nationwide by year's end)

Big Retailers

We're actively in negotiations with several nationwide major big-box retailers.

OPPORTUNITY

Diversified Revenue That **Doesn't Prey on Owners**

We save sellers thousands, but our model is also designed for strong margins and growth. While the flat fee lists the property, sellers often choose mortgage, title, and insurance services through our network, generating revenue through strategic partnerships. Then big-box retailers promote ByOwner.com to their customers, boosting brand awareness and generating new leads. **It's a diversified model built to grow with each transaction.**

EXIT POTENTIAL

An Industry (and Team) Known for Acquisitions

Similar companies with substantially fewer data streams and leads have recently sold for billions:

Rocket Mortgage is acquiring Redfin for \$1.75 billion
in a deal scheduled to close in 2025.

Zillow acquired Trulia for \$3.5 billion
in 2015.

Lower.com acquired Movoto and Neat Capital in 2025
for a reportedly substantial price

COMPETITIVE ADVANTAGE

Why ByOwner.com Stands Out

Like others, we're a fully licensed national brokerage. But our flat-fee model saves sellers up to 95% in commissions while giving them control over the process, whether they want a basic MLS listing or full-service support. Our real-time data on every listing and lead fuels AI-driven marketing and a powerful B2B engine. And unlike others, we monetize across brokerage, mortgage, title, insurance, and retail partnerships, creating diversified revenue streams.

Frequently Asked Questions

1. Why invest in startups?

[Regulation CF](#) allows investors to invest in startups and early-growth companies. This is different from helping a company raise money on Kickstarter; with Regulation CF Offerings, you aren't buying products or merchandise - you are buying a piece of a company and helping it grow.

2. How much can I invest?

[Accredited investors](#) can invest as much as they want. But if you are NOT an accredited investor, your investment limit depends on either your annual income or net worth, whichever is greater. If the number is less than \$124,000,

you can only invest 5% of it. If both are greater than \$124,000 then your investment limit is 10%.

3. How do I calculate my net worth? ✕

To calculate your net worth, just add up all of your assets and subtract all of your liabilities (excluding the value of the person's primary residence). The resulting sum is your net worth.

4. What are the tax implications of an equity crowdfunding investment? ✕

We cannot give tax advice, and we encourage you to talk with your accountant or tax advisor before making an investment.

5. Who can invest in a Regulation CF Offering? ✕

Individuals over 18 years of age can invest.

6. What do I need to know about early-stage investing? Are these investments risky? ✕

There will always be some risk involved when investing in a startup or small business. And the earlier you get in the more risk that is usually present. If a young company goes out of business, your ownership interest could lose all value. You may have limited voting power to direct the company due to dilution over time. You may also have to wait about five to seven years (if ever) for an exit via acquisition, IPO, etc. Because early-stage companies are still in the process of perfecting their products, services, and business model, nothing is guaranteed. That's why startups should only be part of a more balanced, overall investment portfolio.

7. When will I get my investment back? ✕

The Common Stock (the "Shares") of ByOwner.Com (the "Company") are not publicly-traded. As a result, the shares cannot be easily traded or sold. As an investor in a private company, you typically look to receive a return on your investment under the following scenarios: The Company gets acquired by another company. The Company goes public (makes an initial public offering). In those instances, you receive your pro-rata share of the distributions that occur, in the case of acquisition, or you can sell your shares on an exchange. These are both considered long-term exits, taking approximately 5-10 years (and often longer) to see the possibility for an exit. It can sometimes take years to build companies. Sometimes there will not be any return, as a result of business failure.

8. Can I sell my shares? ✕

Shares sold via Regulation Crowdfunding offerings have a one-year lockup period before those shares can be sold under certain conditions.

9. Exceptions to limitations on selling shares during the one-year lockup period: ✕

In the event of death, divorce, or similar circumstance, shares can be transferred to:

- The company that issued the securities;
- An accredited investor;
- A family member (child, stepchild, grandchild, parent, stepparent, grandparent, spouse or equivalent, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships).

10. What happens if a company does not reach their funding target? ✕

If a company does not reach their minimum funding target, all funds will be returned to the investors after the close of the offering.

11. How can I learn more about a company's offering? ✕

All available disclosure information can be found on the offering pages for our Regulation Crowdfunding offering.

12. What if I change my mind about investing? ✕

You can cancel your investment at any time, for any reason, until 48 hours prior to a closing occurring. If you've already funded your investment and your funds are in escrow, your funds will be promptly refunded to you upon cancellation. To submit a request to cancel your investment please email:

info@dealmakersecurities.com

13. How do I keep up with how the company is doing? ✕

At a minimum, the company will be filing with the SEC and posting on its website an annual report, along with certified financial statements. Those

These annual reports may not be filed with the SEC until they should be available 120 days after the fiscal year end. If the company meets a reporting exception, or eventually has to file more reported information to the SEC, the reporting described above may end. If these reports end, you may not continually have current financial information about the company.

14. What relationship does the company have with DealMaker Securities?

Once an offering ends, the company may continue its relationship with DealMaker Securities for additional offerings in the future. DealMaker Securities' affiliates may also provide ongoing services to the company. There is no guarantee any services will continue after the offering ends.

5. Representations and Warranties of Subscriber. (b) Investment Representations. Subscriber understands that the Securities have not been registered under the Securities Act. Subscriber also understands that the Securities are being offered and sold pursuant to an exemption from registration contained in the Act based in part upon Subscriber's representations contained in this Subscription Agreement. Subscriber is a natural person.

(c) Manner of Holding. Subscriber understands that the Subscriber is investing into the Company, which will serve as a "crowdfunding vehicle" for an investment between the Company and the Crowdfunding Issuer. The Company will maintain records of securityholders and provide rights as if the Subscriber invested directly into the Crowdfunding Issuer.

(d) Illiquidity and Continued Economic Risk. Subscriber acknowledges and agrees that there is no ready public market for the Securities and that there is no guarantee that a market for their resale will ever exist. Subscriber must bear the economic risk of this investment indefinitely and the Company has no obligation to list the Securities on any market or take any steps (including registration under the Securities Act or the Securities Exchange Act of 1934, as amended) with respect to facilitating trading or resale of the Securities. Subscriber acknowledges that Subscriber is able to bear the economic risk of losing Subscriber's entire investment in the Securities. Subscriber also understands that an investment in the Company involves significant risks and has taken full cognizance of and understands all of the risk factors relating to the purchase of Securities.

(e) Resales. Subscriber agrees that during the one-year period beginning on the date on which it acquired Securities pursuant to this Subscription Agreement, it shall not transfer such Securities except:

(i) To the Company;

(ii) To an "accredited investor" within the meaning of Rule 501 of Regulation D under the Securities Act;

(iii) As part of an offering registered under the Securities Act with the SEC;

(iv) To a member of the Subscriber's family or the equivalent, to a trust controlled by the Subscriber, to a trust created for the benefit of a member of the family of the Subscriber or equivalent, or in connection with the death or divorce of the Subscriber or other similar circumstance.

(v) Subscriber understands and agrees that Subscriber will not attempt to Transfer or engage in any resales and that such transfers and resales may be prohibited by the Manager of the Company in its sole discretion, but for very limited situations.

(f) Investment Limits. Subscriber represents that either:

(i) Either of Subscriber's net worth or annual income is less than \$124,000, and that the amount it is investing pursuant to this Subscription Agreement, together with all other amounts invested in offerings under Section 4(a)(6) of the Securities Act within the previous 12 months, is either less than (A) 5% of the greater of its annual income or net worth, or (B) \$2,500; or

(ii) Both of Subscriber's net worth and annual income are more than \$124,000, and that the amount it is investing pursuant to this Subscription Agreement, together with all other amounts invested in offerings under Section 4(a)(6) of the Securities Act within the previous 12 months, is less than 10% of the greater of its annual income or net worth, and does not exceed \$124,000; or

(iii) Subscriber is an "accredited investor" within the meaning of Rule 501 of Regulation D under the Securities Act, and no investment limits shall apply.

(g) Subscriber information. Subscriber acknowledges that except as set forth herein, no representations or warranties have been made to Subscriber, or to Subscriber's advisors or representative, by the Crowdfunding Issuer or others with respect to the business or prospects of the Crowdfunding Issuer or its financial condition.

(i) Valuation. The Subscriber acknowledges that the price of the Securities was set by the Crowdfunding Issuer on the basis of the Crowdfunding Issuer's internal valuation and no warranties are made as to value. The Subscriber further acknowledges that future offerings of Securities may be made at lower valuations, with the result that the Subscriber's investment will bear a lower valuation.

(j) Domicile. Subscriber maintains Subscriber's domicile (and is not a transient or temporary resident) at the address shown on the signature page.

(k) Foreign Investors. If Subscriber is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), Subscriber hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Securities or any use of this Subscription Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Securities, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Securities. Subscriber's subscription and payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of the Subscriber's jurisdiction.

6. Indemnity. The representations, warranties and covenants made by the Subscriber herein shall survive the closing of this Agreement. The Subscriber agrees to indemnify and hold harmless the Company, the Crowdfunding Issuer and their respective officers, directors and affiliates, and each other person, if any, who controls the Company or the Crowdfunding Issuer, as the case may be, within the meaning of Section 15 of the Securities Act, against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all reasonable attorneys' fees, including attorneys' fees on appeal) and expenses reasonably incurred in investigating, preparing or defending against any false representation or warranty or breach of failure by the Subscriber to comply with any covenant or agreement made by the Subscriber herein or in any other document furnished by the Subscriber to any of the foregoing in connection with this transaction.

7. Transfer Restrictions.

(a) "Market Stand-Off" Agreement. Each Subscriber hereby agrees that it will not, without the prior written consent of the managing underwriter or financial advisor to the Crowdfunding Issuer (as applicable), during the period commencing on the date of the final prospectus relating to the registration by the Crowdfunding Issuer of its securities under the Securities Act on a registration statement on Form S-1 or Form S-3, and ending on the date specified by the Crowdfunding Issuer and the managing underwriter (such period not to exceed one hundred eighty (180) days in the case of the initial public offering (the "IPO") or any merger with or into a special purpose acquisition vehicle ("SPAC")), or such other period as may be requested by the Crowdfunding Issuer or an underwriter or financial advisor to accommodate regulatory restrictions on (1) the publication or other distribution of research reports, and (2) analyst recommendations

and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), or ninety (90) days in the case of any registration other than the IPO, or such other period as may be requested by the Crowdfunding Issuer, its financial advisors or an underwriter to accommodate regulatory restrictions on (1) the publication or other distribution of research reports and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), (i) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any Shares (or other securities, whether such shares or any such securities are then owned by the Subscriber or are thereafter acquired) or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Securities, in cash, or otherwise. The foregoing provisions of this Section 7(a) shall not apply to the sale of any securities to an underwriter pursuant to an underwriting agreement, or the transfer of any securities to any trust for the direct or indirect benefit of the Subscriber or the immediate family of the Subscriber, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, and shall be applicable to the Subscribers only if all officers and directors are subject to the same restrictions. The financial advisors of the Crowdfunding Issuer or its underwriters in connection with such registration are intended third party beneficiaries of this Section 7(a) and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Subscriber further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with such registration that are consistent with this Section 7(a) or that are necessary to give further effect thereto.

