Hi [REDACTED]

Hope you are doing well!

We are starting fundraising for HITMKR this month. Would you potentially be interested in angel investing or know 1-2 individuals who might be interested and good to talk with?

Here's our community campaign with more info: <https://wefunder.com/hitmkr>

But I would love to jump on a call and talk about details if there's any interest.

Thank you,

Vu
