avaspalace We're officially past \$29,000! Only \$20,800 left to hit our first goal—and this is your chance to help us cross the line.

This isn't just about raising money. It's about rewriting what leadership, legacy, and purpose-driven businesses look like.

I started Ava's Pet Palace in my kitchen because pets deserved better. Now we're preparing to launch into another major retail chain and this \$50K helps us do it!

If you believe in healthy treats, sustainability, and the power of young founders building something real, this is your moment to join us.

Invest if you can. Share if you believe.

avaspalace We are making some steady progress and that's thanks to you!! 🥰🥰 Your investments, shares, comments, saves, and likes help to get more eyes on our raise! 🙌

You've watched us build from our kitchen to treat-ing happy pets all over the country. You know what we stand for. And you've helped us prove that young founders with big dreams belong here 🙌

Did you know that less than 0.5% of venture capital goes to black founders. Female-only founders receive just 2.3%. That's why every time you choose Ava's Pet Palace, you're investing in more than treats ❤️

They might not see our value yet, but our community always has!! 🙌

Your investment helps us grow our store count, expand into food someday, and show everyone what's possible when we build with each other.

avaspalace We're making steady progress and it's all thanks to you! 🍪🍪 Every share, comment, like, and investment brings new eyes to our raise 🙏

You've watched us grow from baking in our kitchen to treat-ing pets across the country. You know what we're about. And you've helped prove that young founders with big dreams deserve space at the table 🍪

Only 0.5% of venture capital goes to Black founders. Female-only founders get just 2.3%. That's why this raise matters. Every time you support Ava's Pet Palace, you're backing more than treats ❤️

They might not see us yet, but you always have 🙏

Your investment helps us land in more stores, hire help, and one day, launch real pet food too.

Let's show them what's possible when we build together.