For purposes of this Section 7(a), the term “Crowdfunding Issuer” shall include any wholly owned subsidiary of the Crowdfunding Issuer into which the Crowdfunding Issuer merges or consolidates. In order to enforce the foregoing covenant, the Crowdfunding Issuer may impose stop transfer instructions with respect to the Subscriber’s registrable securities of the Crowdfunding Issuer (and the Crowdfunding Issuer shares or securities of every other person subject to the foregoing restriction) until the end of such period. The Subscriber agrees that a legend reading substantially as follows may be placed on all certificates representing all of such Subscriber’s registrable securities of the Crowdfunding Issuer (and the Crowdfunding Issuer shares or securities of every other person subject to the restriction contained in this Section 7(a)):

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A LOCK-UP PERIOD BEGINNING ON THE EFFECTIVE DATE OF THE REGISTRATION STATEMENT OF BYO HOLDINGS CORPORATION (“BYO HOLDINGS”), FILED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AS SET FORTH IN AN AGREEMENT BETWEEN BYO HOLDINGS AND THE ORIGINAL HOLDER OF THESE SECURITIES, A COPY OF WHICH MAY BE OBTAINED AT BYO HOLDINGS’ PRINCIPAL OFFICE. SUCH LOCK-UP PERIOD IS BINDING ON TRANSFEREES OF THESE SECURITIES.”

(b) Further Limitations on Disposition. Without in any way limiting the representations and warranties set forth in this Agreement, the Subscriber agrees not to make any disposition of all or any portion of the Crowdfunding Issuer’s Class B Common Stock or any securities which may be converted into the Crowdfunding Issuer’s Class B Common Stock unless and until the transferee has agreed in writing for the benefit of the Crowdfunding Issuer to make the representations and warranties set out in Section 5 and the undertaking set out in Section 7(a) of this Agreement and:

(i) there is then in effect a registration statement under the Securities Act covering such proposed disposition, and such disposition is made in connection with such registration statement; or

(ii) such Subscriber has (A) notified the Crowdfunding Issuer of the proposed disposition; (B) furnished the Crowdfunding Issuer with a detailed statement of the circumstances surrounding the proposed disposition; and (C) if requested by the Crowdfunding Issuer, furnished the Crowdfunding Issuer with an opinion of counsel reasonably satisfactory to the Crowdfunding Issuer that such disposition will not require registration under the Securities Act.

The Subscriber agrees that it will not make any disposition of any of the Crowdfunding Issuer's securities to the Crowdfunding Issuer's competitors, as determined in good faith by the Crowdfunding Issuer.

The parties (a) hereby irrevocably and unconditionally submit to the jurisdiction of the Delaware Court of Chancery and to the jurisdiction of the United States District Court for the District of Delaware for the purpose of any suit, action or other proceeding arising out of or based upon this Agreement, (b) agree not to commence any suit, action or other proceeding arising out of or based upon this Agreement except in the above-named courts, except as provided for in Section 10, and (c) hereby waive, and agree not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof may not be enforced in or by such court.

9. WAIVER OF JURY TRIAL. EACH PARTY HEREBY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE OTHER TRANSACTION AGREEMENTS, THE SHARES OR THE SUBJECT MATTER HEREOF OR THEREOF. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS (INCLUDING NEGLIGENCE), BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. Capitalized terms used herein without definition shall have the respective meanings ascribed to them in Article X.

WHEREAS, the Company was formed to serve as a “crowdfunding vehicle” as that term is defined in Rule 3a-9 under the Investment Company Act of 1940, as amended (the “**Investment Company Act**”), which provides that the Company must be organized and operated for the sole purpose of directly acquiring, holding, and disposing of securities issued by a single crowdfunding issuer and raising capital in one or more offerings made in compliance with Regulation Crowdfunding under the Securities Act of 1933, as amended (the “**Securities Act**”).

WHEREAS, it is the intent of the Company to issue Interests (defined below) that maintain a one-to-one relationship between the number, denomination, type and rights of the securities issued by the Crowdfunding Issuer to the Company pursuant to Regulation Crowdfunding.

NOW THEREFORE, the limited liability company agreement of the Company is hereby adopted to read in its entirety as agreed upon the Company, its Manager, and the Members as follows:

(d) On any matter that is to be voted on by the Members, a Member may vote in person or by proxy, and such proxy may be granted in writing, by means of Electronic Transmission, or as otherwise permitted by Applicable Law. Every proxy shall be revocable in the discretion of the Member executing it unless otherwise provided in such proxy; provided, that such right to revocation shall not invalidate or otherwise affect actions taken under such proxy prior to such revocation.

Section 3.03 Prohibited Actions. The Manager is prohibited from having the Company take the following actions, or any other action which would result in the Company violating the conditions to be a "crowdfunding vehicle" pursuant to Rule 3a-9 under the Investment Company Act, except for transactions with the Crowdfunding Issuer pursuant to Regulation Crowdfunding. Such prohibited actions include, but are not limited to:

(a) Incurring any indebtedness, pledge or granting liens on any assets, or guarantee, assume, endorse, or otherwise become responsible for the obligations of any other Person.

An Officer is not required to be a Member of the Company. Any individual may hold two or more offices of the Company. Each Officer shall hold office until his or her successor is designated by the Manager or until his or her earlier death, resignation, or removal. Any Officer may resign at any time upon written notice to the Manager. Any Officer may be removed by the Manager at any time, with or without cause. A vacancy in any office occurring because of death, resignation, removal, or otherwise may, but need not, be filled by the Manager.

Following the Manager’s removal or resignation, a successor Manager shall be elected by the affirmative vote of the Members holding a majority of the Interests. The removal of the Manager shall not affect the Manager’s rights as a Member and shall not constitute a withdrawal of such Member from the Company.

ARTICLE IV – ALLOCATIONS

Section 4.01 Allocation of Profits and Losses.

(a) In the event that any distributable cash or other assets are received by the Company from the Crowdfunding Issuer pursuant to the terms of the Securities, the Manager shall make such distributions promptly to the holders of the Interests on a one-to-one basis as if the holders of the Interests

held the Securities directly. The Manager may instruct the Crowdfunding Issuer to make such distribution directly to the holders of the Interests.

(b) Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make any distribution to Members if such distribution would violate the Delaware Act or other Applicable Law.

ARTICLE VI – TRANSFERS

Section 6.01 General Restrictions on Transfer.

(a) No Member shall Transfer all or any portion of its Interests in the Company, except with the written consent of the Manager. No Transfer of Interests to a Person not already a Member of the Company shall be deemed completed until the prospective Transferee is admitted as a Member of the Company in accordance with Section 2.03 hereof.

(b) Notwithstanding any other provision of this Agreement (including Section 6.02), each Member agrees that it will not Transfer all or any portion of its Interests in the Company, and the Company agrees that it shall not issue any Interests:

(i) except as permitted under the Securities Act and other applicable federal or state securities or blue sky laws;

(ii) if such Transfer or issuance would affect the Company's existence or qualification as a limited liability company under the Delaware Act;

(d) Except as provided in Section 2.05(b), no Transfer (including a permitted Transfer) of Interests to a Person not already a Member of the Company shall be deemed completed until the prospective Transferee (including a permitted Transferee) is admitted as a Member of the Company in accordance with Section 2.03(b) hereof.

(a) During the one-year period beginning on the date on which it acquired the Interest, a Member may not transfer such Interest except:

(a) Except as otherwise provided in the Delaware Act, by Applicable Law, or expressly in this Agreement, no Member will be obligated personally for any debt, obligation, or liability of the Company or other Members, whether arising in contract, tort, or otherwise, solely by reason of being a Member.

(b) Except as otherwise provided in the Delaware Act, by Applicable Law, or expressly in this Agreement, no Manager will be obligated personally for any debt, obligation, or liability of the Company, whether arising in contract, tort, or otherwise, solely by reason of being a Manager.

Section 7.02 Indemnification.

(a) To the fullest extent permitted under the Delaware Act, any Covered Person (as defined in section (c) below) shall be entitled to indemnification and reimbursement of expenses by the Crowdfunding Issuer for and against any loss, damage, claim, or expense (including attorneys’ fees) (collectively, “**Losses**”) whatsoever incurred by the Covered Person relating to or arising out of any act or omission or alleged acts or omissions (whether or not constituting negligence) performed or omitted by any Covered Person on behalf of the Company; provided, however, that (i) any indemnity under this Section 7.02 shall be provided by the Crowdfunding Issuer, and neither any Member nor any other Person shall have any personal liability to contribute to such indemnity by the Crowdfunding Issuer; (ii) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful; and (iii) such Covered Person’s conduct did not constitute fraud or willful misconduct, in either case as determined by a final, nonappealable order of a court of competent jurisdiction.

(b) Upon receipt by the Company of a written undertaking by or on behalf of the Covered Person to repay such amounts if it is finally judicially determined that the Covered Person is not entitled to indemnification under this Section 7.02, the Crowdfunding Issuer shall advance, to the extent reasonably required, each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend, or defending any claim, lawsuit, or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 7.02.

(c) For purposes of this Section 7.02, “**Covered Person**” means (i) each Member of the Company; (ii) each Manager and Officer of the Company; and (iii) each officer, director, shareholder, partner, manager, member, Affiliate, employee, agent, or representative of each Member and of each Manager.

ARTICLE VIII – REPORTS, ACCOUNTING, AND TAX MATTERS

Section 8.01 Inspection Rights. Upon reasonable notice from a Member and in accordance with a proper purpose under the Delaware Act, the Company shall afford the Member access during normal business hours to the corporate, financial, and similar records, reports, and documents of the Company, and shall permit the Member to examine such documents and make copies thereof. Further, upon reasonable notice from a Member, the Manager shall make available the same such information of the Crowdfunding Issuer so long as it is for a proper purpose in accordance with the Delaware General Corporation Law.

Section 8.02 Income Tax Status. It is the intent of this Company and the Members that this Company shall be treated as partnership for US, federal, state, and local income tax purposes. Neither the Manager nor any Member shall make an election for the Company to be classified as other than a partnership pursuant to Treasury Regulations Section 301.7701-3.

Section 8.03 Tax Matters Representative.

(a) Appointment; Resignation. The Members hereby appoint the Manager as the “partnership representative” as provided in Section 6223(a) of the Code (the “**Partnership Representative**”). The Partnership Representative can be removed at any time by a vote of Members holding 85% of the Interests of the Company, and shall resign if it is no longer the Manager. In the event of the resignation or removal of the Partnership Representative, the holders of a majority of the Interests of the Company shall appoint a new Partnership Representative.

(b) Tax Examinations and Audits. The Partnership Representative is authorized and required to represent the Company (at the Company’s expense) in connection with all examinations of the Company’s affairs by any federal, state, local, or foreign taxing authority, including resulting administrative and judicial proceedings, and to expend Company funds for professional services and costs associated therewith.

The Partnership Representative shall have sole authority to act on behalf of the Company in any such examinations and any resulting administrative or judicial proceedings, and shall have sole discretion to determine whether the Company (either on its own behalf or on behalf of the Members) will contest or continue to contest any tax deficiencies assessed or proposed to be assessed by any taxing authority.

(c) US Federal Tax Proceedings. To the extent permitted by applicable law and regulations, the Partnership Representative will cause the Company to annually elect out of the partnership audit procedures set forth in Subchapter C of Chapter 63 of the Code as amended by the Bipartisan Budget Act of 2015 (the “**Revised Partnership Audit Rules**”) pursuant to Section 6221(b) of the Code. For any year in which applicable law and regulations do not permit the Company to elect out of the Revised Partnership Audit Rules, then within forty-five (45) days of any notice of final partnership adjustment, the Partnership Representative will cause the Company to elect the alternative procedure under Section 6226 of the Code, and furnish to the Internal Revenue Service and each Member (including former Members) during the year or years to which the notice of final partnership adjustment relates a statement of the Member’s share of any adjustment set forth in the notice of final partnership adjustment.

(d) Section 754 Election. The Partnership Representative shall make an election under Section 754 of the Code only with the agreement in writing of a majority of the outstanding Interests.

