I focus on Real Staffing's Medical Device division, managing our client relationships in Indiana. Our recruitment team supports very specific technical markets in placing high-caliber professionals on a contract and contract-to-hire basis.

Some of the key roles i'm looking for are related to:

- Manufacturing Engineering
- Project Engineering/Management
- Process Engineering
- Packaging Engineering
- Maintenance Engineering

Real Staffing's recruitment capabilities also span across the following areas:

- Regulatory Affairs
- Quality Assurance
- Engineering
- Program Management
- Clinical Affairs
- Scientific (Chemists, Scientists & Microbiologists)
- Technology (Programming & Business Analytics)

We also assist clients with the following:

- Attracting and retaining talent
- Writing effective job descriptions
- Developing and managing an effective and efficient interview process
- Day to day management of contract employees

If you are interested in learning more please reach out to me at k.tomirotti@realstaffing.com or 312-453-9088

#### Elmhurst® 1925
