At AOMA, we designed everything—every moment, light beam, and texture—around the Japanese concept “Ma” - “the space in-between.”

So founders can breathe. Creatives can create. Nomads can land—without losing momentum.

Because rest isn't the opposite of productivity. It's what powers it.

-  Opening 2026 in Ericson.
-  Now open for community investors.

We're almost fully funded. Get in before we close the round.

-  Start with \$100
-  Earn 7% annual return + 1.5x in 5 years
-  Get free nights, perks & global community access