(e) Indemnification. The Company, through the Crowdfunding Issuer, shall defend, indemnify, and hold harmless the Partnership Representative against any and all liabilities sustained as a result of any act or decision concerning Company tax matters and within the scope of such Member's responsibilities as Partnership Representative, so long as such act or decision was done or made in good faith and does not constitute gross negligence or willful misconduct.

Section 8.04 Tax Returns.

(a) At the expense of the Crowdfunding Issuer, the Manager will cause the preparation and timely filing (including extensions) of all tax returns required to be filed by the Company pursuant to the Code as well as all other required tax returns in each jurisdiction in which the Company owns property or does business. As soon as reasonably possible after the end of each Fiscal Year, the Manager will deliver to each Member, Company information necessary for the preparation of such Member's federal, state, and local income tax returns for such Fiscal Year.

(b) Each Member agrees that such Member shall not treat any Company item on such Member's federal, state, foreign, or other income tax return inconsistently with the treatment of the item on the Company's return.

Section 8.05 Reports under Regulation Crowdfunding.

(a) The Manager shall provide all information necessary to the Crowdfunding Issuer for the Crowdfunding Issuer to make such ongoing reports as required by Regulation Crowdfunding.

(b) The Manager will cause the prompt distribution of any disclosure, and ongoing reports prepared by the Crowdfunding Issuer as soon as such disclosures and ongoing reports are completed by the Crowdfunding Issuer.

ARTICLE IX – DISSOLUTION AND LIQUIDATION

Section 9.01 Events of Dissolution. The Company shall be dissolved and its affairs wound up only upon the occurrence of any of the following events:

- (a) An election to dissolve the Company made by holders of 85% of the Interests;
- (b) The sale, exchange, involuntary conversion, or other disposition or Transfer of all or substantially all of the assets of the Crowdfunding Issuer;

provided in Section 9.03, and the Certificate of Formation shall have been cancelled as provided in Section 9.04.

Section 9.03 Liquidation. If the Company is dissolved pursuant to Section 9.01, the Company shall be liquidated and its business and affairs wound up in accordance with the Delaware Act and the following provisions:

(a) The Manager, or another Person selected by the Manager, shall act as liquidator to wind up the Company (the “**Liquidator**”). The Liquidator shall have full power and authority to distribute, sell, assign, and encumber any or all of the Company’s assets and to wind up and liquidate the affairs of the Company in an orderly and business-like manner, in compliance with rules and regulations applicable to a “crowdfunding vehicle.”

(b) As promptly as possible after dissolution and again after final liquidation, the Liquidator shall cause a proper accounting to be made of the Company’s Securities, assets, liabilities, and operations through the last day of the calendar month in which the dissolution occurs or the final liquidation is completed, as applicable.

(c) The Liquidator shall transfer ownership of the Securities to the Interest holders.

(d) The Liquidator shall then liquidate the assets of the Company, if any, and distribute the proceeds of such liquidation in the following order of priority, unless otherwise required by mandatory provisions of Applicable Law, and with any amounts to be paid to creditors to be paid by the Crowdfunding Issuer:

(i) First, to the payment of the Company’s debts and liabilities to its creditors (including Members, if applicable) and the expenses of liquidation (including sales commissions incident to any sales of assets of the Company);

(ii) Second, to the establishment of and additions to reserves that are determined by the Manager to be reasonably necessary for any contingent unforeseen liabilities or obligations of the Company; and

(iii) Third, to the Members, on a pro rata basis, in accordance with the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments for the taxable year of the Company during which the liquidation of the Company occurs.

Section 9.04 Required Filings. Upon completion of the winding up of the Company, the Liquidator shall make all necessary filings required by the Delaware Act.

Section 1.2. **Special Meetings.** Special meetings of the stockholders may be called at any time by the Board of Directors, the Chairman of the Board of Directors or the holders of shares entitled to cast not less than ten percent of the votes at the meeting, such meeting to be held on a date and at a time and place either within or without the state of Delaware as may be stated in the notice of the meeting. Business transacted at any special meeting of the stockholders shall be limited to the purposes stated in the notice.

Section 1.3. **Notice of Meetings.** Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting shall be given not less than ten nor more than sixty days before the date of the meeting to each stockholder entitled to vote thereat. If mailed, such notice shall be deemed to be given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the Corporation. Such notice shall state the place, date and hour of the meeting, and in the case of a special meeting, the general purpose for which the meeting is called.

Section 1.4. **Adjournments.** Any meeting of stockholders may be adjourned from time to time, to reconvene at the same or some other place. Notice need not be given of any such adjourned meeting if the date, time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 30 days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Section 1.5. **Quorum.** At each meeting of stockholders, except where otherwise provided by law or the certificate of incorporation or these bylaws, the holders of a majority of the outstanding shares of stock entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of the stockholders. In the absence of a quorum, any meeting of stockholders may be adjourned from time to time by the vote of a majority of the shares represented either in person or by proxy until a quorum is present or represented. Shares of its own capital stock belonging to the Corporation or to another Corporation where the majority of the voting power is held by the Corporation shall neither be entitled to vote nor counted for quorum purposes; provided, however, that the foregoing shall not limit the right of the Corporation to vote stock, including but not limited to its own stock, held by it in a fiduciary capacity.

Section 1.6. **Organization.** Meetings of stockholders shall be presided over by the Chairman of the Board of Directors, if any, or in the absence of the Chairman of the Board of Directors by the Vice Chairman of the Board of Directors, if any, or in the absence of the Vice Chairman of the Board of Directors by the President, or in the absence of the foregoing persons by a chairman designated by the Board of Directors, or in the absence of such designation by a chairman chosen at the meeting. The Secretary, or in the absence of the Secretary, an Assistant Secretary, shall act as secretary of the meeting, or in their absence the chairman of the meeting may appoint any person to act as secretary of the meeting.

Section 1.7. **Voting.** Unless otherwise provided in the certificate of incorporation, each stockholder entitled to vote at any meeting of stockholders shall be entitled to one vote for each share held by such stockholder which has voting power upon the matter in questions. Directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. In all other matters, unless otherwise provided by law or by the certificate of incorporation or these bylaws, the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the subject matter at a meeting in which a quorum is present shall be the act of the stockholders. Where a separate vote by class or classes is required, the affirmative vote of the holders of a majority of the shares of such class or classes present in person or represented by proxy shall be the act of such class or classes, except as otherwise provided by law or by the certificate of incorporation or these bylaws.

Section 1.8. **Stockholder's Proxies.** Every person entitled to vote or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act by proxy with respect to such shares. No proxy shall be voted or acted on after three years from its date, unless the proxy provides for a longer period. Every proxy continues in full force and effect until revoked by the person executing it. Such revocation may be effected by a writing delivered to the Corporation stating that the proxy is revoked or by a subsequent proxy executed by the person executing the prior proxy and presented to the meeting, or as to any meeting by attendance at such meeting and voting in person by the person executing the proxy.

Section 1.9. Fixing Date for Determination of Stockholders of Record. In order that the Corporation may determine the stockholders entitled to notice of any meeting, the Board of Directors may fix a record date, which shall not be more than sixty nor less than ten days prior to the date of such meeting, nor shall the record date precede the date upon which the resolution fixing the record date is adopted by the Board of Directors. In order that the Corporation may determine the stockholders entitled to consent to corporate action without a meeting, the Board of Directors may fix a record date, which shall not precede, or be more than 10 days after, the date upon which the resolution fixing the record date is adopted by the Board of Directors. In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or of any other lawful action, the Board of Directors may fix a record date, which shall not be more than sixty days prior to such action.

If no record date is fixed: (1) the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the business day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held; (2) the record date for determining stockholders entitled to give consent to corporate action in writing without a meeting, when no prior action by the Board of Directors has been taken, shall be the day on which the first written consent is given; if prior action by the Board of Directors is required, then the record date shall be the close of business on the date the Board of Directors adopts the resolution taking such prior action, and (3) the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto, unless the Board of Directors sets a new record date.

Section 1.10. Consent of Stockholders in Lieu of Meeting. Except as otherwise provided in the certificate of incorporation, any action which may be taken at any annual or special meeting of the stockholders may be taken without a meeting and without prior notice, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, and shall be delivered to the Corporation. Every written consent shall bear the date of signature of each stockholder who signs the consent, and no written consent shall be effective unless, within 60 days of the earliest consent, written consents signed by a sufficient number of holders have been delivered to the Corporation.

Unless all stockholders entitled to vote consent in writing, prompt notice of any stockholder approval without a meeting shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that sufficient consents were delivered to the Corporation.

ARTICLE II

Board of Directors

Section 2.1. Powers; Number; Qualifications. The business and affairs of the Corporation shall be managed by, and all corporate powers shall be exercised by or under, the direction of the Board of Directors, except as otherwise provided by laws or in the certificate of incorporation. The Board of Directors shall consist of one or more members, the number thereof to be determined from time to time by the Board of Directors.

Section 2.2. Election; Term of Office; Resignation; Removal; Vacancies. Each director shall hold office until a successor has been elected and qualified or until his or her earlier resignation or removal. Any director may resign effective upon giving written notice to the Chairman of the Board of Directors, the President or the Secretary of the Corporation. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein no acceptance of such resignation shall be necessary to make it effective. Any or all of the directors may be removed, with or without cause if such removal is approved by a majority of the outstanding voting shares then entitled to vote on the election of directors. Unless otherwise provided in the certificate of incorporation or in these bylaws, vacancies and newly-created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors then in office, although less than a quorum, or by the sole remaining director.

Section 2.3. Regular Meetings. Regular meetings of the Board of Directors may be held without notice at such places within or without the state of Delaware and at such times as the Board of Directors may from time to time determine, and if so determined notice thereof need not be given.

Section 2.4. Special Meetings; Notice of Meetings; Waiver of Notice. Special meetings of the Board of Directors may be held at any time or place within or without the state of Delaware whenever called by the Chairman of the Board of Directors, by the Vice Chairman of the Board of Directors, if any, or by any two directors. Reasonable notice shall be given by the person or persons calling the meeting unless a director signs a waiver of notice or a consent to holding the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting the lack of notice prior to the meeting or at its commencement.

Section 2.5. Participation in Meetings by Conference Telephone Permitted. Members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors or of such committee, as the case may be, through the use of conference telephone or similar communications equipment by means of which all members participating in such meeting can hear one another, and participation in a meeting pursuant to this Section shall constitute presence in person at such meeting.

Section 2.6. Quorum; Adjournment; Vote Required for Action. At all meetings of the Board of Directors a majority of the authorized number of directors shall constitute a quorum for the transaction of business. The vote of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors unless the certificate of incorporation or these bylaws shall require a vote of a greater number.

Section 2.7. Organization. Meetings of the Board of Directors shall be presided over by the Chairman of the Board of Directors, or in the absence of the Chairman of the Board of Directors by the Vice Chairman of the Board of Directors, if any, or in their absence by a chairman chosen at the meeting. The Secretary, or in the absence of the Secretary an Assistant Secretary, shall act as secretary of the meeting, but in the absence of the Secretary and any Assistant Secretary the chairman of the meeting may appoint any person to act as secretary of the meeting.

Section 2.8. Action by Directors Without a Meeting. Any action required or permitted to be taken by the Board of Directors, or any committee thereof, may be taken without a meeting if all members of the Board of Directors or of such committee, as the case may be, consent in writing to such action and such consent is filed with the minutes of the proceedings of the Board of Directors.

Section 2.9. Compensation of Directors. The Board of Directors shall have the authority to fix the compensation of directors for services in any capacity.

ARTICLE III

Committees

Section 3.1. Committees of Directors. The Board of Directors may designate one or more committees, each consisting of one or more directors. Any committee, to the extent provided in the resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board of Directors, except that no such committee shall have power or authority with respect to the following matters:

- a) Approving or adopting, or recommending to the stockholders, any action or matter expressly required by Delaware Corporation Law to be submitted to the stockholders for approval; or

b) The amendment or repeal of the bylaws, or the adoption of new bylaws.

Section 3.2. **Committee Rules.** Unless the Board of Directors otherwise provides, each committee designated by the Board of Directors may adopt, amend and repeal rules for the conduct of its business. In the absence of a provision by the Board of Directors or a provision in the rules of such committee to the contrary, each committee shall conduct its business in the same manner as the Board of Directors conducts its business pursuant to Article II of these bylaws.

ARTICLE IV

Officers

Section 4.1. **Officers; Election.** As soon as practicable after the annual meeting of stockholders in each year, the Board of Directors shall elect a President and a Secretary, and if it so determines, elect from among its members a Chairman of the Board of Directors and a Vice Chairman of the Board of Directors. The Board of Directors may also elect one or more Vice Presidents, one or more Assistant Secretaries, and such other officers as the Board of Directors may deem desirable or appropriate and may give any of them such further designations or alternate titles, as it considers desirable.

Section 4.2. **Term of Office; Resignation; Removal; Vacancies.** Except as otherwise provided in the resolution of the Board of Directors electing any officer, each officer shall hold office until his or her successor is elected and qualified or until his or her earlier resignation or removal. Any officer may resign at any time upon written notice to the Board of Directors or to the Chairman of the Board of Directors or the Secretary of the Corporation. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein no acceptance of such resignation shall be necessary to make it effective. The Board of Directors may remove any officer with or without cause at any time. Any such removal shall be without prejudice to the contractual rights of such officer, if any, with the Corporation, but the election of an officer shall not of itself create contractual rights. Any vacancy occurring in any office of the Corporation by death, resignation, removal or otherwise may be filled by the Board of Directors at any regular or special meeting.

Section 4.3. **Powers and Duties.** The officers of the Corporation shall have such powers and duties in the management of the Corporation as shall be stated in these bylaws or in a resolution of the Board of Directors which is not inconsistent with these bylaws and, to the extent not so stated, as generally pertain to their respective offices, subject to the control of the Board of Directors. The Secretary shall have the duty to record the proceedings of the meetings of the stockholders, the Board of Directors and any committees in a book to be kept for that purpose. The Board of Directors may require any officer, agent or employee to give security for the faithful performance of his or her duties.

ARTICLE V

Forms of Certificates; Loss and Transfer of Shares

Section 5.1. **Forms of Certificates.** Every holder of shares in the Corporation shall be entitled to have a certificate signed in the name of the Corporation by (1) the President, any Vice President, Chairman of the Board of Directors or Vice Chairman, and (2) by the Chief Financial Officer, Treasurer, Assistant Treasurer, Secretary or Assistant Secretary. Each certificate shall state the number of shares and the class or series of shares owned by such stockholder. If such certificate is manually signed by one officer or manually countersigned by a transfer agent or by a registrar, any other signature on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

If the Corporation is authorized to issue more than one class of stock or more than one series of any class, the powers, designations, preferences, relative or other special rights, qualifications, restrictions and limitations of each class or series shall be set forth in full or summarized on the face or back of the certificate representing such class or series of stock, provided that in lieu of the foregoing, there may be set forth on the back or face of the certificate a statement that the Corporation will furnish without charge to each stockholder who requests the powers, designations, preferences, relative or other special rights, qualifications, restrictions and limitations of such class or series.

Section 5.2. Lost, Stolen or Destroyed Stock Certificates; Issuance of New Certificates. The Corporation may issue a new share certificate or a new certificate for any other security in the place of any certificate theretofore issued by it, alleged to have been lost, stolen or destroyed, and the Corporation may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the Corporation a bond sufficient to indemnify it against any claim that may be made against it (including any expense or liability) on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate.

ARTICLE VI

Records

Section 6.1. Records. The Corporation shall keep a stock ledger, a list of stockholders and other books and records as may be required to run the Corporation. The Secretary shall have the duty to record the proceedings of the meetings of the stockholders, the Board of Directors and any committees in a book to be kept for that purpose.

Section 6.2. Form of Records. Any records maintained by the Corporation in the regular course of its business, including its stock ledger, books of account and minute books, may be kept on, or be in the form of, computer discs, magnetic tape, photographs, or any other information storage device, provided that the records so kept can be converted into clearly legible form within a reasonable time. The Corporation shall so convert any records so kept upon the request of any person entitled to inspect the same.

ARTICLE VII

Miscellaneous

Section 7.1. Fiscal Year. The fiscal year of the Corporation shall be determined by the Board of Directors.

Section 7.2. Seal. The Corporation may have a corporate seal which shall have the name of the Corporation inscribed thereon and shall be in such form as may be approved from time to time by the Board of Directors. The corporate seal may be used by causing it or a facsimile thereof to be impressed or affixed or in any other manner reproduced.

Section 7.3. Waiver of Notice of Meetings of Stockholders, Directors and Committees. Whenever notice is required to be given by law or under any provision of the certificate of incorporation or these bylaws, a written waiver thereof, signed by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent of notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders, directors or members of a committee of directors need be specified in any written waiver of notice unless required in the certificate of incorporation or these bylaws.

Section 7.4. Interested Directors; Quorum. No contract or transaction between the Corporation and one or more of its directors or between the Corporation and any other Corporation, firm or association in which one or more of its directors are directors, or have a financial interest, shall be void or voidable solely for this reason, or solely because such director or directors are present at the meeting of the Board of Directors or committee thereof which authorizes, approves or ratifies the contract or transaction, or solely because his or her or their votes are counted for such purpose, if: (1) the material facts as to his or her relationship or interest and as to the contract or transaction are fully disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee authorizes, approves or ratifies the contract or transaction in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (2) the material facts as to his or her relationship or interest and as to the contract or transaction are fully disclosed or are known to the stockholders and such contract or transaction is specifically approved by the stockholders in good faith by vote of the stockholders; or (3) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified, by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

Section 7.5. **Indemnification.** The Corporation shall have the power to indemnify to the full extent permitted by law any person made or threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person or such person's testator or instate is or was a director, officer or employee of the Corporation serves or served at the request of the Corporation as a director, officer, employee or agent of another enterprise. Expenses, including attorneys' fees, incurred by any such person in defending against such action, suit or proceeding may be paid in advance of the final disposition of such action, suit or proceeding by the Corporation upon receipt by it of an undertaking of such person to repay such expenses if it shall be ultimately determined that such person is not entitled to be indemnified by the Corporation. For purposes of this Section, the term "Corporation" shall include any predecessor of the Corporation and any constituent Corporation absorbed by the Corporation in consolidation or merger; the term "other enterprise" shall include any corporation, partnership, joint venture, trust or employee benefit plan; service "at the request of the Corporation" shall include services as a director, officer or employee of the Corporation which imposes duties on, or involves services by, such director, officer or employee with respect to an employee benefit plan, its participants or beneficiaries; any excise taxes assessed on a person with respect to an employee benefit plan shall be deemed to be indemnifiable expenses; and action by a person with respect to an employee benefit plan which such person reasonable believes to be in the interest of the participants and beneficiaries of such plan shall be deemed to be action not opposed to the best interests of the Corporation.

Section 7.6. **Amendment of Bylaws.** These bylaws may be amended or repealed, and new bylaws adopted, by the Board of Directors. The stockholders entitled to vote, however, retain the right to adopt additional bylaws and may amend or repeal any bylaw whether or not adopted by them.

RECITALS

The Shareholders are all the shareholders of BYO Holdings Corp. ("the Corporation"), a Delaware corporation.

The Corporation and Sambrotto, Eisenberg, and Sullivan entered into that certain Shareholder Agreement, dated January 1, 2024 and with Becker entered into an Amended and Restated Shareholder Agreement dated May 15, 2024 (the "Prior Agreements").

The Amended and Restated Shareholder Agreement was amended by the Omnibus Amendments Agreement dated March 21, 2025. All of Becker's shares have been transferred to his company, SAFE Inversories, in accordance with the unanimous written consent of the Shareholders and Board of Directors of the Corporation.

The Shareholders and the Corporation believe it is in their best interest to amend and restate the Prior Agreements in its entirety and to unanimously agree to the terms set forth below related to the operation, management and control of the Corporation.

AGREEMENT

In consideration of the agreements herein contained, the Shareholders agree as follows.

1. Shares Subject to This Agreement.

Each of the Shareholders owns the number of shares of common stock voting shares in the Corporation as listed below:

- Colby N. Sambrotto:	3,778	(~34.0%)
- Derek Eisenberg:	3,811	(~34.3%)
- Greg Sullivan:	1,667	(~15.0%)
- SAFE Inversories:	1,633	(~14.7%)
- Masgen LLC:	222	(~2.0%)

The shares listed above constitute all of the issued and outstanding capital stock of the Corporation. The Corporation acknowledges receipt from each Shareholder of the full consideration for the respective shares purchased by said Shareholder, and each Shareholder acknowledges the Corporation's stock ledger will reflect his or her shares. All of the shares listed above and any additional shares of the capital stock of the Corporation that may be acquired by the Shareholders in the future shall be subject to this Agreement.

This share division shall override all other recitations of share division, including but not limited to that in the Omnibus Amendments dated March 21, 2025.

The Shareholders are aware and acknowledge that the future issuance of additional shares of the Corporation's common stock could cause dilution to their shares and could significantly increase the outstanding number of shares of common stock.

Clawback. Sullivan shall, after notice and an opportunity to cure any defaults, forfeit and surrender to Corporation all of his common shares in Corporation if at any time prior to the Closing (as defined in the APA) (i) WWWG enters into an agreement to sell substantially all of its assets material to the operation of WWWG's business, or any of the membership interests in WWWG, to a party other than Corporation; (ii) either Corporation or WWWG terminates the APA in accordance with the terms thereof; or (iii) WWWG, through no fault of the Corporation, does not fully effectuate the assignment and transfer of its assets to Corporation, or the Closing does not occur, on or before the date ten business days immediately following the payment, in full, of the Note, all as described in the APA. The remedy specified in the previous sentence shall not be exclusive and shall be in addition to every other right or remedy at law or in equity that may be available to Corporation.

2. Management and Control.

- a. Shareholders and Board of Directors. Subject to subsection 2(i) hereof, during the term of this Agreement the Board of Directors of the Corporation shall consist of Sambrotto and Eisenberg, and annual or other elections of directors are waived. The Corporation shall be managed and controlled in accordance with this Agreement and the Bylaws of the Corporation. Subject to express provisions of this Agreement to the contrary, all decisions and actions of the Shareholders must be made by the affirmative consent, vote or other approval of those holding a simple majority of outstanding voting shares of Corporation. All decisions and actions of the Board of Directors must be made by the affirmative consent, vote or other approval of a simple majority of the directors of Corporation. The Board and the Shareholders shall be required to hold annual meetings, as well as such regular or special meetings as appropriate to the operations of the Corporation, provided that any action or decision made by the Board or the Shareholders may

Any Shareholder may authorize any other Shareholder to represent or act as proxy for the former according to the written instructions, general or specific, of the authorizing Shareholder.

- b. **Managing Shareholder.** Except as set forth in this Section 2, Colby Sambrotto, or his duly appointed successor (the "Managing Shareholder") shall manage, control, and operate the business and affairs of the Corporation as General Manager without any further action or approval by the Shareholders or the Board. The Managing Shareholder may be changed from time to time with the consent of the Shareholders holding voting shares in Corporation, subject to the terms of any employment agreement between the Corporation and the Managing Shareholder. The Shareholders agree that, prior to the Closing, the Managing Shareholder, Chief Executive Officer and President can only be compensated by the Corporation if the Corporation is not in default on any of its obligations under the APA or the Note. If this condition is met such compensation shall not exceed \$65,000 per year for a minimum of 18 months from the Effective Date, at which time the Shareholders will review the compensation of all officers and adjust such compensation as the Shareholders deem appropriate, provided that the maximum allowable compensation shall be \$125,000, and further provided that any such increased compensation shall be set forth in a written employment agreement between the officer and the Corporation which employment agreement(s) shall include standard terms and conditions for similarly-situated executives at comparable companies. The Shareholders agree that the maximum annual compensation shall be commercially reasonable and commensurate with similarly situated positions at similar businesses.
- c. **Books, Records, and Reports.** The Managing Shareholder shall cause the Board to maintain the books, records, and other documents required by law. Notwithstanding any waiver thereof contained in the Bylaws of the Corporation, the Managing Shareholder shall cause the Board to furnish to the Shareholders an annual audited report.
- d. **Conduct of Business.** The Managing Shareholder agrees to use the Managing Shareholder's best efforts to cause the business of the Corporation to be conducted in accordance with sound business practices, in a lawful manner, and to endeavor to preserve for the Corporation the goodwill of itself and its suppliers, customers, employees, and others having business relations with it.
- e. **Shareholder Meetings.** There shall be no required regular meetings of Shareholders of the Corporation other than the annual meeting.
- f. **Employment of Shareholders.** The Shareholders shall hold the following offices

of the Corporation, so long as they hold shares of stock of the Corporation, are active in the business of the Corporation and are able to perform their duties and responsibilities:

Chief Executive Officer: Colby Sambrotto

President: Derek Eisenberg

- g. Termination of Shareholder Serving as an Officer, Director or Employee. Any Shareholder may be terminated, by action of the Shareholders, as an officer, director, or employee of the Corporation as provided in this subsection, subject to the terms of any employment agreement between the Corporation and the Shareholder. Termination shall become effective on the adoption by all of the other Shareholders, holding at least 50% of the aggregate voting shares of the Corporation, at a meeting duly held after 30 days' written notice has been given to the Shareholders, of a written resolution finding that the Shareholder has: (i) failed to fulfill the Shareholder's responsibilities or duties as an officer, director or employee per the sole discretion of the CEO; (ii) engaged in misconduct or a willful breach of this Agreement; (iii) ceased to hold shares in the Corporation; (iv) been convicted by any court of any offense punishable as a felony; and/or (v) made an unauthorized assignment or agreement for the benefit of the Corporation's creditors.
- h. Voting of Shares. Each Shareholder shall vote or cause to be voted the voting shares of capital stock of the Corporation held of record or owned beneficially by the Shareholder in such a manner as will carry out the intents and purposes of, and effectuate and implement all of the covenants and agreements in this Agreement.
- i. Post-Closing. Upon the completion of the Closing as set forth in the APA, and continuing for the shorter of five (5) years immediately thereafter, or the length of time any other Shareholder shall serve in the following capacities, Sullivan shall (i) serve as a director of Corporation; and (ii) serve as an officer of Corporation with a salary and other compensation (excluding broker fees) equal to the average salary of Sambrotto and Eisenberg (excluding broker fees). Upon the completion of the Closing as set forth in the APA, and continuing for no less than five (5) years immediately thereafter, Sullivan shall (i) use best efforts to maintain an individual Florida real estate broker license. To the extent Sullivan serves as a broker on behalf of Corporation, he shall be entitled to broker fees commensurate with broker fees Corporation is then paying to its other brokers, to be paid by state and/or population area. Upon the completion of the Closing, the Corporation's Bylaws shall be amended to increase the authorized number of Directors to three (3).
- j. Indebtedness. Prior to the Closing, Corporation shall not incur or assume any debt, including without limitation bank loans, but excluding monthly credit card obligations for advertising expenses not to exceed \$100,000.00, without the prior written consent of Sullivan, Sambrotto and Eisenberg, provided that the Corporation may assume debt without Sullivan's approval if fifty percent (50%) of any such debt is paid towards the Note at the closing of the funding of any such

debt, and further provided that Sullivan shall be under no obligation to personally guarantee any indebtedness of the Corporation. Sullivan shall have no responsibility for managing the Corporation's expenses, funding or financial obligations until completion of the Closing as described in the APA. Sullivan consents to BYO's execution of the Secured Promissory Note and Security Agreement contemplated by the APA.

k. Brokerage licenses. Corporation shall obtain and maintain real estate brokerage licenses in the states set forth in Exhibit A hereof.

1. *Minority Rights of Sullivan prior to the Closing.* Until such time as the Note has been paid in full and the Closing (as defined in Section 2.1 of the Asset Purchase Agreement dated January 1, 2024 ("APA")) has occurred, the Corporation may not undertake any of the following actions without the prior written consent of Sullivan:

- vi. Any capital expenditure by the Corporation, or series of related capital expenditures of the Corporation, in excess of \$20,000 in the aggregate.
- vii. Any modification or amendment by the Corporation of this Agreement **without Sullivan's consent**;
- viii. Any agreement or commitment to do any of the foregoing.
- ix. The issuance of any ownership interest in the Corporation (though the issuance of shares, options, warrants, convertible notes, contingent ownership rights or any similar issuance).
- x. The entry into any agreement, or amendment to any existing agreement, with a Shareholder or a family member of a Shareholder.
- xi. The increase in compensation of any Director or Officer of the Corporation. Notwithstanding anything to the contrary in the foregoing, any increase in the compensation of any Officer of the Corporation that is in excess of 10% per annum shall also require the consent of the majority of the Shareholders of the Corporation that are not Officers or Directors of the Corporation and, in the event of any Shareholders that are an entity, that do not have any equity owners that are Officers or Directors of the Corporation.

2. **Minority Rights of SAFE Inversories.** So long as SAFE Inversories beneficially owns not less than 2% of the Corporation's issued and outstanding capital stock (on an as-converted, fully diluted basis), the Corporation may not undertake any of the following actions without the prior written consent of SAFE Inversories:

- i. Any acquisition by the Corporation of outstanding shares of any Shareholder of the Corporation;
- ii. Any liquidation, dissolution (notwithstanding Section 4(a) hereof), winding up, commencement of bankruptcy, insolvency, or similar proceedings with respect to the Corporation;
- iii. Any modification or amendment by the Corporation of this Agreement;
- iv. Any agreement or commitment to do any of the foregoing.

3. **Distributions.**

- a. **Determination of Net Income or Loss.** For the purposes of this Agreement, the net income or loss of the Corporation for any accounting period shall be its gross income less the Corporation's expenses during that period, determined on an accrual basis in accordance with generally accepted accounting principles. Gross income shall include, but shall not be limited to, revenues generated by the operation of the Corporation's business, amounts received upon or in respect of investments of the Corporation, gains realized upon the sale or disposition of any property, and any other income received by the Corporation. Expenses shall include, but shall not be limited to, the expenses of conducting the business, salaries, interest on any loans or borrowings by the Corporation including any loans or advances to the Corporation by any Shareholder, taxes and assessments assessed to the Corporation or levied upon its properties and payable by it, depreciation of and losses on the Corporation's property (using any method of depreciation the Managing Shareholder deems appropriate), bad debts and contingencies for which reserves should properly be established, and any and all other expenses incidental to the conduct of the business of the Corporation. No distribution shall be dilutive to shareholder positions and no distribution shall under any circumstances be equated to compensation for work performed by any shareholder on behalf of the Corporation.
- b. **Regular Distributions of Net Income.** Unless the Shareholders holding voting shares unanimously (before the Note is paid in full and before the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) or by a simple majority (after the Note is paid in full and after the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) agree that the Corporation reasonably needs to retain the same to meet its obligations or to maintain a sound financial condition in light of the Corporation's reasonable financial needs, the net income of the Corporation in excess of the first \$100,000.00 of net income shall be distributed by the Corporation quarterly,

proportionate to the percentage of shares owned by each Shareholder. The Shareholders agree that notwithstanding anything herein to the contrary, the Corporation shall pay down the Note in accordance with its terms and the APA, and shall not make any regular distributions of Net Income to the Shareholders until the Note is paid in full.

4. Dissolution.

- a. **Restrictions on Voluntary Dissolution.** The unanimous (before the Note is paid in full and before the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) or simple majority (after the Note is paid in full and after the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) consent of the Shareholders holding voting shares shall be required to approve the voluntary dissolution of the Corporation and each Shareholder waives any right to the taking of that action by the approval, consent, or vote of a lesser percentage.
- b. **Procedures During Winding Up.** On commencement of dissolution proceedings either by election of all Shareholders or otherwise, the Corporation will cease to carry on business except as necessary to wind up its business and distribute its assets. The Managing Shareholder will perform the following acts, as necessary, to wind up the affairs of the Corporation:

Employ agents and attorneys to liquidate and wind up the affairs of the Corporation;

Continue the business as necessary for the winding up of the affairs of the Corporation;

Carry out contracts and collect, pay, compromise, and settle debts and claims for or against the Corporation;

Defend suits brought against the Corporation;

Sue, in the name of the Corporation, for all sums due to the Corporation or recover any of its property;

Collect any amounts owing on subscriptions to shares or recover unlawful distributions;

Sell at public or private sale, exchange, convey, or otherwise dispose of all or any part of the assets of the Corporation for cash in an amount considered reasonable by the Managing Shareholder, or his or her appointee(s); Make contracts and take any steps in the name of the Corporation that are necessary or convenient in order to wind up the affairs of the Corporation.

- c. **Distribution of Assets on Dissolution.** The Managing Shareholder will apply the assets of the Corporation in the following order:

To all debts and liabilities of the Corporation in accordance with the law, including the expenses of dissolution and liquidation, but excluding any debts to a Shareholder;

To all senior debts to a Shareholder in accordance with the terms of any subordination agreement;

To the accrued and unpaid interest on unsubordinated debts to a Shareholder;
To the principal of unsubordinated debts to a Shareholder;

To undistributed net profits of the Corporation, subject to the provisions of this Agreement;

To repayment of the purchase price of the shares of the Corporation actually paid by each Shareholder; and, finally,

To the Shareholders in proportion to the number of shares of the Corporation held by each.

5. Voting.

- a. **Certain Voting Requirements.** The unanimous (before the Note is paid in full and before the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) or simple majority (after the Note is paid in full and after the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) consent of the Shareholders holding voting shares shall be required to approve any of the following actions by the Board, and each Shareholder hereby waives any right to the taking of any of such actions by approval, consent, or vote of a lesser percentage: amendment, repeal, or alteration in any way of any provision of the Articles of Incorporation, the Bylaws of the Corporation, or any material terms of this Agreement.

6. Restrictions On Transfer.

- a. **Restrictions on Transfer.** To accomplish the purposes of this Agreement, any transfer, sale, assignment, hypothecation, encumbrance, or alienation of any of the shares of the Corporation, other than according to the terms of this Agreement is void and transfers no right, title, or interest in or to those shares to the purported transferee, buyer, assignee, pledgee, or encumbrance holder. Each Shareholder shall have the right to vote all voting shares held of record and to receive dividends paid on them until the shares are sold or transferred in accordance with this Agreement.

- b. **Permitted Transfers.** A Shareholder may transfer all or any part of his or her shares to: a spouse, ancestors or lineal descendants or the spouses of any of such persons, or to any trust solely for the benefit of the Shareholder or any of the foregoing persons, provided that each such permitted transferee shall first agree in writing to be bound by the terms and provisions of this Agreement. A Shareholder may also transfer all or any part of his or her shares if that transfer is approved in writing by a majority of the aggregate of the remaining, untransferred shares of the Corporation.

7. Dispute Resolution.

Alternative Dispute Resolution. The parties will attempt to resolve any dispute arising out of or relating to this Agreement through friendly negotiations amongst the parties. If the matter is not resolved by negotiation, the parties will resolve the dispute using the below Alternative Dispute Resolution (ADR) procedure:

Any controversies or disputes arising out of or relating to this Agreement will be submitted to mediation in accordance with the mediation procedures of the mediation division of the American Arbitration Association. If mediation is not successful in resolving the entire dispute, any outstanding issues will be submitted to binding arbitration under the arbitration rules of the American Arbitration Association. The arbitrator's award will be final, and judgment may be entered upon it by any court having proper jurisdiction.

8. Noncompetition, Trade Secrets.

- a. Notwithstanding the foregoing, (a) Eisenberg may retain his interest in, and continue providing services to, Continental Real Estate Group, Inc., Continental Real Estate Services, Inc. Pleasant Realty, Inc. and Direct Real Estate LLC; (b) Eisenberg may continue to provide services in the practice of real estate, including but not limited to appraisal, brokerage, residential and commercial real estate, full service and limited service, flat fee, discount, auctions and full fee, online and bricks-and-mortar services; (c) Eisenberg may also serve as broker of record for other firms for compliance purposes for a fee; and (d) Eisenberg and Sambrotto may retain their interest in, and continue providing services to, RubyPorch.com LLC.
- b. **Trade Secrets.** Each Shareholder acknowledges that the customer lists, potential customer lists, trade secrets, processes, methods, and technical information of the Corporation and any other matters designated by the written consent of all Shareholders are valuable assets. Unless he or she obtains the written consent of each of the other Shareholders holding voting shares, each Shareholder agrees never to disclose to any individual and organization, except in authorized connection with the business of the Corporation, any customer list, or any name on that list, or any trade secret, process, or other matter referred to in this paragraph while the Shareholder holds, or has the control of, any shares of the

Corporation, or at any later time.

This Agreement is in compliance with the federal Defend Trade Secrets Act which provides civil or criminal immunity to any individual for the disclosure of trade secrets: (i) made in confidence to a federal, state, or local government official, or to an attorney when the disclosure is to report suspected violations of the law; or (ii) in a complaint or other document filed in a lawsuit if made under seal.

9. Termination and Amendment.

- a. This Agreement shall remain in effect until all of the Shareholders (before the Note is paid in full and before the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) or a simple majority of Shareholders (after the Note is paid in full and after the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) with voting shares agree to termination in writing. Notwithstanding an original issuance of shares by the Corporation to a new shareholder who does not become a party to this Agreement, this Agreement shall continue to the extent it is legally enforceable.
- b. This Agreement may be amended only by a written agreement executed and delivered by each Shareholder (before the Note is paid in full and before the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000) or by a simple majority of Shareholders (after the Note is paid in full and after the Shareholders receive distributions from the Corporation such that SAFE Inversories or its designee has received \$600,000).

10. Miscellaneous Provisions.

- a. **Waiver of Law.** This Agreement does not alter or waive any provision of law except as expressly provided herein; provided, however, each Shareholder hereby expressly waives the provisions of law to the full extent permitted by law in order to uphold the provisions and validity of this Agreement and to cause this Agreement to be valid, binding, and enforceable in accordance with its terms upon each of the Shareholders and their respective transferees, successors and assigns.
- b. **Notices.** Any notice under this Agreement shall be deemed sufficiently given by one party to another if in writing and if and when delivered or tendered either in person or by the deposit of it in the United States mail in a sealed envelope, registered or certified, with postage prepaid, addressed to the person to whom notice is being given at that person's address appearing on the records of the Corporation or any other address as may have been given by that person to the Corporation for the purposes of notice in accordance with this subsection. A notice not given as above shall, if it is in writing, be deemed given if and when

actually received by the party to whom it is required or permitted to be given. It is the responsibility of each Shareholder to ensure that the Corporation has the Shareholder's correct address to receive notice. Notice by electronic mail shall be sufficient if such notice is not timely rejected by the recipient's electronic mail service.

- c. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware.
- d. **Captions.** Captions to sections, subsections, and paragraphs in this Agreement are inserted for convenience only and shall not affect the construction or interpretation of this Agreement.
- e. **Counterparts and Duplicate Originals.** This Agreement and all amendments may be executed in several counterparts and each counterpart shall constitute a duplicate original of the same instrument.
- f. **Successors.** Anything in this Agreement to the contrary notwithstanding, any transferee, successor, holder, or assignee, whether voluntary, by operation of law, or otherwise, of the shares of the Corporation shall be subject to and bound by this Agreement as fully as though a signatory.
- g. **Severability.** Any provision prohibited by, unlawful or unenforceable under any applicable law of any jurisdiction shall as to that jurisdiction be ineffective without affecting any other provision of this Agreement. To the full extent, however, that the provisions of that applicable law may be waived, they are waived to the end that this Agreement be deemed to be a valid and binding agreement enforceable in accordance with its terms.
- h. **Recovery of Expenses.** If a dispute arises with respect to this Agreement, the prevailing party in any binding arbitration shall be entitled to recover all expenses, including, without limitation, reasonable attorneys' fees and expenses, incurred in ascertaining that party's rights, in preparing to enforce, or in enforcing that party's rights under this Agreement, whether or not it was necessary for that party to institute an arbitration proceeding.
- i. **Remedies.** The parties shall have all remedies for breach of this Agreement available to them provided by law or equity. Without limiting the generality of the foregoing, the parties agree that in addition to all other rights and remedies available at law or in equity, the parties shall be entitled to obtain specific performance of the obligations of each party to this Agreement and immediate injunctive relief and that in the event any action or proceeding is brought in equity to enforce the same, no Shareholder will urge, as a defense, that there is an adequate remedy at law.
- j. **Third Parties.** Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any

persons other than the parties to it and the Corporation and their respective permitted transferees, successors, and assigns, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement or to the Corporation, nor shall any provision give any third person any right of subrogation or action over or against any party to this Agreement or the Corporation.

- k. Time. Time is of the essence of this Agreement.
- l. Filing of Agreement. A copy of this Agreement, as amended from time to time, shall be filed with the Secretary of the Corporation for inspection by any prospective purchaser of shares of the Corporation.
- m. Conflict with Bylaws. In the event of any conflict between the terms and provisions of this Agreement and the terms and provisions of the Bylaws of the Corporation, the terms and provisions of this Agreement shall control.

IN WITNESS WHEREOF, the parties have signed this Agreement as of the date first written above.

Form of Subscription Agreement between Issuer and Co-Issuer

CLASS B COMMON STOCK PURCHASE AGREEMENT

This Class B Common Stock Purchase Agreement (this “**Agreement**”) is made as of this _____ day of _____, 2025 by and among BYO Holdings Corporation, a Delaware corporation (the “**Company**”), and BYO Holdings CF Investors SPV, LLC, a Delaware limited liability company (the “**SPV**” or “**Purchaser**,” and together with the Company, the “**Parties**”). The Parties hereby agree as follows:

1. Purchase and Sale of Class B Common Stock.

1.1 Sale and Issuance of Class B Common Stock. Subject to the terms and conditions of this Agreement, the Purchaser agrees to purchase at the Closing and the Company agrees to sell and issue to the Purchaser at the Closing up to _____ shares of Class B Common Stock (the “**Shares**”) at a purchase price of \$1.89 per Share (the “**Price**”).

1.2 Closing. The purchase and sale of the Shares shall take place remotely via the exchange of documents and signatures on the date of this Agreement or at such other time and place as the Company and the Purchaser mutually agree upon, orally or in writing (which time and place are designated as the “**Closing**”). The Company and the Purchaser will execute counterpart signature pages to this Agreement and any other documents required by the Company (the “**Transaction Documents**”).

2. **Representations and Warranties of the Company**. The Company hereby represents and warrants to the Purchaser that the following representations are true and complete as of the date of the Closing, except as otherwise indicated:

2.1 Organization, Good Standing, Corporate Power and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has all power and authority required to (a) carry on its business as presently conducted and as presently proposed to be conducted, and (b) execute, deliver and perform its obligations under the Transaction Documents.

2.2 Valid Issuance of the Shares. The Shares, when issued, sold, and delivered in accordance with the terms and for the consideration set forth in this Agreement, will be duly authorized, validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under the Transaction Documents, applicable state and federal securities laws, and liens or encumbrances by or imposed by the Purchaser.

2.3 Compliance with Other Instruments. To the Company’s knowledge, the sale of the Shares will not place the Company in violation or default (a) of any provisions of the Company’s Amended and Restated Certificate of Incorporation, (b) of any judgment, order, writ or decree of any court or governmental authority, (c) under any agreement, instrument, contract, lease, note, indenture, mortgage or purchase order, or (d) of any provision of federal or state statute, rule or regulation materially applicable to the Company. The execution, delivery and performance of the Transaction Documents and the consummation of the transactions contemplated by the Transaction Documents will not result in any such violation or default, or constitute, with or without the passage of time and giving of notice, either (i) a default under any such judgment, order, writ, decree, agreement, instrument, contract, lease, note, indenture, mortgage or purchase order or (ii) an event which results in the creation of any lien, charge or encumbrance upon any assets of the Company or the suspension, revocation, forfeiture, or nonrenewal of any material permit or license applicable to the Company.

3. **Representations and Warranties of the Purchaser.** The Purchaser hereby represents and warrants to the Company as follows:

3.1 Purchase for Own Account. The Purchaser is acquiring and will hold the Shares for investment for its account only and not with a view to, or for resale in connection with, any “distribution” thereof within the meaning of the Securities Act of 1933, as amended (the “*Securities Act*”).

3.2 Access to Information. The Purchaser has been furnished with, and has had access to, all information that he/she/it considers necessary or appropriate for deciding whether to invest in the Shares, including the Company’s Certificate of Incorporation, and the Purchaser has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the issuance of the Shares.

3.3 Speculative Investment. The Purchaser is aware that his/her/its investment in the Company is a speculative investment that has limited liquidity and is subject to the risk of complete loss. The Purchaser is able, without impairing his/her/its financial condition, to hold the Shares for an indefinite period and to suffer a complete loss of his investment in the Shares.

3.4 Authorization. The Purchaser has full power and authority to enter into the Transaction Documents. The Transaction Documents to which such Purchaser is a party, when executed and delivered by the Purchaser, will constitute valid and legally binding obligations of the Purchaser, enforceable in accordance with their terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, and any other laws of general application relating to or affecting the enforcement of creditors’ rights generally, or (b) the effect of rules of law governing the availability of equitable remedies.

3.5 No Public Market. The Purchaser understands that no public market now exists for the Shares, and that the Company has made no assurances that a public market will ever exist for the Shares.

3.6 Exculpation Among Purchasers. The purchaser acknowledges that it is not relying upon any person, other than the Company and its officers and directors, in making its investment or decision to invest in the Company. The Purchaser agrees that neither any Purchaser nor the respective controlling persons, officers, directors, partners, agents, or employees of any Purchaser shall be liable to any other Purchaser for any action heretofore taken or omitted to be taken by any of them in connection with the purchase of the Shares.

3.7 Residence. If the Purchaser is an individual, then the Purchaser resides in the state identified in the address of the Purchaser set forth on Exhibit A; if the Purchaser is a partnership, corporation, limited liability company or other entity, then the office or offices of the Purchaser in which its principal place of business is identified in the address or addresses of the Purchaser set forth on Exhibit A.

3.8 Bad Actor. None of the Purchaser, its principals or its affiliates (each a “*Purchaser Party*”) meet any of the disqualifying criteria described in Rule 506(d)(1)(i) through (viii) promulgated under the Securities Act (each a “Rule 506 Disqualification”).

4. **General Provisions.**

4.1 Company Covenants. Within one (1) year of the date first set forth herein, the Company shall amend and modify its books and records to reflect the purchase of the Shares outlined herein.

4.2 Successors and Assigns. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

4.3 Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

4.4 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument. Counterparts may be delivered by any electronic signature complying with the U.S. federal ESIGN Act of 2000, and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

4.5 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

4.6 Notices. All notices and communications given or made pursuant hereto shall be in writing and shall be deemed effectively given upon the earlier of actual receipt or: (a) personal delivery to the party to be notified, (b) when sent, if sent by facsimile during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient's next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) business day after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt. All communications shall be sent to the respective Parties at their address as set forth on the signature page or Exhibit A, or to such address or facsimile number as subsequently modified by written notice given in accordance with this Section.

4.7 Attorneys' Fees. If any action (including arbitration) is necessary to enforce or interpret the terms of any of the Transaction Documents, the prevailing party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled. Each party shall pay all costs and expenses that it incurs with respect to the negotiation, execution, delivery, and performance of the Agreement.

4.8 Amendments and Waivers. Except as specified in this Agreement, any term of this Agreement may be amended, terminated, or waived only with the written consent of the Company. Any amendment or waiver effected in accordance with this Section shall be binding upon the Purchaser and each transferee of the Shares, and each future holder of all such securities, and the Company.

4.9 Severability. The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision.

4.10 Delays or Omissions. No delay or omission to exercise any right, power, or remedy accruing to any party hereunder, upon any breach or default of any other party under this Agreement, shall impair any such right, power, or remedy of such non-breaching or non-defaulting party nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval on the part of any party of any breach or default under this Agreement, or any waiver on the part

of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded to any party, shall be cumulative and not alternative.

4.11 Entire Agreement. This Agreement (including the Exhibits hereto), the Articles of Incorporation and the other Transaction Documents constitute the full and entire understanding and agreement between the parties with respect to the subject matter hereof, and any other written or oral agreement relating to the subject matter hereof existing between the parties are expressly canceled.

4.12 Securities Law Restrictions. Regardless of whether the offering and sale of Shares under this Agreement have been registered under the Securities Act or have been registered or qualified under the securities laws of any state, the Company may, at its discretion, impose restrictions upon the sale, pledge, or other transfer of the Shares if, in the judgment of the Company, such restrictions are necessary or desirable in order to achieve compliance with the Securities Act, the securities laws of any state, or any other law.

BYO HOLDINGS CORPORATION

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024 AND FOR THE PERIOD FROM INCEPTION (SEPTEMBER 28, 2023) TO DECEMBER 31, 2023

1. NATURE OF OPERATION

BYO Holdings Corporation was incorporated on September 28, 2023, in the state of Delaware. The financial statements of BYO Holdings Corporation (which may be referred to as the "Company", "we", "us", or "our") are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Company's headquarters are located in Hackensack, New Jersey.

BYO Holdings Corporation, doing business under an agreement with ByOwner.com, offers reduced commission residential real estate brokerage for buyers and sellers nationwide. In addition, the Company has a nascent enterprise division that sells leads to companies in the full service real estate brokerage, mortgage services and title services industries.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies is presented to assist in understanding the Company's financial statements. The accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP" and "US GAAP").

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with US GAAP and the Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

Cash includes all cash in banks. As of December 31, 2024 and 2023, the Company's cash did not exceed FDIC insured limits.

Revenue Recognition

The Company recognizes revenue when it transfers promised services to customers in an amount that reflects the consideration it expects to receive in exchange for those services, in accordance with Accounting Standards Codification ("ASC") 606, *Revenue from Contracts with Customers*. The Company applies the following five-step model to each revenue stream: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to each performance obligation, and (5) recognize revenue when (or as) the performance obligation is satisfied.

Revenue is recognized at a point in time when control of the promised service is transferred to the customer, as described below:

- **Lead Sales:** The Company generates buyer, seller, and rental leads through its platform, which are sold to real estate service providers. Revenue is recognized when the lead is delivered and access is provided to the customer. During FY 2024, all lead sales were made to a single integrated real estate services platform.
- **Commission Revenue:** The Company earns a percentage-based commission when a home is sold through its platform. Revenue is recognized at the time the sale closes, which is when the performance obligation is satisfied.
- **Listing Fees:** Sellers may purchase listing packages to advertise their property on the ByOwner platform. Revenue is recognized at the point the listing service is made available to the customer. For the monthly subscription, revenue is recognized ratably over the one-month service period.

BYO HOLDINGS CORPORATION

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024 AND FOR THE PERIOD FROM INCEPTION (SEPTEMBER 28, 2023) TO DECEMBER 31, 2023

Cost of Sales

Cost of sales includes expenses related to platform operations.

Income Taxes

The Company is taxed as a C corporation for income tax purposes. The Company accounts for income taxes under the liability method, and deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying values of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates in effect for the year in which those temporary differences are expected to be recovered or settled. A valuation allowance is provided on deferred tax assets if it is determined that it is more likely than not that the deferred tax asset will not be realized. The Company records interest, net of any applicable related income tax benefit, on potential income tax contingencies as a component of income tax expense. The Company records tax positions taken or expected to be taken in a tax return based upon the amount that is more likely than not to be realized or paid, including in connection with the resolution of any related appeals or other legal processes. Accordingly, the Company recognizes liabilities for certain unrecognized tax benefits based on the amounts that are more likely than not to be settled with the relevant taxing authority. The Company recognizes interest and/or penalties related to unrecognized tax benefits as a component of income tax expense.

Fair Value of Financial Instruments

The carrying value of the Company's financial instruments included in current assets and current liabilities (such as cash and cash equivalents, restricted cash and cash equivalents, accounts receivable, accounts payable, and accrued expenses) approximates fair value due to the short-term nature of such instruments.

The inputs used to measure fair value are based on a hierarchy that prioritizes observable and unobservable inputs used in valuation techniques. These levels, in order of highest to lowest priority, are described below:

Level 1 — Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 — Observable prices that are based on inputs not quoted on active markets but corroborated by market data.

Level 3 — Unobservable inputs reflecting the Company's assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

Advertising & Promotional Costs

Advertising and promotional costs are expensed as incurred. Advertising and promotional expenses for the years ended December 31, 2024, and December 31, 2023, amounted to \$185,632 and \$0, which is included in sales and marketing expenses.

Subsequent Events

The Company considers events or transactions that occur after the balance sheet date, but prior to the issuance of the financial statements to provide additional evidence relative to certain estimates or to identify matters that require additional disclosure. Subsequent events have been evaluated through the date the financial statements were issued.

3. DETAILS OF CERTAIN ASSETS AND LIABILITIES

Prepaid and other current assets consist of the following:

As of December 31,	2024	2023
Unbilled Revenue	2,193	-
Total Prepaids and Other Current Assets	\$ 2,193	\$ -

BYO HOLDINGS CORPORATION**NOTES TO FINANCIAL STATEMENTS****FOR THE YEAR ENDED DECEMBER 31, 2024 AND FOR THE PERIOD FROM INCEPTION (SEPTEMBER 28, 2023) TO DECEMBER 31, 2023**

Other current liabilities consist of the following:

As of December 31,	2024	2023
Accrued expenses	6,182	-
Total Other Current Liabilities	\$ 6,182	\$ -

4. DEFERRED REVENUE

The Company recognizes revenue in accordance with ASC 606, Revenue from Contracts with Customers. Revenue is recognized when control of promised services is transferred to customers in an amount that reflects the consideration the Company expects to receive in exchange for those services.

For subscription sales, customers typically prepay for a defined service term (e.g., six months), and revenue is recognized on a straight-line basis over that term as the performance obligations are satisfied. For example, for a six-month subscription, one-sixth of the total subscription fee is recognized each month. At the time of sale, the Company records deferred revenue (a contract liability) and recognizes revenue over time as the service is delivered.

Contract Balances

- Deferred Revenue (Contract Liabilities) consists of amounts invoiced and collected in advance for which performance obligations have not yet been satisfied as of the reporting date.
- Unbilled Revenue (Contract Assets) represents revenue recognized for services already provided that have not yet been invoiced due to billing cycles or timing differences.

The following table presents a roll forward of contract balances for the year ended December 31, 2024:

	Deferred Revenue	Unbilled Revenue
Balance at Jan 1, 2023	-	-
Billings	15,599	-
Revenue Recognized	(4,913)	-
Balance at Dec 31, 2024	10,687	-

Remaining Performance Obligations

As of December 31, 2024, the Company had approximately \$10,687 of remaining performance obligations related to active customer subscriptions. These obligations are expected to be recognized as revenue within the following periods:

Period	Revenue to be Recognized
Within 1 year	\$ 10,687
After 1 year	-
TOTAL	10,687

BYO HOLDINGS CORPORATION**NOTES TO FINANCIAL STATEMENTS****FOR THE YEAR ENDED DECEMBER 31, 2024 AND FOR THE PERIOD FROM INCEPTION (SEPTEMBER 28, 2023) TO DECEMBER 31, 2023**

5. EQUITY AND CAPITALIZATION**Common Stock**

The Company is authorized to issue 100,000 shares of common stock with a par value of \$0.001. As of December 31, 2024, and 2023, 11,111 and 10,000 shares of common stock have been issued and were outstanding, respectively.

6. INCOME TAXES

The provision for income taxes consists of the following:

	For The Year Ended December 31, 2024	For the period from Inception (September 28, 2023) to December 31, 2023
Net Operating Loss	\$ (74,607)	\$ (6,875)
Valuation Allowance	74,607	6,875
Net Provision For Income Tax	\$ -	\$ -

Significant components of the Company's deferred tax assets and liabilities are as follows:

As of December 31,	2024	2023
Net Operating Loss	\$ (81,482)	\$ (6,875)
Valuation Allowance	81,482	6,875
Total Deferred Tax Asset	\$ -	\$ -

Management assesses the available positive and negative evidence to estimate if sufficient future taxable income will be generated to use the existing deferred tax assets. On the basis of this evaluation, the Company has determined that it is more likely than not that the Company will not recognize the benefits of the federal and state net deferred tax assets, and, as a result, full valuation allowance has been set against its net deferred tax assets as of December 31, 2024 and December 31, 2023. The amount of the deferred tax asset to be realized could be adjusted if estimates of future taxable income during the carry-forward period are reduced or increased.

For the fiscal year ended December 31, 2024, the Company had federal cumulative net operating loss ("NOL") carryforwards of \$296,298. Utilization of some of the federal and state NOL carryforwards to reduce future income taxes will depend on the Company's ability to generate sufficient taxable income prior to the expiration of the carryforwards. The federal net operating loss carryforward is subject to an 80% limitation on taxable income, does not expire, and will carry on indefinitely.

The Company recognizes the impact of a tax position in the financial statements if that position is more likely than not to be sustained on a tax return upon examination by the relevant taxing authority, based on the technical merits of the position. As of December 31, 2024, and December 31, 2023, the Company had no unrecognized tax benefits.

The Company recognizes interest and penalties related to income tax matters in income tax expense. As of December 31, 2024, and December 31, 2023, the Company had no accrued interest and penalties related to uncertain tax positions.

7. CONTINGENCIES AND COMMITMENTS

Asset Purchase Agreement and Related Note Payable

On January 1, 2024, the Company entered into an Asset Purchase Agreement ("APA") with Wild Wild West Group, LLC ("WWWG") to acquire certain assets of WWWG. The acquisition is contingent upon the Company's payments under a Secured Promissory Note (the "Note"), also dated January 1, 2024, in the original principal amount of \$9.15 million. This amount was subsequently reduced to \$6.5 million pursuant to the Omnibus Amendment Agreement dated March 21, 2025 (the "Omnibus Amendment").

The Note bears interest at a rate of 3.65% per annum, which was increased to 6% under the Omnibus Amendment. As amended, \$3.0 million is due on or before May 21, 2026 (originally \$3.3 million due by January 1, 2026), and the remaining balance, including accrued interest, is due on or before May 21, 2028 (originally January 1, 2028).

In connection with the Note, the Company also entered into a Security Agreement with WWWG on January 1, 2024, granting WWWG a security interest in all of the Company's assets in the event of a default. As of December 31, 2024, no payments have been made under the Note, and no assets have been transferred under the APA. Accordingly, the APA transaction remains contingent on payment of the Note and has not been recognized in the financial statements.

Contingencies

The Company's operations are subject to a variety of local, state, and federal regulations. Failure to comply with these requirements may result in fines, penalties, restrictions on operations, or losses of permits, which will have an adverse impact on the Company's operations and might result in an outflow of economic resources.

Litigation and Claims

From time to time, the Company may be involved in or exposed to litigation arising from operations in the normal course of business. As of December 31, 2024, and December 31, 2023, there were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of the Company's operations.

8. RELATED PARTY TRANSACTIONS

The Company has entered into several agreements with Wild Wild West Group, LLC ("WWWG"), a related party. WWWG owns the ByOwner.com platform. Greg Sullivan, a shareholder of BYO Holdings Corporation ("BYOHC"), is also the majority beneficial owner of WWWG. For detailed information regarding the Asset Purchase Agreement and related Secured Promissory Note, see Note 7 – Contingencies and Commitments.

Additionally, the Company has an interim services agreement with WWWG under which WWWG provides operational support and transitional services to BYOHC. During the year ended December 31, 2024, WWWG provided services valued at approximately \$193,993. These services include granting BYOHC access to certain territories controlled by WWWG and assisting with the processing and servicing of transactions consummated within those territories on behalf of BYOHC.

Derek Eisenberg, the Company's Chief Brokerage Officer and Director, is the majority beneficial owner of Continental Real Estate Group, Inc. ("CREG"). On January 2, 2024, the Company entered into a Referral Agreement (the "RA") with CREG to service certain customers of the Company. The Company has agreed to pay CREG \$90 per listing for each listing that CREG successfully posts to an MLS service under a CREG listing package. In addition, when a home is sold under a CREG listing package, any back-end fees generated from the sale will be split between the Company and CREG. CREG will retain .1% of the home sales price or \$250 whichever is greater. Any back end fees generated above that amount will be distributed to the Company. For reference, typical total back-end fees for a successful home sale transaction is currently .25% of the sale value of the home. In 2024, \$14,986 in referral fees were paid to CREG. The term of the RA is one year and will automatically renew unless either party gives notice of its intention not to renew the RA. The Company and CREG may terminate the RA at any time, for any reason by providing 90 days prior written notice.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024 AND FOR THE PERIOD FROM INCEPTION (SEPTEMBER 28, 2023) TO DECEMBER 31, 2023

9. GOING CONCERN

The accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company has a net operating loss of \$270,890, and cash used in operating activities of \$256,622 during the year ended December 31, 2024, and a cash balance of \$143,438 as of December 31, 2024, which is less than a year's worth of cash burn at the current rate. These factors normally raise substantial doubt about the Company's ability to continue as a going concern.

The Company's ability to continue as a going concern in the next twelve months following the date the financial statements were available to be issued is dependent upon its ability to produce revenues and/or obtain financing sufficient to meet current and future obligations and deploy such to produce profitable operating results.

Management has evaluated these conditions and plans to generate revenues and raise capital as needed to satisfy its capital needs. During the next twelve months, the Company intends to fund its operations through debt and/or equity financing.

There are no assurances that management will be able to raise capital on terms acceptable to the Company. If it is unable to obtain sufficient amounts of additional capital, it may be required to reduce the scope of its planned development, which could harm its business, financial condition, and operating results. The accompanying financial statements do not include any adjustments that might result from these uncertainties.

10. SUBSEQUENT EVENTS

On March 21, 2025, the Board of Directors and Shareholders of BYO Holdings Corporation authorized and the Company sold 1,111 shares of common stock, par value \$.001, for an aggregate purchase price of \$200,000.

On March 21, 2025, BYO Holdings Corporation entered into an Omnibus Amendments Agreement with Wild Wild West Group, LLC, and other parties to amend the Asset Purchase Agreement, Interim Services Agreement, and Shareholder Agreement. Key changes include a revised purchase price of \$6.5 million, payable under a new promissory note with 6% annual interest, and revised payment terms including \$3.0 million due within 14 months and 25% of gross revenues payable weekly until fully repaid. The parties also updated revenue-sharing provisions and territory allocations.

On August 7, 2025, the authorized capital stock of BYO Holdings Corporation increased from One Hundred Thousand (100,000) shares of common stock to Sixty Five Million (65,000,000) shares of common stock, par value \$0.001 per share ("Common Stock"), of which (i) Sixty Million (60,000,000) shares are designated as Class A Common Stock (the "Class A Common Stock"), and (ii) Five Million (5,000,000) shares are designated as Class B Common Stock (the "Class B Common Stock"). In addition, each share of the Corporation's Common Stock outstanding immediately prior to the Effective Date automatically and without any action on the part of the respective holders thereof, subdivided, split and converted into 5,190.53 fully-paid and non-assessable shares of Class A Common Stock having a par value of \$0.001 per share. The Class A Common Stock is entitled to vote on each matter on which the stockholders of the Corporation shall be entitled to vote. The Class B Common Stock is not entitled to vote on any matter on which the stockholders of the Corporation shall be entitled to vote. As of the date of the review report, there were 57,671,958 shares of Class A Common Stock issued and were outstanding.

There is no material difference between investing through the Co-Issuer (BYO Holdings CF Investors SPV, LLC) and investing in the Company itself (BYO Holdings Corporation).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies is presented to assist in understanding the Company’s financial statements. The accounting policies conform to accounting principles generally accepted in the United States of America (“GAAP” and “US GAAP”).

Basis of Presentation

The accounting and reporting policies of the Company conform to accounting principles generally accepted in the United States of America (“US GAAP”). The Company has adopted a calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company has been organized as a limited liability company and has elected to be taxed as a partnership, which is not a tax-paying entity for federal income tax purposes; therefore, no provision for federal income taxes is reflected in its records. The income or loss of the limited liability company is passed through to the members and reported on their individual income tax returns.

Subsequent Events

The Company considers events or transactions that occur after the balance sheet date, but prior to the issuance of the financial statements to provide additional evidence relative to certain estimates or to identify matters that require additional disclosure. Subsequent events have been evaluated through the date the financial statements are issued.

Related Party Transactions

The Company may engage in financing arrangements with related parties, including significant shareholders or entities under common control. These transactions are reviewed and approved by management to ensure they are conducted at arm’s length or under terms considered reasonable given the related party relationship and the Company’s financing needs.

Loans from related parties are recognized as liabilities when cash is received or the obligation is incurred. These loans may be interest-free and may not have stated repayment terms. In such cases, if no fixed repayment schedule exists

BYO HOLDINGS CF INVESTORS SPV, LLC
NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE ONE DAY ENDED JUNE 20, 2025 (INCEPTION DATE)

and there is no expectation or contractual requirement to repay the loan within the next twelve months, the loan is classified as a noncurrent liability in the balance sheet. If repayment is expected within twelve months or is callable by the lender on demand, the loan is classified as a current liability.

Loans to related parties are recognized as assets when the Company advances funds or records receivables under non-cash transactions. Such loans are assessed for collectability on a periodic basis and are classified as current or noncurrent assets depending on the repayment terms and expected timing of collection.

3. MEMBERS' EQUITY

As of June 20, 2025, no units were issued and outstanding.

4. RELATED PARTY

There were no related party transactions as of and for the one day ended June 20, 2025.

5. COMMITMENTS AND CONTINGENCIES

Contingencies

The Company's operations are subject to a variety of local and state regulations. Failure to comply with one or more of those regulations could result in fines, restrictions on its operations, or loss of permits that could result in the Company ceasing operations.

Litigation and Claims

From time to time, the Company may be involved in litigation relating to claims arising out of operations in the normal course of business. As of June 20, 2025, there were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of the Company's operations.

6. GOING CONCERN

The Company lacks significant working capital and has only recently formed. These matters raise substantial doubt about the Company's ability to continue as a going concern. During the next twelve months, the Company intends to fund its operations with additional debt and/or equity financing as determined to be necessary. There are no assurances that management will be able to raise capital on terms acceptable to the Company. If the Company is unable to obtain sufficient amounts of additional capital, it may be required to reduce the scope of its planned development, which could harm the business, financial condition and operating results. The balance sheet and related financial statements do not include any adjustments that might result from these uncertainties.

7. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through the date the financial statements were issued, and has concluded that no events or transactions have occurred that would require adjustment to or disclosure in the financial statements.

<p>There's a massive financial sleight of hand happening right under the nose of millions of Americans.</p> <p>When you sell a house, that 6% commission fee you have to pay an agent is even more than you think. That's because the commissions, fees and closing costs—which climb as high as 10% of the sale price—come directly from your equity.</p> <p>Do the math. Once you take any mortgage into account, you can be forfeiting up to nearly a third of your nest egg. Ouch.</p>	<p>Colby Sambrotto</p> <p>Graphic: Math actively occurring on screen</p> <p>10% of \$300K = \$30K \$300k sale price - \$200k mortgage = \$100k \$30k of \$100K profit = 30% of your MONEY!</p>
<p>Now ByOwner delivers a better equation.</p> <p>We're a national real estate platform that lets users bypass expensive realtors—while still having access to the same MLS network and big home-selling apps. Self-service home selling for a small fee upfront and a QUARTER of one percent of your sale.</p> <p>So you KEEP 98% of what's actually yours. Game over for the middleman markup.</p>	<p>Logo Hero</p> <p>Redo the math on screen to show the savings</p> <p>MLS* like RedFin, Zillow, ... *multiple listing service</p> <p>Graphics: \$195 to list + ¼ of 1% at sale</p>

<p>It's well within reach for any seller who wants to save: Our tools help price the home, our platform provides the marketing exposure, and like any other sale, local real estate lawyers and title companies handle the paperwork. We just cut out the expensive humans in slick outfits.</p>	<p>Show the platform and tools</p> <p>1) Price the Home 2) Market the Sale 3) Normal Closing Procedure</p>
<p>I know this world firsthand: I built my first company in this same industry, from two computers and a domain name to a business acquired by the Chicago Tribune.</p> <p>We created the playbook for online real estate, but there was so much more value we knew we could add for sellers. Now I'm eager to write the next chapter.</p>	<p>Graphic: ForSaleByOwner.com logo, Text: acquired in 20XX for \$X mil</p> <p>The team highlighted</p>
<p>We're already generating millions in revenue with half a million monthly visitors across 40 states.</p> <p>And our timing couldn't be better. Federal real estate regulations are being considered in favor of our model and housing affordability across the U.S. is in crisis. Every dollar sellers can save helps create a more accessible market.</p>	<p>Graphics showing company growth/user engagement and presence across US.</p>
